**ELK GROVE UNIFIED SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 1
SENIOR CITIZEN/DISABLED PERSON 70% TAX REDUCTION APPLICATION
INSTRUCTIONS**

FILING PERIOD:

1. The filing period for each tax year is from April 15 to June 30.
2. A complete application must be filed to initiate the first year's reduction. After the initial year reduction qualification, a renewal form must be filed each year by the deadline to renew the reduction. A renewal form will be mailed to those who received the reduction the previous year.

APPLICATION PROCEDURES:

1. Section I of the application shall be filled out by the senior citizen/disabled person who is seeking the 70% reduction in the levy of the Elk Grove Unified School District Community Facilities District No. 1.
2. **Assessor Parcel Number** - This number can be found on the Sacramento County Secured Property Tax Bill for the land on which the applicant resides. The number is located at the upper left hand corner of the tax bill.
3. To verify **filing status**, **there must be a photocopy of the proper documentation attached to the application** to establish that either the applicant is 65 years of age or older, or is blind/disabled. Below please find a list of acceptable documentation for each category: **Only one of the following forms of proof is needed.**

65 years of age or older:

- Driver's License, or
- Birth Certificate, or
- Hospital Birth Record, or
- Church Baptismal Record, or
- Social Security Award Letter, or
- California Identification Card, or
- Medicare Card

Blind/Disabled:

- Social Security Award Letter, or
- Statement of Disability
Signed by Physician or Optometrist, or
- Supplemental Security Income
Payment Decision

65 years of age or older - Applicant must be 65 years old by June 30 of this year in order to apply for the reduction.

Blind/Disabled - A disabled person is defined as "an individual who is unable to engage in any substantial, gainful activity by reason of any medically determinable physical or mental impairment that can be expected to last for a continuous period of not less than twelve months." Further, you shall be determined to be "disabled" only if the physical or mental impairments are of such severity that you are not only unable to do your previous type of work, but **cannot** (considering age, education, and work experience) engage in any kind of substantial gainful work.

4. The tax reduction pertains to the property tax that is levied on the LAND. Ownership would indicate that the land is owned; ownership of only a mobile home does not constitute land ownership. If the land on which the applicant lives is rented/leased, then the owner of the land must fill out Section II located at the bottom of the application.
5. There must not have been any school-age children living in the residence of the applicant for the 24 months prior to the June 30 deadline of the year of application. If school-age children have lived in the residence within those 24 months, the applicant does not qualify for the reduction.
6. The application, along with necessary documentation, should be filed with the Elk Grove Unified School District Facilities and Planning Office before June 30 of this year. Please keep a copy for your records.
