A Note from the President

It was fantastic to meet so many of you at BCD track Back to School night. I look forward to meeting many more on August 20th when A track parents come to the classrooms.

We have such supportive parents and teachers at Arthur Butler. Our membership needs to be strong so we can support our children by giving back to the school that educates them. Please consider joining the Bulldog Booster's PTO so we can continue to provide funds for projects like clover removal on our school's lawns, playground modifications for a safer outdoor area and classroom contributions so our teachers get help purchasing basic supplies such as paper.

Did you know that your membership fees also go toward things such as the SRC library, drama club, staff appreciation, 6th grade promotion and student incentives?

If you join the Boosters during our membership drive (ending August 20th) you will receive a track change movie coupon good for one free admittance and be entered into a drawing to win an iPod Shuffle! Just our way of saying thank you for your support.

What's Happening!

Gold C

The Gold C book is a condensed, less expensive version of the Entertainment book. It is filled with coupons good at many local establishments and costs only \$12. This book will be going home with each student during the months of August and September (see *upcoming events* for exact dates). If you decide to keep it, just return \$12 to your child's teacher in the envelope provided. If you do not want it, just return the book. Order forms will be included for purchasing additional books. Thank you in advanced for your support!

Volunteer Opportunities!

Thank you to those who have signed up to volunteer. We will be contacting you soon. For those who still haven't decided please remember that you can do as much or as little as you want. Every job, large or small, assists us and helps to make your PTO a success. Continue to turn in those volunteer forms that went home in your first day packets.

We currently are searching for someone to do our Cartridges for Kids program. The time commitment is minimal and can fit anywhere into your schedule. Contact us today if you are interested. Thanks!
