Exploring Office 2007

Course # 734516

Credit: 1.5 Hours, Salary Class A-H List (for Off-Track Teachers)

1.5 Hours credit for Classified employees who attend during non-contracted time

Date: September 22, 2009

Time: 1:00 – 2:30 p.m.

Location: Technology Services Annex Training Room

Presenter: Heather Shannon

Fee: None

No. of Participants: Maximum 16, Minimum 8

This workshop will introduce participants to Microsoft Office 2007. Participants will learn the changes in the major Office Suite programs: Word, PowerPoint, Excel, and Outlook as well as how to efficiently locate the features that were familiar in previous versions of Microsoft Office.

PowerPoint 2007 Workshop

Course # 736504

Credit: 5 Hours, Salary Class A-H (for Off-Track Teachers)

5 Hours credit for Classified employees who attend during non-contracted time

Date: September 23, 2009

Time: 9:00 a.m. – 3:00 p.m.

Location: Technology Services Annex Training Room

Presenter: Heather Shannon

Fee: None

No. of Participants: Maximum 16, Minimum 8

This will be a complete overview of Microsoft PowerPoint 2007 and its features. The focus of the course will be on individual proficiency with the program. Learning Objectives: Learn to create presentations using the Auto Content Wizard and Design Templates, and become familiar with viewing and formatting options as well as using charts, art, video, and adding links to the Internet to presentations. This is a hands-on course, and all participants will have ample time to practice the skills presented.
