**2007-2008 School Year**  
**"School Loop" Student Permission Form**  
**IMPORTANT**

August, 2007

Dear Parent/Guardian:

Monterey Trail High School is pleased to be able to offer "**School Loop**," a technology based, integrated communication tool between families and Monterey Trail. School Loop is a private online learning community that allows teachers, parents, and students an easy and effective way to communicate with one another.

Parents and students get a custom homepage with assignments and access to teachers. School Loop will be our primary way of getting you news and information, and is an easy way for you actively participate in the school.

School Loop has a web page component that allows students to participate in school activities and parents to view grades, homework assignments, and class schedules via the Internet. The School Loop website is accessible at **www.mths.schoolloop.com**. School Loop has built-in security measures in place designed to secure individual student information.

**Students are required to have parental permission each year in order to participate in School Loop. This form will give your child access for 2007-2008 school year.**

I have read and understand the above statement and hereby give permission for my child, \_\_\_\_\_ to participate in the use of School Loop at Monterey Trail High School during the 2007/08 school year. Please return this form to Mrs. Lascola at Monterey Trail.
