

Loop Mail: You can send messages to everyone in the school and everybody publishes in their own names.

In the **Drop Box Archive** you have a date stamped record of everything you turn in to your teachers.

Your **Digital Locker** is bottomless. You save files and access them from anywhere.

Publish News to a group that you belong to.

Manage your Account.

Groups are created by teachers, but you can join.

Check your **grades** and see if you are improving in a class.
