**Introduction from the Board**

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: [www.egusd.net](http://www.egusd.net).

**A Message From the Principal**

T. R. Smedberg Middle School offers a comprehensive, well-balanced core curriculum in reading, writing, and mathematics that supports our district's mission to provide a learning community that challenges ALL students to realize their greatest potential. Our curriculum, instruction, and assessment programs are guided by the California State Standards to ensure continuous progress on the California Standards Tests. This success has been proven by a 51 point API increase over the last five years.

Our teachers participate in ongoing professional development and regularly analyze assessment data to ensure students are meeting minimum standards of performance.

T.R. Smedberg supports learning by providing math and reading support and enrichment classes. Students who meet or exceed expected levels of academic achievement participate in honors and/or accelerated and high school level courses. Our students are provided a variety of educational opportunities through specialized programs such as the AVID (Advancement Through Individual Determination), Welcome Everybody (WEB) Program, student leadership, and a variety of elective classes in addition to over twenty clubs.

Parent involvement is essential to a child's success in school. We encourage parents and guardians to volunteer their services on our campus and to develop a partnership with us as we work to provide an outstanding education for our students. Parents, working as school partners, play an important role in their child's academic success.

Sharon Barnes, Principal  
 T.R. Smedberg Middle School

**Parental Involvement**

There are a number of ways to become involved with your child's education. Our School Site Council assists the principal with important governance decisions. Our parent advisory group provides feedback to the principal and participates in school wide decision making. We have Back to School Night, Celebrate Smedberg, and host a "Bring Your Parent to School Day" in the spring. You are always welcome to volunteer at the school and in your child's classroom. For more information on parent involvement opportunities, you may contact the school office at 681-7525.

## Teacher Credentials and Misassignments

Teacher Credentials		2008-2009
Total Number of Teachers		49
Total Full Credentials		47

SOURCE: 2008-2009, California Dept. of Education

Teacher Misassignments and Vacancies		2009-2010
Misassignments of Teachers of English Learners		0
Misassignments Due to Subject Matter Competency		1
Teacher Vacancies		0

SOURCE: 2009-2010, EGUSD

In the 2008-2009 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

## School Facility Conditions and Planned Improvement

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Included is more specific information on the condition of the school. Our school has 48 classrooms, a multipurpose room, a library, a gymnasium, an auxiliary gymnasium, and an administration building. The main campus was built in 1997.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

## School Facility Good Repair Status

Date of facilities inspection: 12/2/2009

Item Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	x			NA
<b>Interior:</b> Interior Surfaces	x			NA
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	x			NA
<b>Electrical:</b> Electrical	x			NA
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	x			NA
<b>Safety:</b> Fire Safety, Hazardous Materials	x			NA
<b>Structural:</b> Structural Damage, Roofs	x			NA
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	x			NA

	Exemplary	Good	Fair	Poor
Overall Summary	x

## Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes over the last several years. We have reduced class size to 20 to 1 in Kindergarten through 3rd grade, and 26 to 1 in 4th through 6th grades. At the secondary level, certain core classes, such as Algebra I and 9th grade English, have reduced class sizes.

School Average	
English	32.9
Mathematics	31.6
Science	32.6
Social Science	34.3

SOURCE: 2008-2009, California Dept. of Education

## California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced, Proficient, Basic, Below Basic, and Far Below Basic. Students scoring at the Proficient or Advanced level meet state standards in that content area.

Data reported are the percent of students scoring at the Proficient or Advanced levels.

SOURCE: 2008-2009, California Dept. of Education

## Academic Performance Index (API)

The Academic Performance Index is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Each year a school's API is required to increase a minimum of 5% until they meet the 800 target overall and for significant subgroups. Schools across the state are ranked into ten categories, from one (lowest) to ten (highest), which is referred to as their statewide rank. In addition, each school is compared to 100 statistically matched similar schools and ranked against this group. This ranking is also ranked into ten categories, from one to ten. These ranks are published when the Base API is released each March.

## Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessments by 2014. In order to achieve this goal and meet annual performance objectives, districts and schools must improve each year according to set requirements. A "Yes" in the following table displaying Overall AYP Status indicated that AYP was met for all students and all subgroups.

Schools receiving Title I funding enter federal Program Improvement (PI) if they do not make Adequate Yearly Progress (AYP) for two consecutive years.

Growth Score	785
Statewide Rank	7
Similar Schools Rank	8

## Professional Development

Our Professional Development team is responsible for planning the professional development release days for our staff. Our school has a professional development emphasis designed to support the district wide goal of closing the achievement gap. Through our district's Trainer of Trainers program, our PL team attends training on best teaching practices and returns to the site and shares the information they learned with the whole staff. Teachers in all departments use department meeting time to meet and review student work, analyze student achievement data, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs.

Our teachers also participate in vertical teaming, giving them the opportunity to meet with teachers from our elementary feeder schools and the high school to discuss curriculum and share best practices. This is the 2nd year that our special education teachers are participating in the Reading First Grant, giving them additional training and support to learn how to best meet the needs of students with learning disabilities.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

## School Safety Plan

Your child's safety is important to us and we believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe, secure environment for learning. The school rules include a zero-tolerance policy regarding weapons, drugs, and violence. The rules are clearly explained to all students and are strictly enforced. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Our school will review the school safety plan with staff in January of 2010. The school regularly conducts random, periodic school safety drills. Additionally, the district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## Specialized Programs

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction. Students who need extra tutoring or homework help can participate in our after school tutoring program. We also provide students who are struggling academically the opportunity to attend our homework center which is offered after school three days per week.

## Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$40,047	\$42,065
Midrange	\$59,384	\$67,109
Highest	\$82,031	\$86,293
<b>Principals</b>		
Elementary	\$109,249	\$107,115
Middle	\$108,438	\$112,279
High	\$120,350	\$122,532
<b>District Superintendent</b>	\$237,664	\$216,356
<b>Share of budget used for</b>		
Teachers' salaries	43.5%	39.4%
Administrative salaries	4.4%	5.5%
