Savings on senior payment plan - \$31+

At Hot August Days you may sign up for and pay the entire Senior Payment Plan in advance if desired. If you would like to purchase individual items in advance at Hot August Days you may do so at the Non-Senior Payment prices. After Hot August Days, you will only be able to purchase items during the Non-Senior Payment Dates if you have chosen not to sign up for the Senior Payment Plan.

Senior Payment Plan payments must be made on the dates listed. If a payment is missed you may make a late payment with a \$5 penalty two weeks after the payment due date. If the late payment is missed you will be removed from the Senior Payment Plan and will then need to purchase items at the Non-Senior Payment prices and dates. Refunds will not be given for items purchased on the Senior Payment Plan.

Cap & Gown will be paid directly to Jostens in November. (Price approximately \$35)

All prices subject to change prior to start of 2009-2010 school year; however, your savings will still be similar on the senior payment plan.
