

# YEAR ELEVEN OF THE HUSKY SHEDS!

**PRICES SLASHED \$200**

10 x 14 office with 5 windows

10 x 12 shed with roll up door

The Sheldon High School Building Trades Program is constructing the popular 8x10, 10x12, and custom storage sheds similar to the ones pictured at left. Sheds are not delivered in pieces, but as a whole structure. Each year we build nine to ten sheds on site and two to four at competitions. We can build custom sized sheds. These sheds are less expensive than commercially built sheds, and are built with superior materials and workmanship.

#### Standard features include:

- Pressure-treated 4x6 floor girders supporting 2x6 joists on 16" centers
- 3/4" tongue and groove plywood flooring
- 2x4 wall studs on 16" centers
- 50 year composition roof with drip flashing
- 5/8" T-111 pre-primed Doug Fir siding
- Gradual 3/12 roof pitch
- Stanley steel clad door with deadbolt and door lock OR roll up door
- 2'x2' dual pane window
- Multiple screened vents and 30 year caulking (A \$90 option on other manufacturers)
- 8" rafter overhang capped with 2x6 barge rafter

#### Options (we only charge for cost of materials) :

- Ramp to door (70.00)
- Wall shelving (100.00)
- Extra window (35.00)
- Workbench (75.00)

Completion and delivery would occur in mid-winter. Payment plan includes 50% down and balance due upon delivery.
