Please describe your project and respond to the following questions in as much detail as possible in order to help the Project Approval Committee understand what you intend. All questions must be completed thoroughly to gain approval for your project. Please see samples of acceptable and unacceptable project proposals on the following pages.

Describe what you are proposing to do for your project step-by-step and in detail.

What is your previous experience in this area of study?

How is this proposal a stretch and challenge for you?

How long do you expect it to take to complete your project?

When and where will you work on your project?

How much will this project cost and what will be the source of your funding?

Who will be your outside mentor? (please see guidelines for the outside mentor in the "Project" section of this handbook) _____

What is this person's expertise in this field?

What steps will you have to take before you begin?

What specific, measurable outcome do you hope to accomplish (e.g. concepts, skills, knowledge, career goals) upon completion of your project?

How will you demonstrate this accomplishment and the completion of your project for your senior boards?

After satisfactorily obtaining the signatures of three staff members and submitting a copy of the completed form to my English teacher, I hereby agree to complete the above stated project in partial fulfillment of my Senior Project requirement. I understand that I will not be allowed to change my topic after March 14 and that changing my project after the January 16 Project Approval deadline will negatively affect my portfolio grade. I understand that I must also obtain my parents' or guardians' permission on the proper form before this agreement is valid.
