ARTICLE 7

WORKING CONDITIONS

7.1 WORK FACILITIES

- 7.1.1 The District will provide working facilities in each school with adequate lighting, desk, chairs, and will provide a private telephone and a lockable file cabinet for the secure storage of confidential records and materials to ensure the maximizing of conditions necessary to obtain valid assessment results.
- 7.1.2 Psychologists and/or Social Workers assigned to a school site will be provided with a private office and a private telephone on regular days of assignment.
- 7.1.3 Adequate office space will be provided in the District Office with access to a private telephone, a desk with lockable drawer, chairs, suitable storage space for materials and a lockable file for confidential records.
- 7.1.4 PSWA has articulated an ongoing need for private, reliably available space at school sites to perform their work. A system shall be added to the contract which sets out a procedure whereby a psychologist can seek appropriate work space.
- 7.1.5 In the event a psychologist is unable to secure appropriate work space on a school site, the psychologist should first bring the problem to the attention of the principal and cooperatively seek a resolution.
- 7.1.6 If an acceptable resolution cannot be reached, the psychologist may involve his or her immediate supervisor with the principal to see if additional options can be developed. Should no space become available at that site, the immediate supervisor may authorize the psychologist to work off site to complete his or her responsibilities.
- 7.1.7 If no resolution is reached, there will be a meeting convened within 10 days with the Director, Student Support and Health Services, and the principal to see if additional options can be developed.
- 7.1.8 The District and PSWA realize that the best solution to this problem is adequate space in our schools for support functions. The District agrees to continue to incorporate the input of psychologists into the design of school sites and the soon to be expanded District office to better serve their specific space needs.

7.2 SUBSTITUTES

- 7.2.1 When determined necessary by the site administrator and approved by the program manager, a substitute will be hired for psychologists when they are absent for more than five (5) consecutive working days.

7.3 ASSIGNMENT & WORKLOAD

- 7.3.2 The District shall consult with the Association prior to changing those regulations.
- 7.3.3 The District may elect to create year round psychologist and social worker positions. If those positions are created, the staff assigned to the impacted schools will have first option for the positions. Staff hired prior to September 1, 1987, will have second priority in accord with the selection criteria. If no existing staff indicates an interest in the position, the District will fill the situation from new employees (i.e. "new employee" to refer to those unit members hired on or after September 1, 1987).

7.4 WORKING CONDITIONS

- 7.4.1 The District and PSWA agree to set up a schedule for the replacement of equipment (computers and the provision of testing supplies for psychologists). The funding for the schedule will be provided through the normal mechanism for capital expenditures. (Any additional funds required are specifically contingent upon Cabinet and the program budget manger's approval.)
- 7.4.2 There shall be an annual allocation for each psychologist FTE of \$3,000 for test supplies and \$50 for office supplies. The sum total of \$4,500 will be allocated, one time, to each new psychologist for new hire start-up costs to provide test materials. In addition, a laptop computer, and a printer will be provided.

ARTICLE 8

TRANSFER

8.1 ADVERTISEMENT OF VACANCIES

- 8.1.1 When a vacancy occurs, an announcement of the vacancy shall be made first within the District. The announcement will be posted in each school no fewer than ten (10) days prior to the filing deadline. The announcement will include all relevant information regarding the vacancy.
- 8.1.2 Such information to include: location of the vacancy; description of the vacancy (grade level/subject matter/co-curricular assignments); credential and experience requirements; starting date; application deadline; interim of permanent nature of vacancy.

8.2 VOLUNTARY TRANSFERS

- 8.2.1 Psychologists or social workers may request transfer to or out of a school assignment for the following school year by the following procedure: Psychologists will submit a written statement to the Director of Student Support and Health Services and to the Lead Psychologist. Social Workers will submit a written request to their immediate supervisor.
- 8.2.2 In a situation where two or more Psychologists request the same school or specialty assignment, the Director of Student Support and Health Services, in consultation with the Lead Psychologist and the site principal, will make the final decision. In a situation where two or more Social Workers request the same site or specialty assignment, their immediate supervisor in consultation with all pertinent parties will make the final decision.
- 8.2.3 When a vacancy occurs during a school year, such a vacancy will be filled on an interim basis for the remainder of the school year. If the position becomes permanent for the following year, a vacancy announcement shall be advertised as provided in section 9.1.
- 8.2.4 Transfer requests will be considered in terms of two criteria:
 - 8.2.4.1 Qualifications of the applicant for the vacancy in terms of credential(s), experience, competency, interest, commitment, and affirmative action hiring goals.
 - 8.2.4.2 When all other relevant criteria are equal, district-wide seniority.
- 8.2.5 No employee shall be overtly or covertly pressured to seek a transfer.

- 8.2.6 When a transfer request does not result in a transfer, the Psychologist shall be provided with a written description of the specific reason(s) within ten (10) days of the receipt of the request by the Director of Student Support and Health Services. When a transfer request does not result in a transfer, the Social Worker shall be provided with a written description of the specific reason(s) within (10) days of the receipt of request by their immediate supervisor.

8.3 INVOLUNTARY TRANSFERS

- 8.3.1 The District has the right to transfer employees from one position to another for the purpose of "insuring the best possible fit." (See policy.) Such transfers shall be for the purpose of meeting the task-related needs of the District and shall not be punitive or disciplinary in purpose.
- 8.3.2 When multiple vacancies occur for which there are no qualified voluntary applicants, all such vacancies shall be listed and provided to employees who are being considered for transfer. Such employees shall have the right to indicate preferences from that list; such preferences shall be considered as provided in section 9.2.4.
- 8.3.3 When no qualified personnel volunteers for such assignment are available and a school site must reduce its staff, the District shall transfer from the qualified employees on the staff the employee with least district seniority.
- 8.3.4 When employees are transferred under this section, they shall be given the reasons for such transfers in writing.

8.4 STAFFING A NEW SCHOOL, TRANSFERS TO

- 8.4.1 In determining which currently employed staff will be transferred to staff a new school, the overriding considerations will be to establish and/or maintain:
 - 8.4.1.1 Total staffs in each school whose competencies, credentials, and extra-curricular expertise fit the needs of the student population.
 - 8.4.1.2 Total staffs in each school which reflect to the extent possible appropriate balance in age, experience, sex, and ethnic characteristics.
- 8.4.2 Within the limits prescribed above, every attempt will be made to take psychologist and social worker preferences for assignment and school location into account; when all other criteria are equal, psychologist and social worker preference and seniority within the District shall be the determining factor.
- 8.4.3 In each such situation, the process will begin with distribution to each school a listing of all probable positions and request for transfer forms for employee's use.

Updated September 29, 2015

8.4.4 Every effort will be made to keep interested employees informed of staffing decisions as they are finalized.

13.17 CATASTROPHIC LEAVE

- 13.17.1 The District shall have the responsibility of maintaining the records of the applicable Catastrophic Leave Bank, receiving withdrawal requests, verifying the validity of requests, approving or denying the requests, and communicating its decisions, in writing, to the Participants.
- 13.17.2 Days in the Catastrophic Leave Bank shall continue from year to year unless otherwise terminated in accordance with Article 13.17.17.
- 13.17.3 Days shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank Participant.
- 13.17.4 The Catastrophic Leave Bank shall be administered by the District in accordance with the following criteria:

- a. “Catastrophic illness” or “injury” means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee’s family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.
 - b. “Eligible leave credits” means vacation leave and sick leave accrued to the donating employee.
 - c. Eligible leave credits may be donated to an employee for catastrophic illness or injury if all of the following requirements are met:
 - (1) The employee who is, or whose family member is, suffering from a catastrophic illness or injury requests that eligible leave credits be donated and provides verification of catastrophic injury or illness as required by the District.
 - (2) The District determines that the employee is unable to work due to the employee’s or his or her family member’s catastrophic illness or injury.
 - (3) The employee has exhausted all accrued paid leave credits.
 - d. If the transfer of eligible leave credits is approved by the District, any employee may, upon written notice to the District, donate eligible leave credits at a minimum of eight hours, and in hour increments thereafter.
 - (1) The maximum amount of time that donated leave credits may be used for, but not to exceed use for a maximum period of 12 consecutive months.
 - (2) The verification of a catastrophic injury or illness required pursuant to paragraph (a) of subdivision Article 13.17.4
 - (3) Making all transfers of eligible leave credit irrevocable.
 - e. An employee who receives paid leave pursuant to this section shall use any leave credits that he or she continues to accrue on a monthly basis prior to receiving paid leave pursuant to this section.
- 13.17.5 All unit members on active duty with the District are eligible to contribute to the Catastrophic Bank if they have accrued a minimum of ten days sick leave.
- 13.17.6 Participating is voluntary, but requires contribution to the Bank. Only contributors will be permitted to withdraw from the Bank.
- 13.17.7 Unit members who elect not to join the Catastrophic Leave Bank upon first becoming eligible must wait until the next designated open enrollment period of the Sick Leave Bank. Open enrollment period will be between July 1 and October 1 of each school year.

- 13.17.8 The contribution, on the appropriate form, will be authorized by the Unit Member and continued from year to year until canceled by the Unit Member.
- 13.17.9 Cancellation occurs automatically whenever a Unit Member fails to make his/her annual contribution or assessment. Cancellation, on the proper form, may be effected at any time and the Unit Member shall not be eligible to draw from the Bank as of the effective date of cancellation. Sick leave previously authorized for contribution to the Bank shall not be returned if the Unit Member effects cancellation.
- 13.17.10 Contribution shall be made between July 1 and October 1 of each school year. Unit members returning from extended leave which included the enrollment period and new hires will be permitted to contribute within thirty (30) calendar days of beginning work. The District shall supply enrollment forms for the Catastrophic Leave Bank to all new Unit Members and those Unit Members returning from leave.
- 13.17.11 The annual rate of contribution by each participating Unit Member for each school year shall be one (1) day of sick leave which shall be deemed to equate to the legal minimum required by Education Code 44043.5.
- 13.17.12 An additional day of contribution will be required of participants if the number of days in the Bank falls below 1000. Catastrophic Leave Bank participants who are drawing from the Bank at the time of the assessment will not be required to contribute to remain eligible to draw from the Bank. If a Catastrophic Leave Bank participant has no remaining sick leave at the time of the assessment, they need not contribute the additional day to remain a participant in the Catastrophic Leave Bank.
- 13.17.13 If the number of days in the Bank at the beginning of a school year exceeds 1,000, no contribution shall be required of returning Unit Members. Those Unit Members joining the Catastrophic Leave Bank, for the first time and those returning from leave, shall be required to contribute one (1) day to the Bank.
- 13.17.14 Unit Members who are retiring or leaving the employ of the District may contribute their unused sick leave to the Catastrophic Leave Bank.
- 13.17.15 Withdrawals shall become effective immediately upon the exhaustion of sick leave.
- 13.17.16 If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the District is under no obligation to provide days and is under no obligation to pay the participant any funds whatsoever. If the District denies a request for withdrawal, or an extension of withdrawal, because of insufficient days to fund the request, they shall notify the participant, in writing, of the reason for the denial.
- 13.17.17 If the Catastrophic Leave Bank is terminated for any reason, the days remaining in the Catastrophic Leave Bank shall be returned to the current members of the Bank proportionately.

13.18 FAMILY AND MEDICAL LEAVE

13.18.1 LENGTH OF LEAVE ENTITLEMENT: An eligible employee is entitled to a total of 12 workweeks of leave during any 12-month period. Entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement.

The 12-month period is measured backward from the date of leave use. All leave usage which qualified under the terms of the *FMLA* leave shall be counted towards the available 12 workweeks within a 12-month period, including intermittent and reduced workload leaves.

Reduced workload leave entitlement is calculated on cumulative hours of leave taken, up to the number of hours equivalent to 12 times the number of hours normally worked weekly.

13.18.2 LENGTH OF EMPLOYMENT ELIGIBILITY: Any employee who has been employed for at least 12 months AND who has been in a paid status for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave is eligible for *Family Medical Leave*.

13.18.3 ELIGIBLE PURPOSES: Leaves for any of the following purposes qualify for *Family Medical Leave*.

1. The birth of a child of an employee, and to care for a newborn;
2. The placement of a child with an employee in connection with adoption or foster care of a child by an employee;
3. Leave to care for a child, parent, or spouse who has a serious health condition; or
4. Leave because of serious health condition that makes the employee unable to perform the essential functions of his/her position. Both father and mother may take leave for the birth, or placement for adoption or foster care, of a child. In addition, an expectant mother may be entitled to leave prior to the birth of a child for prenatal care purposes if her condition makes her unable to work. Circumstances may also require leave prior to the actual placement of a child for adoption or foster care. For example, to attend counseling session, appear in court or consult with his/her attorney in connection with the placement of a child.

If both the husband and wife are employed by the District, the aggregate number of workweeks of leave to which both are entitled is limited to 12 workweeks during any one fiscal year for the birth or placement for adoption or foster care of the employees' child, or to care for a parent with a serious health condition. This limitation does not apply to leave taken by either spouse to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Leave to care for a family member includes both physical and psychological care, including providing comfort and reassurance which would be beneficial to a

seriously ill child or parent receiving inpatient care; or making arrangements for third-party care of a family member.

A "serious health condition" includes an illness, injury, impairment, or physical or mental condition that involves:

1. Any period of incapacity or treatment in connection with or in consequent to a hospital, hospice or residential medical care facility.
2. Any period of incapacity requiring absence from work, school or regular daily activities of more than three calendar days, that also involved continuing treatment by (or under the supervision of) a health care provider; or
3. Continuing treatment by a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days or for prenatal care.
4. Continuing supervision by a health care provider when the parent, child, spouse or employee are severely ill but may not be receiving continuing active care or treatment (e.g., when suffering from Alzheimer's, late stages of cancer or a severe stroke).

"Continuing treatments" include:

- a. Two or more visits to a health care provider;
- b. Two or more treatment by a health care practitioner (e.g., physical therapist) on referral from, or under the direction, of a health care provider; or
- c. A single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider (e.g., medication therapy).

Intermittent leave or reduced work schedule leaves may be allowed when the absence required is not due to a condition that is incapacitating at that point in time (e.g., appointments for cancer treatments, physical therapy, prenatal care). When leave is taken because of the birth or the placement of a child for adoption or foster care, intermittent leave or reduced workload schedule will not be approved if the intermittent leave or reduced workload schedule will adversely impact the office or department of the employee.

If an employee requests intermittent leave or reduced workload leave to care for a spouse, child, or parent or for the employee's own serious health condition, the employee may be required to temporarily transfer to an available alternative position for which the employee is qualified and that:

- a. has equivalent pay and benefits; and

- b. better accommodates recurring periods of leave than the regular position of the employee.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions," unless inpatient hospital care is required.

Absence because of an employee's substance abuse, without treatment, does not qualify for *FMLA* leave.

- 13.18.4 PAID/UNPAID LEAVE: Leave provided by *FMLA* in excess of available accrued paid leave shall be unpaid. Any available paid accrued leave shall be used prior to unpaid leave (e.g., comp time or sick leave) for the employee.
- 13.18.5 HEALTH AND DENTAL INSURANCE BENEFITS: Health care and dental benefits coverage shall be continued during the 12 weeks *FMLA* leave period under the same terms and conditions as applicable to all other employees. Upon expiration of *FMLA* leave entitlement, if additional unpaid leave is authorized, continuation of health care and dental benefits coverage shall be allowed with the employee paying all costs of coverage or as may be allowed in other applicable policies.
- 13.18.6 FAILURE TO RETURN FROM FMLA LEAVE: If an employee indicates his/her intent not to return from leave (including at the start of the leave), or if the employee fails to return from leave, paid health and dental coverage will cease unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition which would entitle the employee to *FMLA* leave, or other circumstances beyond the employee's control, (such as where an employee's spouse is unexpectedly transferred to a new job location, someone other than an immediate family member has a serious health condition which the employee needs to care for, or the employee is laid off while on leave. The employee's desire to stay with a family member even though the family member no longer requires the employee's care, or a mother's decision to stay home with a newborn child and not return to work, do not qualify as "other circumstances beyond the employee's control."

Except as provided above, if an employee fails to return after expiration for eligibility for *FMLA* leave, the employee shall pay the full cost of coverage for health and dental benefits during the entire period of unpaid *FMLA* leave. Any amounts due under this section may be deducted from any sums due the employee (e.g., unpaid wages, vacation pay, etc.). Failure to reimburse the District for the cost of coverage during the period of the unpaid leave shall result in termination of coverage.

If an employee is unable to return to work because of the continuation, recurrence or onset of a serious health condition, the employee shall provide medical certification of such claim. The certification shall be issued by the health care provider of the employee or by health care provider of the employee's child, spouse or parent if the employee is unable to return to work because of the need to take care of one of these individuals. The certification shall indicate that the employee is prevented from performing the functions of the position or is needed to care for the family member on the date the leave expired. If a requested certification is not provided within 30 days, the cost of coverage provided during the period of unpaid *FMLA* leave shall be due and payable.

13.18.7 **EMPLOYEE STATUS WHILE ON LEAVE:** *FMLA* leave does not constitute a break in service for purposes of longevity and/or seniority. Seniority shall not be earned for any period of time on unpaid leave. Employees returning from leave shall return with no less seniority for purposes of layoff, recall, vacation accrual or other seniority.

13.18.8 **MEDICAL CERTIFICATION/RECERTIFICATION:** Medical certification from the health care provider of the individual requiring care shall be provided initially upon request for *FMLA* leave. The certification shall indicate the estimated duration of the need for leave. Periodic updates or recertification may be required upon expiration of the period of leave originally estimated or every 30 days, if requested by the Human Resources Department.

The employer may, at its own expense, require the eligible employee obtain the opinion of a second health care provider designated or approved by the employer. When the second opinion differs from the first, the employer may require, at its own expense, that the employee obtain the opinion of a third health care provider designated and approved jointly by the employer and employee. The opinion of the third health care provider shall be considered final and binding on the employer and employee.

If leave is foreseeable, medical certification must be provided within fifteen days (15) after receipt of the employee's request for leave. If the employee fails to provide certification, the leave may be denied until certification is provided. If the leave is not foreseeable, the certification shall be provided within fifteen days (15), or as soon as is practicable under the circumstances. Failure to provide certification within a reasonable time under the pertinent circumstances may result in denial of continuation of the leave.

13.18.9 **ADVANCE NOTICE REQUIRED:** If the event necessitating the leave becomes known to the employee more than 30 calendar days prior to the need for a leave, the employee shall provide notice as soon as he/she learns of the need for a leave -- at a minimum, 30 days written, advance notice. If the event necessitating the leave becomes known to the employee less than 30 calendar days prior to the employee's need for a leave, the employee shall provide as much advance notice as possible, and, at a minimum, written notice no more than five working days from learning of the need for the leave.

If the need for a family care leave is foreseeable due to a planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide reasonable advance notice of the need for the leave and consult with the supervisor regarding the scheduling of the treatment or supervision so as to minimize disruptions to the school/department. Any such scheduling shall be subject to the approval of the health care provider of the family member.

Prior to granting a leave under this policy, medical certification as identified above, may be required.

13.18.10 **REINSTATEMENT UPON RETURN FROM LEAVE:** Upon return from *FMLA* leave, an employee shall be restored to the position held when the leave commenced or to an equivalent position with equivalent employment benefits, pay, and other

terms and conditions of employment, provided the employee is able to perform the essential duties of the position.

If *FMLA* leave was due to the employee's own serious health condition, prior to returning to work, the employee shall provide a certification from the health care provider that the employee is able to resume the essential duties of the position.

- 13.18.11 REMEDIES FOR EMPLOYER VIOLATION OF THE FMLA/California Family Rights Act (CFRA): If an employee's rights under the FMLA/CFRA have been violated, the employee may file a complaint consistent with FMLA/CFRA. All references to the FMLA in Article 14 shall also include compliance with CFRA.

For example, when unit members work 40% of a contract, they will be entitled to an experience credit of one year at the beginning of the fourth year of their employment. If there is credit accumulated beyond the 100%, it will be banked.

- 15.2.7 Any new employee hired after July 1, 2015 only shall receive one year of salary schedule credit for each full year of experience working as a Pupil Personnel Services (PPS) credentialed School Psychologist or Social Worker up to a maximum of 10 years of prior School Psychologist or Social Worker experience for a maximum entry level of step 11.  - b. A year is defined as 75% of the school year. Fractional parts of one (1) year may not be combined to meet the percentage requirements
 - c. Prior teaching and/or vocational experience (including experience in the district) shall have occurred within fifteen (15) years immediately preceding the date of employment with the District.

- 15.3.4 Existing employees will receive the full amount of bonus regardless of their FTE, i.e., no pro-rating for partial FTE. This status will be “grandfathered” so that they will maintain the full bonus amount even if they reduce their FTE in the future.
- 15.3.5 New employees will have their bonus amount pro-rated according to their FTE, effective July 1, 2000.

15.4 TERMS OF EMPLOYMENT OF FEDERAL PROJECTS

- 15.4.1 Salary and Payment - Certificated people employed in federal programs which do not correspond with the regular teaching year will be paid a salary equivalent to the Elk Grove Unified School District Salary Schedule with the salary being computed on a per diem basis for the period in which the project is financed by the Federal Government.
- 15.4.2 This per diem rate will be determined by dividing the salary schedule placement by the number of days a regular employee would work in that type of position. The salary will be paid in equal amounts for the monthly period included in the project.

16.7.3 Hearing aid coverage is added to both the active and retiree health packages.

16.8 ELK GROVE BENEFITS EMPLOYEE RETIREMENT TRUST (EGBERT)

16.8.1 To achieve consistency with the terms of the EGBERT Trust Agreement and uniformity between all of the collective bargaining agreements with employee organizations regarding the terms of their participation in EGBERT, the District and PSWA agree to replace Article 17.2.4. District Sponsored Health and Insurance Programs with the following paragraphs which are declarative of existing agreements and practices and shall supersede any prior conflicting provisions.

The District and PSWA agree to participate in the Elk Grove Benefits Employee Retirement Trust (EGBERT). All unit members eligible for post retirement health and welfare benefits who retire on or after July 1, 2000 shall receive such benefits from EGBERT in accordance with this agreement and the EGBERT Agreement dated February 20, 1996 and any amendments to such agreements.

Unit members employed on or after July 1, 2006 (including disability recipients) are eligible for retiree health and hospitalization plans under this section provided they have completed benefit eligible service of at least 180 months or 15 school calendar years with Elk Grove Unified School District prior to retirement. Retirees/recipients must be actively drawing retirement or disability benefits from the STRS/PERS. Such retirees/recipients shall have met the eligibility requirements during their active employment. The years of benefit eligibility do not have to be consecutive; but if an employee voluntarily leaves and returns outside of the 39 month rehire period, he or she must again meet the entire vesting requirements in place at that time for benefit eligibility.

Unit members employed before July 1, 2006 (including disability recipients) are eligible for retiree health and hospitalization plans under this section provided they have completed benefit eligible service of at least 120 months or 10 school calendar years with Elk Grove Unified School District prior to retirement. Retirees/recipients must be actively drawing retirement or disability benefits

from the STRS/PERS. Such retirees/recipients shall have met the eligibility requirements during their active employment. The years of benefit eligibility do not have to be consecutive; but if an employee voluntarily leaves and returns outside of the 39 month rehire period, he or she must again meet the entire vesting requirements in place at that time for benefit eligibility.

Consistent with Addendum #2 of the EGBERT Agreement, the EGBERT Board of Directors shall be made up of one director appointed by each union that is a party to a collective bargaining agreement with the District that participates in EGBERT. The number of directors appointed by the District's Superintendent shall be equal to the total number of directors appointed by the unions.

It will be the continuing responsibility of EGBERT to determine benefits and recommend District contribution levels. EGBERT and the Elk Grove exclusive representatives agree to use a combined negotiating team drawn from all of the participating employee organizations to negotiate eligibility qualifications and the amount of contributions to be made to EGBERT. This combined negotiating team shall consist of representatives appointed by each bargaining unit and up to an equal number of management representatives appointed by the District Superintendent. The District sole financial obligation for the provision of retiree benefits to individuals retiring on or after July 1, 2000 shall be to make the contributions to EGBERT negotiated with the combined negotiating team described in this paragraph.

Until the parties agree otherwise in writing or negotiations with the combined negotiating team are exhausted: (1) the District shall continue to pay to EGBERT \$80 per month, per benefit eligible employee on a 12 month basis or \$960 per year, per benefit eligible employee; (2) the District shall continue to pay to EGBERT a sum equal to 1% of total District salaries each month on a twelve (12) month basis; and (3) each benefit eligible unit member shall contribute \$40 per month, on a 12-month basis toward the cost of current health benefits. Each benefit eligible employee shall have their contribution deducted from their compensation, via payroll deduction or at the employee's election via the District's Section 125 plan.

PSWA COLLECTIVE BARGAINING AGREEMENTS

HISTORICAL REFERENCES

16.1 Compensation

- 16.1.1 The District agrees to increase the salary schedule by the percentage amount of the funded COLA for 1995-96. A dispute has arisen between PSWA and the District about its current salary system which requires 15 units of additional professional growth for continuing advance on the salary schedule. It is agreed to resolve that dispute by analogizing that requirement with the agreed upon requirement for teaching staff unit members to take the six units of professional growth from District designated units.
- 16.1.2 In 1996-97 and 1997-98, the salary schedule shall be increased by the amount of the funded COLA for 1996-97 and 1997-98.
- 16.1.3 In 1998-99, 1999-2000, and 2000-01, the salary schedule shall be increased by the amount of the funded COLA for 1998-99, 1999-2000, and 2000-01.
- 16.1.3.1 Because PSWA previously paid for increased life insurance by giving up a portion of a prior year COLA, their formula COLA for the fiscal year 2000-01 will be augmented by an additional 0.14%.
- 16.1.4 Funded COLA is the amount which the District actually receives in increased revenue limit per ADA. It is not intended to include funds already received by the District in some other category. In the event that there is a dispute concerning the percentage, the District and PSWA agree that School Services, Inc. shall be asked to designate a number for funded COLA which shall resolve the controversy. If School Services of California, Inc. is not available, then the District and PSWA will select a respected financial person to designate "funded COLA."
- 16.1.5 The District and PSWA agree to a continuation of the formula based system of compensation as set out in prior agreements. Should that formula system be modified with EGEA for the 2000-01 school year, it will also be modified for PSWA. There is one more year on the formula system. At the conclusion of that year, negotiations will be held to discuss future systems for compensation increases. (Per agreement May 18, 2000).
- 16.1.6 For the 2006-07 school year, there shall be an increase of two percent (2%) to the salary schedules. The District shall cover the increased costs for the health benefit program up to the budgeted amount stated as a percentage of salary, i.e. 1%.
- 16.1.7 All members of PSWA employed during the 2007-2008 school year will receive a one-time, pay warrant equal to one percent (1%) of their respective 2006-2007 salary. This pay warrant will be received no later than April 30, 2009.

- 17.8.3 In 1993-94, the current life insurance program shall be improved to fifty thousand dollars (\$50,000) of straight term per unit member at an estimated cost of \$1,188 for the entire unit which is specifically taken from the pattern settlement amount allocated for general salary improvement.
- 17.8.11 The District will create an account for medical reimbursement of the co-pays for retired employees electing Kaiser by budgeting \$120 per eligible retiree. After all co-pay expenses have been received annually and verified, a retiree will be paid up to \$120 for incurred expenses. The amount left over from retirees not using the entire \$120 will be used to pay the excess co-pays for those who have incurred annual co-pays greater than \$120. Should the amount in the account not be sufficient to cover the entire amount, the amounts paid will be prorated based upon available funds within the medical reimbursement account. The retiree co-pay reimbursement dollars for the lowest cost health plan are increased to match the increased co-pay amounts. *[NOTE: Copay reimbursement for EGBERT retirees ended June 30, 2010. Copay reimbursement for Pre-EGBERT retirees ended June 30, 2011.]*

Tentative Agreement
Between
Elk Grove Unified School District
And
Psychologists' And Social Workers' Association
May 20, 2015

Elk Grove Unified School District (District) and the Psychologists' And Social Workers' Association (PSWA), collectively referred to as "the parties," have considered their mutual interests and have agreed to enter into this Tentative Agreement (Agreement) to completely resolve negotiations for the 2014-2015 and 2015-2016 school years with no reopeners. All of the terms included in this Agreement are contingent upon approval by the Sacramento County Office of Education and ratification by both parties.

1. The parties agree that this Agreement equals a compensation package of 1.5% plus the lottery bonus conversion of 1.5% for a total of 3% for the 2014-2015 school year, and a total of 2.5% for the 2015-2016 school year.
2. The parties agree that if the contingency conditions described in Section 6 below are satisfied, an additional 1% shall be added to the total compensation package for the 2015-2016 school year.

2014-2015 Salary

3. a. Effective retroactive to July 1, 2014, the 2013-2014 PSWA Salary Schedules, titled #12 (Psychologists) and #13 (Social Workers), shall be increased by 1.5%.
 - b. In order to be eligible for any retroactive payment, a unit member must have worked during the 2014-2015 school year.
 - c. When added to the salary schedules, the 1.5% increase described in Section 3(a) shall not be compounded upon the lottery bonus conversion amount described in Section 4 below.

2014-2015 Lottery Conversion

4. a. Effective retroactive to July 1, 2014, the parties agree that the lottery income included in the parties' collective bargaining agreement under Section 15.6 shall be deleted from the parties' collective bargaining agreement and eliminated from the parties' practice. This means that in lieu of receiving a lottery bonus payment in August of each school year for the prior school year, Section 4(b) below shall be implemented.

b. The parties agree that effective retroactive to July 1, 2014, in exchange for permanently eliminating the annual lottery payment from the parties' collective bargaining agreement and practice, the 2013-2014 PSWA Salary Schedules, titled #12 (Psychologists) and #13 (Social Workers), shall be increased by 1.5%. When added to the salary schedules, this 1.5% increase shall not be compounded upon the 2014-2015 increase described in Section 3(a) above.

c. In order to be eligible for the lottery retroactive payment described in Section 4(b), a unit member must have worked during the 2014-2015 school year.

2015-2016 Salary

5. a. Effective July 1, 2015, the 2014-2015 PSWA Salary Schedules, titled #12 (Psychologists) and #13 (Social Workers), shall be increased by 2.5%.

b. If the contingency requirements specified in Section 6 below are satisfied, when added to the salary schedules, the 2.5% increase described in Section 5(a) above shall not be compounded with the 1% contingency amount described in Section 6 below.

2015-2016 Contingency

6. The parties agree that on February 25, 2015, for the 2015-2016 school year, the District projected that it will receive approximately \$35,284,344 in funded and ongoing new State Local Control Funding Formula ("LCFF") revenue as part of its multi-year projection.

a. Ongoing New Unrestricted LCFF-Base Revenue-2015-2016 School Year

- i. The parties agree that if for the 2015-2016 school year, the District actually receives more than the \$35,284,344 projected on February 25, 2015 in ongoing new unrestricted Local Control Funding Formula (LCFF)-Base State revenue;
- ii. then PSWA's proportionate share of the value of the new State ongoing unrestricted LCFF-Base revenue up to a maximum of 1% of compensation shall be added to the 2.5% specified above in Section 5 for the 2015-2016 school year; and
- iii. then added to 2014-2015 salary schedules, #12 and #13, effective beginning July 1, 2015. The ongoing contingency amount up to a maximum of 1% shall not be compounded with the 2.5% described in Section 5 above when added to the 2014-2015 salary schedules.
- iv. If the contingency language described in this Section 6(a) results in an additional 1% ongoing increase for the 2015-2016

school year, then the Section 6(b) contingency regarding one-time money shall not be implemented.

- v. PSWA's "proportionate share" is defined as the PSWA portion (percentage) of a 1% District-wide salary increase. A District-wide 1% compensation increase is estimated to be \$3.5 million for purposes of this Agreement.
- vi. For purposes of this Agreement, LCFF-Base is defined to be 90% of new, ongoing, unrestricted LCFF revenue.

[Note: For illustration purposes only: If the District receives \$3.5 million in new, ongoing, unrestricted, LCFF-Base revenue and all other Section 6(a) requirements are satisfied, PSWA will receive an additional 1% salary schedule increase. If the District receives \$1.75 million in new, ongoing, unrestricted LCFF-Base revenue and all other Section 6(a) requirements are satisfied, then PSWA will receive an additional 0.5% salary schedule increase. The value of the \$3.5 million includes a similar salary schedule increase of 1% District-wide. The value of the \$1.75 million includes a similar salary schedule increase of 0.5% District-wide.]

b. One-time New Unrestricted Revenue-2015-2016 School Year

- i. If the contingency language described in Section 6(a) results in an additional 1% ongoing increase for the 2015-2016 school year, then this Section 6(b) contingency regarding one-time money shall not be implemented.
- ii. The parties agree that if for the 2015-2016 school year, the above Section 6(a) Ongoing New Unrestricted Revenue-2015-2016 School Year Contingency provision does not result in an additional 1% salary schedule increase for the 2015-2016 school year or less than a 1% salary schedule increase for the 2015-2016 school year; and
- iii. if the District actually receives more than the \$10,724,474 in 2015-2016 projected on February 24, 2015 in one-time new unrestricted State revenue;
- iv. then PSWA members who are eligible for the wellness rebate pursuant to Section 1.b. of the April 9, 2012 Tentative Agreement between the parties, attached hereto as Exhibit A and incorporated by reference, will receive an additional one-time wellness rebate for the 2015-2016 school year in an amount not to exceed a total of 1% when combined with any Section 6(a) ongoing contingency salary increase as calculated in this Section 6(b).
- v. PSWA's "proportionate share" is defined as the PSWA portion (percentage) of a 1% District-wide salary increase. A District-wide 1% compensation increase is estimated to be \$3.5 million for purposes of this Agreement.

- vi. LCFF-Base revenue does not include any LCFF-supplemental and/or LCFF-concentration revenue. For purposes of this Agreement, LCFF-Base is equal to 90% of new, ongoing, unrestricted LCFF revenue.
- vii. The value of the 5% rebate calculation shall be based upon the 2013-2014, 5% rebate amount of approximately \$2,107,719. For example, if the District receives \$2,107,719 in unrestricted one-time new 2015-2016 revenue, an additional 5% shall be provided to bargaining unit members eligible for the wellness rebate. The rebate value shall be adjusted for a greater or lower number adequate to backfill for the difference between any ongoing contingency increase provided pursuant to Section 6(a) above and any new unrestricted one-time money for the 2015-2016 school year, up to a total value not to exceed 1% in new compensation. (6(a) and 6(b) combined.)

[Note: For illustration purposes only. If the Section 6(a) ongoing contingency does not result in an ongoing increase 1% in compensation for the 2015-2016 school year and the District receives \$2,107,719 in new one-time State unrestricted funding for the 2015-2016 school year, then PSWA members who comply with the wellness rebate eligibility requirements specified in Section 1.b. of the April 9, 2012 Tentative Agreement shall receive an additional one-time 5% rebate for the 2015-2016 school year only.]

7. Within 30 calendar days after adoption of the State Budget, the District will determine if the contingency requirements described above in Section 6 have been met and notify PSWA of its conclusion in writing.

8. If the ongoing and/or one-time contingency provisions described in Section 6 are not triggered, only the 2.5% salary increase described in Section 5 above shall be implemented for the 2015-2016 school year.

9. The State LCFF rules and calculations are subject to change by the State Legislature upon adoption of a final 2015-2016 State Budget. Therefore, it is impossible for the parties to accurately predict any LCFF changes to the 2015-2016 State Budget. If the parties disagree as to whether or not the contingency requirements specified in Section 6 above have been met, they agree to meet and negotiate the issue.

Increased Costs for Health Benefits

10. Consistent with parties' collective bargaining agreement, the District is responsible for its share of the increased costs for health benefits.
