- (C) The Member determines that the treatment plan in progress is not improving the chiropractic or acupuncture health condition of the Member within an appropriate period of time given the diagnosis and plan of care; or
- (D) The Member has attempted to follow the plan of care or consulted with the initial provider concerning serious concerns about the diagnosis or plan of care.

Members may request a second opinion by contacting Health Plan's Customer Services Department at the toll-free telephone number listed on the front page of this *Combined Evidence Of Coverage and Disclosure Form*.

When the request originates with the Member and concerns care from a Participating Provider, a second opinion is to be provided by any provider of the Member's choice from within the Health Plan's network. The provider must be of the same or equivalent specialty, acting within his or her scope of practice and possess clinical background, including training and expertise, related to the particular illness, disease, condition or conditions associated with the request for the second opinion.

If there is no Participating Provider within the network who meets the standard specified above, then the Health Plan shall authorize a second opinion by an appropriately qualified health professional outside of the Health Plan's provider network.

All second opinions requested or certified by Health Plan, including all related diagnostic tests, are Covered Services. If Health Plan approves a Member request for a second opinion, the Health Plan shall be responsible for the costs of such opinion. The Member shall be responsible only for the costs of applicable Copayments that the Health Plan requires for similar referrals.

If an out-of-plan second opinion is authorized by the Health Plan, the Member's Copayment will be the same as the in-network Copayment payable to the same type of provider.

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

A second opinion authorized by the Health Plan shall not count against the Member's benefit limitation. Unless specifically authorized by the Health Plan, any **additional** medical opinions not within the contracted network shall be the responsibility of the Member.

8.5.2 Plan Review of Requests for Second Opinions

Health Plan's authorization or denial of a request for a second opinion shall be provided in an expeditious manner. All non-urgent requests will be resolved within 72 hours of the Health Plan's receipt of a request for a second opinion.

An urgent request, when the Member's condition is such that the Member faces an imminent or serious threat to his or her health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or lack of timeliness would be detrimental to the Member's ability to regain maximum function, will be expedited and resolved (authorized or denied) whenever possible within 24 hours but not to exceed 72 hours from the Plan's receipt of the request.

The Health Plan will deny a Member's request for a second opinion only in the absence of applicable benefits. In any such case, the Health Plan shall notify the Member in writing of the reasons for the denial and shall inform the Member of the right to file a grievance with the Health Plan.

A copy of the Health Plan's Policy and Procedure regarding second opinions is available to Members and the public upon request. Members may request a copy of the Policy and Procedure by contacting the Health Plan's Customer Services Department at the toll-free telephone number listed on the front page of this *Combined Evidence Of Coverage and Disclosure Form*.

8.6 Continuity of Care

Upon a Member's request, Health Plan will provide for the completion of Covered Services that are being rendered by a Terminated Provider or a Non-Contracting Provider when the Member is receiving services from that provider for an "acute condition," a "serious chronic condition," or care of a newborn child between birth and age 36 months, at the time the Member becomes eligible for coverage, or Health Plan's contract with the Participating Provider who is rendering services to the Member terminates. Members who wish to request continuity of care coverage or a copy of Health Plan's Policy and Procedure regarding continuity of care should contact the Health Plan's Customer Services Department at the toll-free telephone number listed on the front page of this *Combined Evidence Of Coverage and Disclosure Form*, or by writing to the Customer Services Department at the following address:

Customer Services Department
OptumHealth Physical Health of California
P.O. Box 880009
San Diego, CA 92168-0009

Members may also fax their questions or requests to Health Plan at 1-(877) 279-5592, or contact Health Plan online at www.myoptumhealthphysicalhealthofca.com.

If a Member requests to keep their provider, they should include in the request the name of the provider, the provider's contact information, and information regarding the condition for which the Member is receiving care from the provider.

After Health Plan has received all information necessary, Health Plan will complete its review in a timely manner appropriate for the nature of the Member's clinical condition. Health Plan will mail the Member a written notification of its decision within five (5) business days of its decision.

Except as otherwise provided by applicable law:

- 8.6.1** Health Plan shall, at the request of a Member, provide for continuity of care for the Member by a Terminated Provider or by a Non-Contracting Provider who has been providing care for an acute condition, a serious chronic condition, or care of a newborn child between birth and age 36 months, at the time the Member

becomes eligible for coverage or Health Plan's contract with the Participating Provider who is rendering services to the Member terminates.

- 8.6.2** In cases involving an acute condition, Health Plan shall furnish the Member with Covered Services for the duration of the acute condition.
- 8.6.3** In cases involving a serious chronic condition, Health Plan shall furnish the Member with Covered Services for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another Participating Provider as determined by Health Plan in consultation with the terminated provider, consistent with good professional practice.
- 8.6.4** In cases involving the care of a newborn child between birth and age 36 months, completion of Covered Services shall not exceed 12 months from the contract termination date or 12 months from the effective date of coverage for a newly covered Member.
- 8.6.5** The payment of any Copayments by the Member during the period of continuation of care shall be the same any Copayments that would be paid by the Member when receiving Covered Services from a Participating Provider.
- 8.6.6 Definitions.** For purposes of this Section 8.6, the following definitions will apply:
- 8.6.6.1** "Acute condition" is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration.
- 8.6.6.2** "Serious chronic condition" is a medical condition due to a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration.
- 8.6.6.3** "Provider" is an acupuncturist or chiropractor duly licensed under California law to deliver or furnish acupuncture or chiropractic services.
- 8.6.6.4** "Participating Provider" has the same meaning as stated in Section 1.23 of this *Combined Evidence Of Coverage and Disclosure Form*.
- 8.6.6.5** "Non-Contracting Provider" is a Provider who is not party to a contract with the Plan to provide acupuncture or chiropractic services.
- 8.6.6.6** "Terminated Provider" is a Provider whose contract with the Plan has terminated or has not been renewed.
- 8.6.7 Terminated Providers.** In the event the criteria listed in the continuity of care section (8.5) are met; Health Plan will require a Terminated Provider whose services are continued beyond the contract termination date to agree in writing to be subject to the same contractual terms and conditions that applied to the provider prior to termination, including, but not limited to, credentialing, utilization review, peer review, and quality assurance requirements. If the Terminated Provider does not agree to comply or does not comply with these contractual terms and conditions, Health Plan will not continue the Terminated Provider's services beyond the contract termination date. In such cases, Health Plan will refer the Member to a Participating Provider.

Unless otherwise agreed by the Terminated Provider and Health Plan, the services rendered shall be compensated at rates and methods of payment similar to those used by Health Plan for Participating Providers providing similar services and who are practicing in the same or a similar geographic area as the Terminated Provider. Health Plan will not continue the services of a Terminated Provider if the provider does not accept the payment rates and methods of payment provided for in this Section 8.6.7. In such cases, Health Plan will refer the Member to a Participating Provider.

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

8.6.8 Non-Contracting Providers. In the event the criteria listed in the continuity of care section (8.5) are met; Health Plan will allow a Non-Contracted Provider to treat a Member, as long as the provider agrees in writing to be subject to the same contractual terms and conditions that apply to Participating Providers providing similar services and who are practicing in the same or a similar geographic area as the Non-Contracting Provider, including, but not limited to, credentialing, utilization review, peer review, and quality assurance requirements. If the Non-Contracting Provider does not agree to comply or does not comply with these contractual terms and conditions, Health Plan will not continue the provider's services. In such cases, Health Plan will refer the Member to a Participating Provider.

Unless otherwise agreed upon by the Non-Contracting Provider and Health Plan, the services rendered shall be compensated at rates and methods of payment similar to those used by Health Plan for Participating Providers providing similar services who are practicing in the same or a similar geographic area as the Non-Contracting Provider. Health Plan will not continue the services of a Non-Contracted Provider if the provider does not accept the payment rates and methods of payment provided for in this Section 8.6.8. In such cases, Health Plan will refer the Member to a Participating Provider.

8.6.9 Limitations. Members are not eligible to keep their provider if the provider does not agree to be subject to the same contractual terms and conditions that apply to Participating Providers providing similar services and who are practicing in the same or a similar geographic area as your provider. Members are not eligible to keep their provider if their provider had a contract with Health Plan which was terminated or not renewed for reasons relating to a medical disciplinary cause or reason, fraud, or other criminal activity. New Members are not eligible to keep their provider if the Member had the option to continue with another health plan or provider and voluntarily chose to change health plans. In each of these cases, Health Plan will refer the Member to a Participating Provider. Health Plan will not cover services that are not otherwise covered under a Member's benefit plan.

8.6.10 If a Member is not satisfied with Health Plan's decision, a Member may file a grievance with the Health Plan subject to the terms and instructions included at Section 15 of this *Combined Evidence Of Coverage and Disclosure Form*.

8.7 Facilities

After hours, Health Plan will maintain an answering service with recorded instructions for members who call after-hours.

Health Plan: (i) maintains an after-hours answering service with recorded instructions for members who call after-hours, and (ii) requires its Participating Providers to provide Members with telephone access to a Participating Provider twenty-four (24) hours a day, seven (7) days a week.

Participating Providers must be available for office hours during normal business hours (generally Monday through Friday between 9:00 a.m. and 5:00 p.m.). SECTION 10. CHOICE OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

10.1 Access to Participating Provider

Each Member who requests that Covered Services be provided will be able to choose from any Health Plan Participating Provider who will coordinate the Covered Services to be received by the Member. Members may request access to a Participating Provider by contacting Health Plan's Customer Services department at the toll-free telephone number printed on the front page of this *Combined Evidence Of Coverage and Disclosure Form*.

10.2 Liability of Member for Payment

If a Member chooses to obtain out-of-network Chiropractic Services or Acupuncture Services (other than Urgent Services) from a provider other than a Participating Provider, the Member will be liable for payment for such services. **Services (other than Urgent Services) performed by a Provider who is a family member by birth or marriage, including spouse, brother, sister, parent or child are not covered.**

10.3 Relationship with and Compensation to Participating Providers

Health Plan itself is not a Provider of Acupuncture and/or Chiropractic Health Services. Health Plan typically contracts with independent Providers to provide Acupuncture and/or Chiropractic Services to its Members. Once they are contracted, they become Health Plan Participating Providers. Health Plan's network of Participating Providers may include individual practitioners, group practices, and facilities. None of the Participating Providers or their employees are employees or agents of Health Plan. Likewise, neither Health Plan nor any employee of Health Plan is an employee or agent of any Participating Provider. Participating Providers are paid on a discounted fee-for-service basis for the services they provide. They have agreed to provide services to you at the normal fee they charge, minus a discount. Health Plan does not compensate nor does it provide any financial bonuses or any other incentives to its Providers based on their utilization patterns. If you would like to know more about fee-for-service reimbursement, you may request additional information from Health Plan's Customer Service department or your Participating Provider."

SECTION 11. COORDINATION OF BENEFITS (COB)

11.1 The Purpose of COB

The provisions of this Section establish a procedure through which Health Plan or a Participating Provider may, in certain instances, recover a portion of the costs of Covered Services from an insurer or other third-party payor which also provides indemnity or other coverage for Chiropractic Services or Acupuncture Services provided to a Member. The Group and all Members shall cooperate with Health Plan in the administration of these provisions.

11.2 Benefits Subject to COB

All of the benefits provided under this Agreement are subject to COB in accordance with the provisions of this Section 11.

11.3 Definitions

The following definitions are applicable to the provisions of this Section only:

- 11.3.1** “Plan” means any plan providing chiropractic and acupuncture benefits for, or by reason of, Chiropractic Services and Acupuncture Services, which benefits are provided by (i) group, blanket or franchise insurance coverage, (ii) service plan contracts, group practice, individual practice and other prepayment coverage, (iii) any coverage under labor-management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans, and (iv) any coverage under governmental programs other than Medi-Cal, or California Children's Services, and any coverage required or provided by any statute.
- 11.3.2** The term “Plan” shall be construed separately with respect to each policy, contract, or other arrangement for benefits or services and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other Plans into consideration in determining its benefits and that portion which does not.
- 11.3.2.1** The term “Plan” shall include:
- 11.3.2.1.1** All group policies, group subscriber contracts, selected group disability insurance contracts issued pursuant to Section 10270.97 of the California Insurance Code and blanket insurance contracts, except blanket insurance contracts issued pursuant to 10270.2(b) or (e) which contain non-duplication of benefits or excess policy provisions.
 - 11.3.2.1.2** “Medicare” or other similar governmental benefits, provided that:
 - (A) The definition of “Allowable Expenses” shall only include the chiropractic and acupuncture benefits as may be provided by the governmental program;
 - (B) Such benefits are not by law excess to this Plan; and
 - (C) The inclusion of such benefits is inconsistent with any other provision of this Agreement.
 - 11.3.2.1.3** The term “Plan” shall not include:
 - 11.3.2.1.3.1** Individual or family policies, or individual or family subscriber contracts, except as otherwise provided herein.
 - 11.3.2.1.3.2** Any entitlements to Medi-Cal benefits under Chapter 7 (commencing with Section 14000) or Chapter 8 (commencing with Section 14500) of Part 3 of Division 9 of the California Welfare and Institutions Code, or benefits under the California Children's Services under Section 10020 of the Welfare and Institutions Code, or any other coverage provided

for or required by law when, by law, its benefits are excess to any private insurance or other non-governmental program.

11.3.2.1.3.3 Medical payment benefits customarily included in traditional automobile contracts.

11.3.3 “Plan” means that portion of this Agreement that provides the benefits that are subject to this Section.

11.3.4 “Allowable Expense” means any necessary, reasonable, and customary item of expense at least a portion of which is covered under at least one of the plans covering the person for whom claim is made. When a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered shall be deemed to be both an Allowable Expense and benefit paid.

11.3.5 “Claim Determination Period” means a calendar year.

11.4 Effect on Benefits

11.4.1 This Section 11 shall apply in determining the benefits as to a person covered under this Plan for any Claim Determination Period if, for the Allowable Expenses incurred as to such person during such period, the sum of:

11.4.1.1 The value of the benefits that would be provided by this Plan in the absence of this Section 11, and

11.4.1.2 The benefits that would be payable under all other Plans in the absence therein of provisions of similar purpose to this provision would exceed such Allowable Expenses.

11.4.2 As to any Claim Determination Period to which this Section is applicable, the benefits that would be provided under this Plan in the absence of this provision for Allowable Expenses incurred as to such person during such Claim Determination Period shall be reduced to the extent necessary so that the sum of such reduced benefits and all the benefits payable for such Allowable Expenses under all other Plans, except as provided in Section 11.4.3 immediately below, shall not exceed the total of such Allowable Expenses. Benefits payable under another Plan include the benefits that would have been payable had claim been made therefore.

11.4.3 If another Plan which is involved in Section 11.4.2 immediately above and which contains: provisions coordinating its benefits with those of this Plan would, according to its rules, determine its benefits after the benefits of this Plan have been determined; and the rules set forth in Section 11.5 immediately below would require this Plan to determine its benefits before such other Plan, then the benefits of such other Plan will be ignored for the purposes of determining the benefits under this Plan.

11.5 Rules Establishing Order of Determination

For the purpose of Section 11.4, the rules establishing the order of determination are:

11.5.1 The benefits of a Plan which covers the person on whose expenses claim is based other than as a dependent shall be determined before the benefits of a Plan which covers such person as dependent.

11.5.2 Except for cases of a person for whom claim is made as a dependent child whose parents are separated or divorced, the benefits of a Plan which covers the person on whose expenses claim is based as a dependent of a person whose date of birth, excluding year of birth, occurs earlier in a calendar year, shall be determined before the benefits of a Plan which covers such person as dependent of a person whose date of birth, excluding year of birth, occurs later in a calendar year. If either Plan does not have the provisions of this paragraph regarding dependents, which results either in each Plan determining its benefits before the other or in each Plan determining its benefits after the other, the provisions of this paragraph shall not apply, and the rule set forth in the Plan which does not have the provisions of this paragraph shall determine the order of the benefits.

11.5.3 In the case of a person for whom claim is made as a dependent child whose parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a Plan which covers the

child as a dependent of the parent with custody of the child will be determined before the benefits of a Plan which covers the child as a dependent of the parent without custody.

- 11.5.4** In the case of a person for whom claim is made as a dependent child whose parents are divorced and the parent with custody of the child has remarried, the benefits of a Plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a Plan which covers that child as a dependent of the stepparent, and the benefits of a Plan which covers that child as a dependent of the stepparent will be determined before the benefits of a Plan which covers that child as dependent of the parent without custody.
- 11.5.5** In the case of a person for whom claim is made as a dependent child whose parents are separated or divorced where there is a court decree which would otherwise establish financial responsibility for the costs of Chiropractic Services or Acupuncture Services with respect to the child, then, notwithstanding Sections 11.5.3 and 11.5.4, the benefits of a Plan which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other Plan which covers the child as a dependent child.
- 11.5.6** When Sections 11.5.1 through 11.5.5 do not establish an order of benefit determination, the benefits of a Plan which has covered the person on whose expenses claim is based for the longer period of time shall be determined before the benefits of a Plan which has covered such person the shorter period of time, provided that:
- 11.5.6.1** The benefits of a Plan covering the person on whose expenses claim is based as a laid-off or retired employee, or dependent of such person, shall be determined after the benefits of any other Plan covering such person as an employee, other than a laid-off or retired employee, or dependent of such person; and
- 11.5.6.2** If either Plan does not have a provision regarding laid-off or retired employees, which results in each Plan determining benefits after the other, then Section 11.5.6.1 shall not apply.

In determining the length of time an individual has been covered under a given Plan, two successive Plans of a given group shall be deemed to be one continuous Plan so long as the claimant concerned was eligible for coverage within twenty-four (24) hours after the prior Plan terminated. Thus, neither a change in the amount or scope of benefits provided by a Plan, a change in the carrier insuring the Plan, nor a change from one type of Plan to another (e.g., single employer to multiple employer Plan, or vice versa, or single employer to a Taft Hartley Welfare Plan) would constitute the start of a new Plan for purposes of this provision.

If a claimant's effective date of coverage under a given Plan is subsequent to the date the other carrier first contracted to provide the Plan for the group concerned (employer, union, association, etc.), then, in the absence of specific information to the contrary, the carrier shall assume, for purposes of this provision, that the claimant's length of time covered under the Plan shall be measured from the claimant's effective date of coverage. If a claimant's effective date of coverage under a given Plan is the same as the date the carrier first contracted to provide the Plan for the group concerned, then the carrier shall request the group concerned to furnish the date the claimant first became covered under the earliest of any prior Plans the group may have had. If such date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time his or her coverage under that Plan has been in force.

11.6 Reduction of Benefits

When this Section 11 operates to reduce the total amount of benefits otherwise payable as to a person covered under this Plan during any Claim Determination Period, each benefit that would be payable in the absence of this provision shall be reduced proportionately, and such reduced amount shall be charged against any applicable benefit limit of this Plan. Health Plan may not decrease, in any manner, the benefits stated herein, except after a period of at least thirty (30) days from the date of the postage paid mailing to the Group.

11.7 Right to Receive and Release Necessary Information

For the purposes of determining the applicability of and implementing the terms of this Section 11 of this Plan or any provision of similar purpose of any other Plan, to the extent permitted by applicable law, including the Health Insurance Portability and Accountability Act of 1996 and the Confidentiality of Medical Information Act, the Plan may release to or obtain from any insurance Health Plan or other organization or person any information, with respect to any person, which the Plan deems to be necessary for such purposes. Any person claiming benefits under this Plan shall furnish such information as may be necessary to implement this provision.

11.8 Facility of Payment

Whenever payments which should have been made under this Plan in accordance with this provision have been made under any other Plans, the Plan shall have the right, exercisable alone and in its sole discretion, to pay over to any organizations making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision, and amounts so paid shall be deemed to be benefits paid under this Plan and, to the extent of such payments, the Plan shall be fully discharged from liability under this Plan.

11.9 Right of Recovery

Whenever payments have been made by the Plan with respect to Allowable Expenses in a total amount, at any time, in excess of the maximum amount of payment necessary at that time to satisfy the intent of this Section 11, the Plan shall have the right to recover such payments, to the extent of such excess, from one or more of the following, as the Plan shall determine: any persons to, for, or with respect to whom such payments were made, any insurers, any service plans, or any other organizations.

SECTION 12. THIRD-PARTY LIABILITY

12.1 Member Reimbursement Obligation

If a Member receives payment by way of a third-party suit or settlement for Covered Services provided or paid for by Health Plan, the Member shall be obligated to reimburse Health Plan for the actual costs incurred by Health Plan for such Covered Services, but no more than the amount the Member recovers on account of the condition for which Covered Services were provided, exclusive of any amounts awarded in a suit as compensatory damages for any items other than the expenses of Chiropractic Services and Acupuncture Services and any amounts awarded as punitive damages.

12.2 Health Plan's Right of Recovery

Health Plan shall have a lien on all funds recovered by a Member from a third party pursuant to Section 12.1 immediately above. Such lien shall not exceed the sum of the reasonable costs actually paid by Health Plan to perfect the lien and the amount actually paid by Health Plan to any treating provider. If the Member engaged an attorney, the lien may not exceed one-third (1/3) of the monies due to the Member under any final judgment, compromise, or settlement agreement. If the Member did not engage an attorney, the lien may not exceed one-half (1/2) of the monies due to the Member under any final judgment, compromise, or settlement agreement. Health Plan may give notice of such lien to any party who may have contributed to the loss.

12.3 Member Cooperation

The Member shall take such action, furnish such information (including responding to requests for information about any accident or injuries and making court appearances) and assistance, and execute such instruments (including a written confirmation of assignment, and consent to release medical records) as Health Plan may require to facilitate enforcement of Health Plan's rights under this Section 12, and shall take no action that tends to prejudice such rights. Any Member who fails to cooperate in Health Plan's administration of this Section 12 shall be responsible for the amount otherwise recoverable by Health Plan under this Section.

12.4 Subrogation Limitation

Health Plan shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type, from any or all of the following:

- (A) Third parties, including any person alleged to have caused Member to suffer injuries or damages;
- (B) Member's employer;
- (C) Any person or entity obligated to provide benefits or payments to Member, including benefits or payments for underinsured or uninsured motorist protection (collectively referred to as "Third Parties.")

Health Plan has the right to be subrogated to the Member's rights for all amounts recoverable by Health Plan under this Section 12. Health Plan's rights under this Section 12.4 include the right to bring suit against the third party in the Member's name.

Member agrees:

- (A) To assign all rights of recovery against Third Parties, to the extent of the actual costs of Covered Services provided or paid for by Health Plan, plus reasonable costs of collection;

SECTION 13. MANAGED CARE PROGRAM

13.1 Managed Care Program

The Managed Care Program is the program by which Health Plan determines whether services or other items are Medically Necessary and directs care in the most cost-efficient manner. The Managed Care Program includes, but is not limited to, requirements with respect to the following: concurrent and retrospective utilization review; and quality assurance activities. The Managed Care Program requires the cooperation of Members, Participating Providers, and Health Plan. All Participating Providers have agreed to participate in Health Plan's Managed Care Program.

13.2 Managed Care Process

Health Plan's Utilization Management Committees will have program oversight for Chiropractic Services and Acupuncture Services provided, or to be provided, to Members under this Agreement in order to determine: (i) whether the services are/were Medically Necessary; (ii) the appropriateness of the recommended treatment setting; (iii) the required duration of treatment; (iv) whether the recommended treatment qualifies as a Covered Service; and (v) whether any Limitations apply.

13.3 Appeal Rights

All decisions made by Health Plan in connection with the Managed Care Program may be appealed by the Member through the Grievance Procedure set forth in Section 16.

13.4 Utilization Management

Health Plan utilizes the following process to authorize, modify, or deny services under benefits provided by the Health Plan.

- 13.4.1 Utilization Review.** Utilization review occurs as the services are provided (concurrent), or after the services have been provided (retrospective). The Utilization Review Process requires health care providers to submit the authorization request forms. Utilization review will not be conducted more frequently than is reasonably required to assess whether the health care services under review meet plan benefit coverage criteria. The provider is responsible for documenting the medical necessity of services through the authorization process.
- 13.4.2 Benefit Coverage Determinations.** Benefit coverage determinations are made by the Health Plan's Support Clinicians based upon your benefit plan and may include an adverse determination due to a limitation in benefit coverage or an exclusion of benefit coverage. These are not medical necessity determinations.
- 13.4.3 Support Clinicians/Clinical Peer Reviewers.** All clinical reviews are conducted by licensed peer reviewers who meet the Health Plan provider credentialing process and possess the additional qualifications.
- 13.4.4 Member Disclosure.** The process used by Health Plan to authorize, modify, or deny health care services under any benefit plan will be disclosed to members or their designees upon request.
- 13.4.5 Notifications and Time Frames.** Unless specific state or federal law requires other time frame and notification standards, the following will apply for Health Plan's utilization management determinations.
 - 13.4.5.1** Health Plan uses one standard process that applies to both concurrent and retrospective review. The Support Clinician completes the concurrent review process within five (5) business days of receipt of all necessary information. Retrospective reviews are completed within thirty (30) business days of receipt of all necessary information.
 - 13.4.5.2** An Authorization Response is sent to the provider and Enrollee indicating the Support Clinician's decision within one day of the date of decision. The written response is sent to the provider by U.S. Mail, facsimile, or other electronic method. Written notification is sent to the Enrollee by U.S. Mail within two (2) business days of the date of the decision.

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

- 13.4.5.3** The Authorization Response sent to the provider and the Enrollee includes messages addressing any changes to the requested treatment plan. In addition, each response to the provider includes the name of the Support Clinician and instructions and timelines for the submission of missing or additional documentation.
- 13.4.5.4** If Health Plan cannot make a decision to approve, modify or deny a request for authorization within the time frames specified above because Health Plan is not in receipt of all of the information reasonably necessary and requested, or because Health Plan requires consultation by an expert reviewer, or because Health Plan has asked that an additional examination or test be performed upon the member (provided the examination or test is reasonable and consistent with good medical practice in the organized chiropractic community), Health Plan shall, immediately upon the expiration of the specified time frame, or as soon as Health Plan becomes aware that it will not meet the time frame, whichever occurs first, notify the provider and the member, in writing, that Health Plan cannot make a decision to approve, modify, or deny the request for authorization within the required time frame, and specify the information requested but not received, or the expert reviewer to be consulted, or the additional examinations or tests required. Health Plan shall also notify the provider and the member of the anticipated date on which a decision may be rendered. Upon receipt of all information reasonably necessary and requested, Health Plan will approve, modify, or deny the request for authorization within the applicable time frame specified above.
- 13.4.5.5** A request for services may be denied on the basis that information necessary to determine medical necessity was not received. If Health Plan requests medical information from a provider in order to determine whether to approve, modify, or deny a request for authorization, Health Plan will request only the information reasonably necessary to make the determination. A reasonable attempt to obtain the missing information from the enrollee's provider will be made prior to denying services based on lack of information. The request for the necessary information will be handled in accordance with Health Plan policy.
- 13.4.5.6** In the case of concurrent review, care shall not be discontinued until the member's treating provider has been notified of Health Plan's decision, and a care plan has been agreed upon by the treating provider that is appropriate for the medical needs of that member.
- 13.4.6 Adverse Determinations.** Unless specific state or federal law requires other time frame and notification standards, the following will apply for Health Plan's utilization management determinations.
- 13.4.6.1** An adverse determination by a Health Plan Support Clinician means one or more of the service(s) requested was determined to be not Medically Necessary or appropriate.
- 13.4.6.2** Clinical determinations are decisions made with regard to the provider's requested duration of care, quantity or services or types of services.
- 13.4.7** Nothing in this Section 13 shall be construed or applied to interfere with a Member's right to submit a grievance or seek an independent medical review in accordance with applicable law. Members shall in all cases have an opportunity to submit a grievance to Health Plan or seek an independent medical review whenever a health care service is denied, modified, or delayed by Health Plan, or by one of its contracting providers, if the decision was based in whole or in part on a finding that the proposed health care services are not Medically Necessary.
- 13.4.8** All grievances shall be handled in accordance with Health Plan's Grievance Resolution Policies and Procedures, as described in Section 16.
- 13.4.9** A request for an independent medical review shall be handled in accordance with Health Plan's policies and procedures on independent medical reviews or, if applicable, the policies and procedures on independent review of decisions regarding experimental or investigational therapies, as described in Section 16.5.

13.4.10 An urgent request, when the Member's condition is such that the Member faces an imminent or serious threat to his or her health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or lack of timeliness would be detrimental to the Member's ability to regain maximum function, will be expedited and resolved (authorized or denied) whenever possible within 24 hours but not to exceed 72 hours from the Plan's receipt of the request."

SECTION 14. REIMBURSEMENT PROVISIONS

Members may receive Covered Services under the Group Enrollment Agreement only from Participating Providers or as directed by the Health Plan. Claims for reimbursement for Covered Services received by a Member shall be submitted by the Participating Provider. The Member shall not be responsible for submitting claim forms for reimbursement of any Covered Services.

SECTION 15. RESPONSIBILITIES OF HEALTH PLAN

15.1 Arrangements for Covered Services

Health Plan will enter into arrangements with Participating Providers in order to make available to Members the Covered Services described in this document. Subject to Section 8.6, Health Plan makes no warranty or representation to the Group or to Members regarding the continued availability of any particular Participating Provider to a particular Member or to Members in general.

15.2 Compensation of Providers

Health Plan will be responsible for compensating Participating Providers for Covered Services provided to eligible Members in accordance with the requirements of any contract between Health Plan and the Participating Provider. As required by state law, all contracts between Health Plan and Participating Providers provide that, in the event Health Plan fails to pay the Participating Provider for Covered Services for which Health Plan is financially responsible, no Member shall be liable to the Participating Provider for Covered Services.

In the event that Health Plan fails to pay a provider who is not a Participating Provider for Covered Services for which Health Plan is financially responsible, the Member who received such services may be liable to the provider for the cost of the services.

15.3 Toll-Free Telephone Number

Health Plan will make available to Members a published toll-free telephone number to contact Health Plan. This telephone number is available to Members twenty-four hours a day, seven days a week.

15.4 Public Policy Committee

Health Plan's Public Policy Committee will participate in establishing public policy for Health Plan's chiropractic and acupuncture benefits programs including, but not limited to, the comfort, dignity and convenience of Members. Members are invited to participate in the Public Policy Committee and may write to the Chair of the Public Policy Committee at the address included on the cover of this document.

15.5 Notices to Group Representatives

Any notice given by Health Plan to the Group pursuant to the Group Enrollment Agreement may be given by Health Plan to the group representative designated by the Group pursuant to this Section 15.5.

15.6 Termination or Breach of a Participating Provider Contract

- 15.6.1** Health Plan shall provide Group written notice within 30 days of Health Plan's receipt of any Participating Provider's notice of termination or inability to perform its contract with Health Plan, or within 30 days of Health Plan's providing to any Participating Provider a notice of termination or uncured breach, if the Group or any Member may be materially and adversely affected by such termination, breach, or inability to perform.
- 15.6.2** In the event that a contract between Health Plan and a Participating Provider terminates while a Member is under the care of such Participating Provider, Health Plan will arrange for the provision of continuity of care services as described in Section 8.6.
- 15.6.3** In the event that Health Plan fails to pay a non-contracting provider for any amounts owed by the Health Plan, Member may be responsible to the non-contacting provider for the cost of services.

SECTION 16. GRIEVANCE PROCEDURES

16.1 Applicability of the Grievance Procedures

All Member disputes and controversies arising under the Plan will be resolved pursuant to the Grievance Procedures set forth in this Section 16.

16.2 Grievances

Every Member has the right to communicate a grievance to Health Plan by calling the telephone number listed below, by submitting a written grievance to the address indicated below, by submitting a written grievance by facsimile or email, or by completing an online grievance form.

You may submit a formal complaint or an appeal for a denial of a service or denied claims within 180 calendar days of your receipt of an initial determination through our Appeals, Complaints, and Grievances Department. Health Plan will review your appeal within a reasonable period of time appropriate to the medical circumstances and make a determination within 30 calendar days of Health Plan's receipt of the appeal. For appeals involving the delay, denial or modification of health care services related to Medical Necessity, Health Plan's written response will include the specific reason for the decision, describe the criteria or guidelines or benefit provision on which the denial decision was based, and notification that upon request the Member may obtain a copy of the actual benefit provision, guideline protocol or other similar criterion on which the denial is based. For determinations delaying, denying or modifying health care services based on a finding that the services are not Covered Services, the response will specify the provisions in this *Combined Evidence Of Coverage and Disclosure Form* that exclude that coverage.

Health Plan will acknowledge receipt of the grievance in writing for urgent issues on the day of receipt, and all routine grievances within five (5) calendar days of receipt. These deadlines do not apply to grievances that are received by telephone, by facsimile, or by email, that are not coverage disputes, disputed health care services involving medical necessity, or experimental or investigational treatment and that are resolved by the next business day.

If the grievance pertains to a Quality of Service issue, it may be investigated and resolved by the Health Plan in collaboration with any other involved departments. If the grievance pertains to a Quality of Care issue and is routine, the Health Plan transfers the information to the Medical Director. If the grievance pertains to a Quality of Care issue and is urgent, the Health Plan will promptly initiate the Expedited Review process.

Health Plan will provide a written statement on the determination of any grievance except for grievances that are received by telephone, by facsimile, or by email, that are not coverage disputes, disputed health care services involving medical necessity, or experimental or investigational treatment and that are resolved by the next business day. For an urgent grievance in which medical/clinical services are underway, Health Plan will notify the complainant and the Department within twenty-four (24) hours of the Health Plan's receipt of the grievance. For all other urgent grievances, Health Plan will notify the complainant and the Department within three (3) calendar days of the Health Plan's receipt of the grievance. For routine grievances, Health Plan will notify the complainant within five (5) calendar days of the Health Plan's receipt of the grievance.

Grievance forms and Health Plan's grievance policies and procedures are available to Members upon request.

16.3 Expedited Review of Grievances

For Member grievances involving an imminent and serious threat to the health of the patient, including but not limited to, severe pain, potential loss of life, limb, or major bodily function, Health Plan shall immediately inform the Member, in writing, of the Member's right to notify the Department, and to provide the Member and the Department written notice of the disposition or pending status of the grievance no later than three (3) calendar days from receipt of the grievances.

16.4 Independent Medical Review

In the event the Member is dissatisfied with the findings and decision of Health Plan, the Member is not required to further participate in Health Plan's grievance process thirty (30) days after Health Plan's receipt of the complaint. The Member may request an Independent Medical Review (IMR) of Disputed Health Care Services from the Department if the Member believes that health care services have been improperly denied, modified, or delayed by the Health Plan or one of its contracting providers. A "Disputed Health Care Service" is any health care service eligible for coverage and payment under the subscriber contract that has been denied, modified, or delayed by the Plan or one of its contracting providers, in whole or in part because the service is not Medically Necessary.

The IMR process is in addition to any other procedures or remedies that may be available to the Member. The Member pays no application or processing fees of any kind for IMR. The Member has the right to provide information in support of the request for IMR. The Plan must provide the Member with an IMR application form with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause the Member to forfeit any statutory right to pursue legal action against the plan regarding the Disputed Health Care Service.

For more information regarding the IMR process, or to request an application form, please call Health Plan's Customer Services department at 1-800-428-6337; or write to OptumHealth Physical Health of California at P.O. Box 880009, San Diego, CA 92168-0009.

16.5 IMR for Experimental and Investigational Therapies

You may also have the right to an independent medical review through the Department if the Health Plan denies coverage for a requested service on the basis that it is experimental or investigational. Health Plan will notify you within 5 business days of its decision to deny an experimental/investigational therapy. You are not required to participate in the Health Plan's grievance process prior to seeking an independent medical review of this decision.

The Independent Medical Review Organization will complete its review within 30 days of receipt of your application and supporting documentation. If your physician determines that the proposed therapy would be significantly less effective if not promptly initiated, the review will be completed within 7 days.

16.6 Implementation of IMR Decision

If the Member receives a decision by the Director of the Department that a Disputed Health Care Service is Medically Necessary, Health Plan will promptly implement the decision.

In the case of reimbursement for services already provided, Health Plan will reimburse the provider or Member within five (5) working days. In the case of services not yet provided, Health Plan will authorize the services within five (5) working days of receipt of the written decision from the Director or sooner, if appropriate for the nature of the Member's medical condition, and will inform the Member and Provider of the authorization according to the requirements of Health and Safety Code Section 1367.01(h)(3).

16.7 Voluntary Mediation and Binding Arbitration

If you are dissatisfied with Health Plan's Appeal Process determination, you can request that Health Plan submit the appeal to voluntary mediation or binding arbitration before JAMS.

Voluntary Mediation

In order to initiate voluntary mediation, either you or the agent acting on your behalf must submit a written request to Health Plan. If all parties mutually agree to mediation, the mediation will be administered by JAMS in accordance with the JAMS Mediation Rules and Procedures, unless all parties otherwise agree. Expenses for mediation will be shared equally by the

parties. The Department of Managed Health Care will have no administrative or enforcement responsibilities with the voluntary mediation process.

Binding Arbitration

All disputes of any kind, including, but not limited to, claims relating to the delivery of services under the plan and claims for medical malpractice between the Member (including any heirs, successors or assigns of Member) and Health Plan, except for claims subject to ERISA, will be submitted to Binding Arbitration. Medical malpractice includes any issues or allegations that medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered. This means that disputes between the Member and Health Plan will not be resolved by a lawsuit or by pursuing other court processes and remedies, except to the extent the Federal Arbitration Act provides for judicial review of arbitration proceedings. Under this provision, neither the Court nor any arbitrator may delay arbitration of disputes or refuse to order disputes to arbitration. The intent of this arbitration provision, and the parties, is to put litigation on hold so that issues can be resolved through the binding arbitration process. Any disputes about the scope of arbitration, about the arbitration itself or about whether an issue falls under this arbitration provision will be resolved by the arbitrator to avoid ambiguities and litigation costs.

The Member and Health Plan understand and agree that they are giving up their constitutional rights to have disputes decided in a court of law before a jury and are instead accepting the use of Binding Arbitration by a single arbitrator. The arbitration will be performed by JAMS or another arbitration service as the parties may agree in writing. The arbitration will be conducted under the JAMS Comprehensive Arbitration Rules and Procedures. The parties will attempt in good faith to agree to the appointment of an arbitrator, but if agreement cannot be reached within 30 days following the date demand for arbitration is made, the arbitrator will be chosen using the appointment procedures set out in the JAMS Comprehensive Arbitration Rules and Procedures. These rules may be viewed by the Member at the JAMS Web site, www.jamsadr.com. If the Member does not have access to the internet, the Member may request a copy of the rules from Health Plan, and arrangements will be made for the Member to obtain a hard copy of the rules and procedures.

Arbitration hearings will be held in San Diego County, California or at a location agreed to in writing by the Member and Health Plan. The expenses of JAMS and the arbitrator will be paid in equal shares by the Member and Health Plan. Each party will be responsible for any expenses related to discovery conducted by them and their own attorney fees. In cases of extreme hardship, Health Plan may assume all or part of the Member's share of the fees and expenses of JAMS and the arbitrator, provided the Member submits a hardship application to JAMS and JAMS approves the application. The approval or denial of the hardship application will be determined solely by JAMS. The Member will remain responsible for their own attorney fees, unless an award of attorney fees is allowable under the law and the arbitrator makes an award of attorney fees to the Member. Following the arbitration, the arbitrator will prepare a written award that includes the legal and factual reasons for the decision.

Nothing in this Binding Arbitration provision is intended to prevent the Member or Health Plan from seeking a temporary restraining order or preliminary injunction or other provisional remedies from a court. However, any and all other claims or causes of action, including, but not limited to those seeking damages, restitution, or other monetary relief, will be subject to this Binding Arbitration provision. Any claim for permanent injunctive relief will be stayed pending completion of the arbitration. The Federal Arbitration Act, 9 U.S.C. Sections 1-16, will apply to the arbitration.

ALL PARTIES EXPRESSLY AGREE TO WAIVE THEIR CONSTITUTIONAL RIGHT TO HAVE DISPUTES BETWEEN THEM RESOLVED IN COURT BEFORE A JURY AND ARE INSTEAD ACCEPTING THE USE OF BINDING ARBITRATION

16.8 Department Review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(1-800-428-6337) or for TTY/TDD services call 1-888-877-5379 (voice), or 1-888-877-5378 (TTY)** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in

SECTION 17. TERMINATION OF BENEFITS

17.1 Basis for Termination of a Member's Coverage

Health Plan may terminate a Member's coverage for any one or more of the following reasons:

- 17.1.1 If the Group has failed to pay a premium due within 30 days of the Premium Due Date, Health Plan shall send a notice of cancellation to the Group requesting payment of any past due premiums and providing notice that coverage for a Member whose premium is unpaid shall terminate automatically as of the thirty-first (31st) day following issuance of such notice of cancellation. If the Member is hospitalized or undergoing treatment for an ongoing condition at the time of such termination, Health Plan shall continue to be financially responsible only for those Chiropractic Services and Acupuncture Services provided after such termination that had already received prior written certification as Covered Services, and had already commenced, as of the date of such termination.
- 17.1.2 The Member fails to pay or make appropriate arrangements to pay a required Copayment after the Member has been billed by the provider for two different billing cycles. Health Plan will provide the Member with written notice, and the Member will be subject to termination if payment or appropriate payment arrangements are not made within the thirty (30)-day notice period.
- 17.1.3 If the Member permits the misuse of his or her identification documents by any other person, or misuses another person's identification, coverage of the Member may be terminated immediately upon notice to the Member. The Member shall be liable to Health Plan for all costs incurred as a result of any misuse of identification documents.
- 17.1.4 The Member moves out of the service area without the intention to return. Termination shall be effective on the thirty-first (31st) day following issuance of such notice.
- 17.1.6 The Member voluntarily disenrolls, provided the Group allows voluntary disenrollment. Termination shall take effect on the last day of the month in which the Member voluntarily disenrolls.
- 17.1.7 The notice of cancellation issued by Health Plan shall be in writing and dated, and shall state:
 - (A) The cause for cancellation, with specific reference to the clause of this Agreement giving rise to the right of cancellation;
 - (B) That the cause for cancellation was not the Member's health status or requirements for health care services;
 - (C) The time when the cancellation is effective; and
 - (D) That a Member who alleges that an enrollment or subscription has been cancelled or not renewed because of the Member's health status or requirements for health care services may request a review of cancellation by the Director of the Department.

17.2 Reinstatement

Subject to Section 17.5, the reinstatement of any Member whose coverage under this Agreement has terminated for any reason shall be within the sole discretion of Health Plan. This Section does not apply to reinstatement of the Group, but rather to reinstatement of a Member whose coverage has terminated for reasons unrelated to cancellation of the Group Enrollment Agreement for nonpayment.

17.3 Rescission

If, at any time, Health Plan determines that a Member fraudulently or intentionally provided incomplete or incorrect material information and Health Plan's decision to accept the Member's enrollment was based, in whole or in part, on the

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

misinformation, Health Plan may rescind the Member's membership instead of terminating the Member's coverage upon the date of mailing. Rescind means Health Plan will completely cancel membership so that no coverage ever existed. Health Plan can also rescind membership if it finds that a Member fraudulently or intentionally did not inform Health Plan about changes to the information the Member submitted in their enrollment application that occurred before the Member's coverage became effective, and Health Plan would have denied the Member's enrollment if the Member had informed Health Plan about the changes. If Health Plan rescinds a membership, Health Plan will send written notice to the affected Member which will explain the basis for Health Plan's decision and how the Member may appeal the decision. Any Member whose membership is rescinded will be required to pay as a non-Member for any services Health Plan covered. Within 30 days, Health Plan will refund all applicable premiums amounts due pursuant to Section 17.4, except that Health may subtract any amounts the Member owes Health Plan. The Member will not be allowed to enroll in an OptumHealth Physical Health of California health plan in the future.

17.4 Return of Premiums for Unexpired Period

In the event of termination or rescission of a Member's coverage by Health Plan, Health Plan shall, within thirty (30) days following such termination, return to the Group the pro rata portion of any premium paid to Health Plan that corresponds to any unexpired period for which payment had been made less any amounts due to Health Plan from the Group.

17.5 Director Review of Termination

Any Member who in good faith believes that his or her coverage has been terminated or not renewed because of the Member's health status or requirements for Chiropractic Services or Acupuncture Services, may request a review of the termination or non-renewal by the Director of the California Department of Managed Health Care. If the Director determines that a proper complaint exists under Section 1365 of the California Health and Safety Code, the Director will notify Health Plan of that fact. Health Plan must, within fifteen (15) days after receipt of the notice, either request a hearing or reinstate the Member. If, based on the hearing, the Director determines that the termination or non-renewal is contrary to applicable law; Health Plan must reinstate the Member retroactive to the time of the termination or non-renewal. Under such circumstances, Health Plan will be liable for the expenses incurred by the Member after the termination or non-renewal for Chiropractic Services or Acupuncture Services that would otherwise have received certification as Covered Services.

17.6 Individual Continuation of Benefits

In the event the Group ceases to exist, the Group contract is terminated, an individual Subscriber leaves the Group or the Member's eligibility status changes, the Member may remain in the Plan if he or she otherwise satisfies the eligibility criteria for COBRA.

17.6.1 Continuation of Benefits for Totally Disabled Members

If a Member becomes Totally Disabled while covered under the Group Enrollment Agreement, and the Group Enrollment Agreement between Health Plan and the Group is subsequently terminated, benefits for Covered Services directly relating to the disabling condition will continue for twelve (12) months following the last day of coverage for which a total monthly premium was paid to Health Plan on behalf of the Member, notwithstanding the termination of the Group Enrollment Agreement during such period. Any extension of benefits may be terminated at such time as the Member is no longer totally disabled or at such time as coverage for the Member becomes effective under any replacement agreement or policy. Covered Services provided after termination will be subject to all of the Exclusions and Limitations, as well as all of the other terms and conditions, contained in this document, including, but not limited to, all applicable Copayments and Annual Benefit Maximums. A Member who is not a Family Dependent will be considered to be Totally Disabled when as a result of bodily injury or disease, he or she is prevented from engaging in any occupation for compensation or profit; a Member who is a Family Dependent will be considered totally disabled when such Member is prevented from performing all regular and customary activities usual for a person of his or her age and family status. An enrolled Family Dependents who attain the limiting age may continue enrollment in the Health Plan beyond the limiting age if the Family Dependent meets all of the following:

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

1. The Family Dependent is incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness or condition; and
2. The Family Dependent is chiefly dependent upon the Subscriber for support and maintenance.

At least 90 days prior to a disabled Family Dependent reaching the limiting age, you, the Subscriber will receive notice that coverage for the disabled Family Dependent, will terminate at the end of the limiting age unless proof of such incapacity and dependency is provided to Health Plan by the Member within 60 days of receipt of notice. Health Plan shall determine if the disabled Family Dependent meets the conditions above, prior to the disabled Family Dependent reaching the limiting age. Otherwise, coverage will continue until Health Plan makes a determination.

Health Plan may require ongoing proof of a Family Dependent's disability and dependency, but not more frequently than annually after the two-year period following the Family Dependent's attainment of the limiting age. This proof may include supporting documentation from a state or federal agency or a written statement by a licensed psychologist, psychiatrist or other physician to the effect that such disabled Family Dependent is incapable of self-sustaining employment by reason of physical or mental disabling injury, illness or condition.

If you are enrolling a disabled child for new coverage, Health Plan may request initial proof of incapacity and dependency of the child, and then yearly, to ensure that the child continues to meet the conditions above. You, as the Subscriber, must provide Health Plan with the requested information within 60 days of receipt of the request. The child must have been covered as a dependent of the Subscriber or spouse under a previous health plan at the time the child reached the age limit.

17.6.2 Continuation of Coverage under Federal Law

If Member's coverage ends, Member may be entitled to elect continuation coverage (coverage that continues on in some form) in accordance with federal law. Continuation coverage under COBRA (the federal Consolidated Omnibus Budget Reconciliation Act) is available only to Groups that are subject to the terms of COBRA. Member can contact his or her plan administrator to determine if the Group is subject to the provisions of COBRA. If Member selected continuation coverage under a prior plan which was then replaced by coverage under this plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed below, whichever is earlier. Health Plan is not the Group's designated "plan administrator" as that term is used in federal law and does not assume any responsibilities of a "plan administrator" according to federal law.

Health Plan is not obligated to provide continuation coverage to Member if the Group or its plan administrator fails to perform its responsibilities under federal law. Examples of the responsibilities of the Group or its plan administrator are: (A) Notifying Member in a timely manner of the right to elect continuation coverage; and (B) Notifying Health Plan in a timely manner of your election of continuation coverage.

17.6.3 Qualified Beneficiary

In order to be eligible for continuation coverage under federal law, Member must meet the definition of a "Qualified Beneficiary." A Qualified Beneficiary is any of the following persons who was covered under the plan on the day before a qualifying event:

- (A) A Subscriber.
- (B) A Subscriber's Family Dependent, including with respect to the Subscriber's children, a child born to or placed for adoption with the Subscriber during a period of continuation coverage under federal law.
- (C) A Subscriber's former spouse.

**Questions? Call OptumHealth Customer Service: 1-800-428-6337 (HMO)
Monday through Friday, 8 a.m. – 5 p.m. PT**

If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

- (A) Termination of the Subscriber from employment with the Group, for any reason other than gross misconduct, or reduction of hours; or
- (B) Death of the Subscriber;
- (C) Divorce or legal separation of the Subscriber;
- (D) Loss of eligibility by a Family Dependent who is a child;
- (E) Entitlement of the Subscriber to Medicare benefits; or
- (F) The Group filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Subscriber and his or her Family Dependents. This is also a qualifying event for any retired Subscriber and his or her Family Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

17.6.4 Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)

The Subscriber or other Qualified Beneficiary must notify the Group's designated plan administrator within 60 days of the Subscriber's divorce, legal separation or a Family Dependent's loss of eligibility as a Family Dependent. If the Subscriber or other Qualified Beneficiary fails to notify the designated plan administrator of these events within the 60 day period, the Group and its plan administrator are not obligated to provide continued coverage to the affected Qualified Beneficiary. If a Subscriber is continuing coverage under Federal Law, the Subscriber must notify the Group's designated plan administrator within 60 days of the birth or adoption of a child.

Continuation must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the Group's designated plan administrator. If the Qualified Beneficiary's coverage was terminated due to a qualifying event, then the initial Premium due to the Group's designated plan administrator must be paid on or before the 45th day after electing continuation.

17.6.5 Terminating Events for Continuation Coverage under Federal Law (COBRA)

Continuation under this document will end on the earliest of the following dates:

- (A) Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Subscriber's employment was terminated or hours were reduced (i.e., qualifying event A). If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at anytime within the first 60 days of continuation coverage for qualifying event A, then the Qualified Beneficiary may elect an additional 11 months of continuation coverage (for a total of 29 months of continued coverage) subject to the following condition: (i) notice of such disability must be provided within 60 days after the determination of the disability, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter,

continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

- (B) Thirty-six months from the date of the qualifying event for a Family Dependent whose coverage ended because of the death of the Member, divorce or legal separation of the Subscriber, loss of eligibility by a Family Dependent who is a child (i.e., qualifying events B, C, or D).
- (C) For the Family Dependents of a Subscriber who was entitled to Medicare prior to a qualifying event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the qualifying event, or, if later, 36 months from the date of the Subscriber's Medicare entitlement.
- (D) The date coverage terminates under the plan for failure to make timely payment of the Premium.
- (E) The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.
- (F) The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Group filed for bankruptcy, (i.e., qualifying event F)
- (G) The date this document terminates.
- (H) The date coverage would otherwise terminate under this document.

17.6.6 Cal-COBRA.

Group with two (2) to nineteen (19) subscribers who do not qualify for federal COBRA, continuation coverage under this Health Plan shall comply with the requirements of the California Continuation Benefits Replacement Act, as amended ("Cal-COBRA"). Continuation coverage under Cal-COBRA shall be provided in accordance with section 1366.20 et seq. of the California Health and Safety Code, and shall be equal to, and subject to the same limitations as, the benefits provided to other Group Members regularly enrolled in this Health Plan. Group shall provide affected Members with written notice of available continuation coverage as required by, and in accordance with, Cal-COBRA and amendments thereto.

17.6.6.1 Notice Upon Termination.

Upon the termination of continuation coverage under Cal-COBRA, Group shall notify affected Members receiving Cal-COBRA continuation coverage whose continuation coverage will terminate under Health Plan prior to the end of statutory continuation coverage period of the Member's ability to continue coverage under a new group plan for the balance of the statutory period. Notice shall be provided 30 days prior to the termination or when all Members are notified, whichever is later. Group shall notify a successor plan in writing of the Members receiving Cal-COBRA continuation coverage.

If a Qualified Beneficiary is entitled to 18 months of continuation and a second qualifying event occurs during that time, the Qualified Beneficiary's coverage may be extended up to a maximum of 36 months from the date coverage ended because employment was terminated or hours were reduced. If the Qualified Beneficiary was entitled to continuation because the Group filed for bankruptcy, (i.e., qualifying event F) and the retired Subscriber dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for 36 months

from the date of the Subscriber's death. Terminating events B through G described in this section will apply during the extended continuation period.

Continuation coverage for Qualified Beneficiaries whose continuation coverage terminates because the Subscriber becomes entitled to Medicare may be extended for an additional period of time. Such Qualified Beneficiaries should contact the Group's designated plan administrator for information regarding the continuation period.
