Dates for Kindergarten and Transitional Kindergarten Registration

Registration for both Kindergarten and Transitional Kindergarten for the 2017-2018 school year begins at 7:30am on Thursday, January 5, 2017. At your home elementary school. Please see the Boundary Information page on our website to locate your home school.

To register, pick up a registration packet from your home school. The packet will be time-stamped and dated by the school office staff. Return your completed registration packets by the first Monday in February.

Kindergarten Eligibility

If your child will turn 5 years old on or before September 1, 2017, you may register him/her for the 2017-2018 kindergarten school year.

Transitional Kindergarten

If your child will turn 5 years old between September 2 – December 2, you may register him/her for transitional kindergarten for the 2017-2018 school year.

Please Note

Although most families who turn in their registration materials by the first Monday in February are likely to get into their home school, EGUSD is not able to guarantee placement for every child at their home school. Due to crowded conditions in the Elk Grove Unified School District, there is a possibility that your child may be reassigned to another Elk Grove Unified elementary school.

Parents seeking more information about the registration process can call the district's PreK-6 Education office at (916) 686-7704.
