Pharmacy Benefits with Sutter Health Plus

Sutter Health Plus partners with MedImpact for our members' prescription benefits, including retail, mail order and specialty prescriptions fulfillment, prior authorization determinations and pharmacy-related claims processing.

About MedImpact

MedImpact, the largest independent privately owned pharmacy benefits management company, provides:

- A mail-order pharmacy program through Postal Prescription Services, conveniently providing a three-month supply, as your benefit plan allows, for maintenance medications
- Access to independent and chain pharmacies, including:
 - Bel Air
 - CVS Pharmacy
 - Raley's
 - Rite Aid
 - Target
 - Walgreens
 - Wal-Mart
- A specialty pharmacy program through Walgreens Specialty Pharmacy for members with complex health conditions
- A robust formulary:
 - Tier 1 – most generic medications and low-cost preferred brands are covered at lowest cost share
 - Tier 2 – preferred brand name and non-preferred generic medications are covered at second lowest cost share
 - Tier 3 – non-preferred brand name drugs are covered at the third-tier cost share level. These generally have a preferred and often less costly therapeutic alternative at a lower tier
 - Tier 4 – specialty drugs, self-administered drugs that require training or clinical monitoring, and bioengineered drugs are covered at the fourth-tier cost share level
