CLASS TITLE: DIRECTOR-RESEARCH AND EVALUATION

BASIC FUNCTION:

Under the direction of the Associate Superintendent, Education Services, plan, organize, control and direct the services and activities of the Research department; coordinate the collection and evaluation of testing information and data; serve as a resource to District personnel; collaborate with educators in developing and implementing methods and procedures for enhancing student test performance and meeting District goals; train and supervise the performance of assigned personnel.

ESSENTIAL FUNCTIONS:

Plan, organize, control and direct the services and activities of the Research department; perform special research projects as requested.

Coordinate the collection and evaluation of testing information and data; collect and analyze testing data and results; submit testing results to administrators, faculty, the Board of Education, students, parents and the public; develop information systems to enhance data collection for the District.

Serve as a resource to District administrators and personnel; respond to inquiries and provide information concerning analysis findings and the effectiveness of educational programs; train administrators and faculty in the collection and interpretation of test data.

Collaborate with educators in developing and implementing methods and procedures for enhancing student test performance and meeting District goals; oversee the preparation and scheduling of student testing; assure inventory of testing materials is sufficient to meet District needs; develop programs to identify needs in instructional practices and curriculum and staff development.

Train and supervise the performance of assigned personnel; interview and select employees and recommend transfers, reassignment, termination and disciplinary actions.

Provide technical expertise, information and assistance to the Associate Superintendent regarding data collection, evaluation and findings; assist in the formulation and development of policies, procedures and programs to assure an economical, safe and efficient work environment.

Direct the preparation and maintenance of a variety of narrative and statistical reports, records and files related to research and data collection findings and results; compose documents concerning information analysis results for distribution to the public.
Communicate with other administrators, personnel and outside organizations to coordinate assigned activities and programs, resolve issues and conflicts and exchange information.

Develop and prepare the annual preliminary budget for the Department; analyze and review budgetary and financial data; control and authorize expenditures in accordance with established limitations.

Operate a computer and assigned software programs; operate other office equipment as assigned; operate a vehicle to conduct work.

Attend and conduct a variety of meetings as assigned; conduct in-services for administrators and District personnel.

Perform related duties as assigned.

DEMONSTRATED KNOWLEDGE AND ABILITIES:
