CLASS TITLE: HEALTHY START COORDINATOR

BASIC FUNCTION:
Under the direction of the Director-Prevention/Intervention and site administrators, plan, organize and implement programs for the Healthy Start Family Resource Centers at designated sites; manage the implementation and evaluation of grant-specific activities for Healthy Start; provide coordination of the case management system; train, supervise and evaluate the performance of assigned personnel.

ESSENTIAL FUNCTIONS:
Plan, organize and implement programs for the Healthy Start Family Resource Centers at designated sites; chair the multi-disciplinary team (MDT) at designated sites.

Manage the implementation and evaluation of grant-specific activities for Healthy Start.

Provide coordination of the case management system including intake assessments, assignment to Family Advocates, and referrals to Student Attendance Review Board (SARB) or appropriate community agencies.

Serve as communication liaison among the school staff, Family Resource Center staff, and private and public community agencies.

Train, supervise and evaluate the performance of assigned personnel; interview and select employees and recommend transfers, reassignment, termination and disciplinary actions.

Serve on various community and District committees or organization in a leadership or advisory capacity on matters related to Healthy Start.

Identify, assess and evaluate the needs of referred students and families.

Coordinate with staff, students and families to develop a variety of program activities.

Prepare District and State reports and evaluations related to Healthy Start; maintain related records; prepare newsletters, special announcements and other communications to promote Healthy Start activities and opportunities for distribution to students, families and staff.

Assist school staff in areas related to parent involvement and parent education, such as open house activities to encourage participation within the program; link parents to workshops and other resources within the community.
Assist in the development and implementation of community wide projects such as job fairs, health fairs, dental screenings, immunizations and others; coordinate with existing District and community resources and community leaders; participate in activities and projects as assigned.

Maintain and monitor program budget for sustainability as a program goal; participate in raising supplemental funding as required.

Operate a computer and assigned software; operate standard office equipment; drive a vehicle to various sites to conduct work.

Perform related duties as assigned.
