ELK GROVE UNIFIED SCHOOL DISTRICT

CLASS TITLE: MANAGER-MAINTENANCE AND OPERATIONS

BASIC FUNCTION:
Under the direction of the Director-Maintenance and Operations, plan, organize and direct the activities and operations of the maintenance department; coordinate and manage a comprehensive grounds maintenance and custodial care program for buildings and grounds areas owned or operated by the District; plan and present in-service training programs; evaluate and test products and equipment; assist and advise site administrators with regard to building care and cleaning of the site and personnel issues; train and supervise the performance of assigned personnel.

ESSENTIAL FUNCTIONS:
Plan, organize and direct the activities and operations of the maintenance department; coordinate and manage a comprehensive grounds maintenance and custodial care program for buildings and grounds areas owned or operated by the District; provide timely and consistent services for District properties; review and inspect work in progress and completed projects to assure compliance with related federal, State and District rules, regulations and work orders.

Train and supervise the performance of assigned personnel; interview and select employees and recommend transfers, reassignment, termination, and disciplinary actions; assist and advise site administrators and other staff members regarding the screening, hiring, and evaluation of staff and matters requiring corrective personnel action.

Provide technical expertise, information, and assistance to the Director regarding assigned functions; participate in the formulation and development of policies, procedures, and programs as requested.

Prepare and maintain a variety of reports, records, and files related to assigned activities and personnel; communicate with administrators, personnel and outside organizations to coordinate activities, resolve issues and conflicts and exchange information.

Confer with District personnel regarding maintenance needs; review maintenance reports and work orders to determine materials, labor and time requirements; maintain an accurate inventory and accounting of maintenance department parts, supplies, and tools; confer with administrators and supervisors regarding the care, cleaning, and maintenance of facilities; assist administrators in the development of maintenance standards.

Research, test, and demonstrate new supplies and equipment; make recommendations regarding the purchase of new supplies and equipment.

Review scheduled work at various sites; prioritize and coordinate duties and assignments to assure effective workflow and facility operations; conduct scheduled site inspections; inspect completed work by employees for accuracy and compliance with instructions and established standards.

December 2013
Work from verbal and written instructions, review blueprints, sketches, specifications, and work orders; review work at District sites as needed; assist in the preparation and distribution of bidding materials for outside contracts; work from blueprints, shop drawings and sketches.

Participate in the development and preparation of the annual preliminary budget for the maintenance and grounds department.

Develop and conduct staff orientations and trainings for new personnel; deliver a variety of informational and instructional meetings and programs for staff to assure safe and proper work practices, cleanliness and appearance; conduct in-service programs for the proper operation and maintenance of equipment;

Attend a variety of meetings, workshops, and conferences to maintain current knowledge of laws, codes, rules, and regulations; represent the maintenance department at District level meetings.

Operate a variety of office equipment including a computer and assigned software to prepare and maintain a variety of reports, records, and files related to assigned activities.

Operate and maintain power and hand tools and motorized equipment used in grounds maintenance activities and a variety of custodial equipment including a floor stripper, buffer, vacuum cleaner, and small power and hand tools.

Respond to emergency and non-emergency calls as needed; assure substitute coverage as necessary.

Drive a vehicle to visit work sites

**DEMONSTRATED KNOWLEDGE AND ABILITIES:**

**KNOWLEDGE OF:**
