One-Time Death Benefit Recipient Information

DESIGNATION FOR THE DEFINED BENEFIT (DB) AND DEFINED BENEFIT SUPPLEMENT (DBS) PROGRAMS
Under the Defined Benefit (DB) Program this form is for the purpose of designating recipient(s) to receive the One-Time Death Benefit payable in the event of your death. If you are an active member at the time of your death any accumulated contributions in your account will be paid to the designated recipient(s) only if no Option Beneficiary was selected to receive a continuing benefit after your death, or you have no spouse, registered domestic partner or children eligible to receive a Family or Survivor Benefit Allowance after your death.

Under the Defined Benefit Supplement (DBS) Program, if your death occurs before retirement, the recipients designated on this form may be eligible to select an ongoing annuity or a lump-sum payment. If your death occurs after retirement, the recipients designated on this form may be eligible for an ongoing annuity you selected at the time of your retirement.

ELIGIBILITY REQUIREMENTS FOR THE DEFINED BENEFIT PROGRAM
The designated recipient(s) is eligible to receive the one-time death benefit if you:

1. Were receiving a service retirement benefit or disability retirement allowance at the time of death.
2. Had earned at least one year or more of service credit and your death occurred during one of the following periods:
   • while in employment for which creditable compensation is paid; or
   • while receiving or eligible to receive a disability allowance; or
   • within four months after you terminated employment or had last earned service credit; or
   • within four months after termination of a disability allowance, if no service was performed; or
   • within 12 months of the last day for which creditable compensation is paid, if you were on an approved leave of absence without compensation for reasons other than disability or military service.
3. Had worked part time and your death occurred within four months after ending employment or earning service credit.

In addition to these qualifications, if you had taken a refund of contributions or had reinstated after retirement, you must also have:
   • earned one year of service credit; or
   • six months must have elapsed since reinstatement from disability retirement.

IMPORTANT FACTS
This form does NOT designate a beneficiary to receive a continuing monthly retirement option upon your death nor does it alter existing option choices.

This form remains in effect until either a new One-Time Death Benefit Recipient form is filed, or your membership in CalSTRS is terminated by a refund of your accumulated contributions. It is important to keep this form current.

A completed form must be received and accepted by CalSTRS before your death to be valid.

If your designated primary recipient(s) predeceases you, any benefit due will be paid to your secondary recipient(s), unless you file a new form. If CalSTRS is unable to locate your designated recipient(s), the One-Time Death Benefit will be distributed to the best of our ability according to the laws in existence at the time of your death.
