

Elk Grove Unified School District  
BTSA Induction Program

**EXPECTATIONS OF PARTICIPATING TEACHERS**

The responsibilities of the beginning teacher participant are:

- Participate in weekly meetings with your consulting teacher.
- Participate in Professional Development activities, which support the *Formative Assessment for California Teachers (FACT)* and the *California Standards for the Teaching Profession (CSTP)*.
- Complete FACT activities that include:
  - collaborating with a consulting teacher
  - participating in the inquiry process
  - creating and implementing an Individual Learning Plan based on the CSTP and student content standards
  - examining student work
  - analyzing the teaching/learning context
- Maintain and organize FACT module folders which provide a basis for continued examination of professional practice and growth.

I understand that information gathered in the BTSA/FACT process is confidential and will not be used for teacher evaluation purposes. I understand, however, the contents of my FACT modules will be reviewed exclusively for ongoing BTSA program evaluation purposes.
