

Cosumnes River Elementary

Local Control Accountability Plan (LCAP) 2015 - 2016

Principal (Print Name): _____

(Signature): _____

**Elk Grove Unified School District
Elk Grove, California**

Approved by the Elk Grove Unified School District Board of Education on _____

*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement

Goal Setting

State Priorities Conditions of Learning:

- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
 - Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:

- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
 - Priority 8 - Pupil outcomes in specified subject areas

Engagement:

- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
 - Priority 6 - School climate - suspension and expulsion rates, etc.

A. Stakeholder Engagement

Stakeholder Engagement Process	Impact on site LCAP
<p>How have parents, community members, pupils, local bargaining units, and other stakeholders been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?</p> <p>Gathering of input began on August 13, 2013 when our staff reviewed state assessment results and generated a list of needs regarding instruction, communication, and engagement. Gathering of such input is on-going. Venues for involvement of stakeholders include School Site Council meetings, English Learner Advisory Council meetings, Leadership Team meetings, Staff Meetings, Intervention Team meetings, Grade Level Team (GLT) meetings, and PLC meetings.</p> <p>Input gathered at Back to School night from parents, students, and staff via survey</p> <p>Input gathered during SSC meetings from teachers, other school personnel, parents, and pupils on December 3, 2013; February 28, 2014; March 11, 2014; March 25, 2014, and April 8, 2014.</p> <p>ELAC met February 22, 2014 and March 18, 2014.</p> <p>Intervention Team meetings are held weekly, on Thursday mornings from 8-9 a.m.</p> <p>PLC meetings are held twice monthly.</p> <p>Staff Meetings are held twice monthly.</p> <p>Leadership Team meetings were held 9/16/13, 10/21/13, 12/16/13, 2/18/14, and 3/17/14</p> <p>Grade level team meetings are held weekly on Friday mornings from 7:50-8:20.</p>	<p>The SSC and ELAC reviewed input from all stakeholders. They synthesized input to include the following goals in the LCAP over the next three years:</p> <ol style="list-style-type: none"> 1. Provide extended learning opportunities for students 2. Increase parent involvement 3. Increase opportunities for academic support, enrichment opportunities, and social-emotional support o enable all students to access the core curriculum. 4. Increase integration of technology into instruction, student learning, and assessment. 5. Provide teachers with opportunities for professional learning, articulation, planning, and collaboration. 6. Provide necessary resources and training to support student learning.
<p>How have stakeholders been included in the site's process in a timely manner to allow for engagement in the development of the LCAP?</p> <p>Throughout the 2013-14 school year our site has encouraged stakeholder participation to support their understanding of the LCAP through PTA, SSC, ELAC, and other instructional teams.</p> <p>For the 14-15, 15-16 and 16-17 school years, our site will develop a regular meeting schedule to solicit input from all various stakeholders to engage in a dialogue to deepen their knowledge base, build and strengthen our collaboration, and gather input regarding the LCAP.</p>	<p>The ongoing inclusion of our stakeholders allowed them to provide meaningful input that we were able to integrate into the LCAP. This process also allowed us to gather feedback from stakeholder groups that had not previously participated in the school plan development process.</p>

What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the site to inform the LCAP goal setting process?

Data reviewed by the stakeholders included:

12-13 CST Data

12-13 CELDT and AMAO Data

School Accountability Report Card (SARC)

ELA and Math benchmark results (Kindergarten and EGMAP)

Reading Fluency data, including rate, accuracy, phonemic awareness and spelling inventories.

Quality Schools Snapshot Data

Grade Level and site common assessment results

School discipline data, by subgroup

The data reviewed influenced the goals and actions in the following ways:

1. Continue to focus on the implementation of Common Core Standards, including providing professional learning necessary to strengthen and assess progress toward CCSS.
2. Increase opportunities for parents and community to learn about, understand, and engage with the Common Core Standards
3. Implement extended day opportunities for English Learners, gifted students and at-risk student groups, including Foster Youth and Students with Disabilities.

B. Goals, Actions, and Progress Indicators

District Needs and Metrics 1: Students need high quality classroom instruction & curriculum as measured by: <ul style="list-style-type: none"> • Credential/certification audit • Interim assessments • CAASPP • CELDT • College and Career Plan Utilization Report • CAHSEE • AP/IB Assessments 	District Strategic Goal 1: ALL students will receive high quality classroom instruction and curriculum to promote college and career readiness and close the achievement gap.

Students need a safe and engaging academic, social-emotional, and physical school environment as measured by:

- CHKS data
- Discipline data
- PBIS data
- SISWEB data
- Student, staff and parent surveys
- Facilities Inspection Tool
- Attendance data
- Graduation rate
- Retention data

All students will have an equal opportunity to learn in a culturally responsive, physically and emotionally safe environment.

Need: Parents need to be aware of how their child is performing relative to the Common Core Standards and CCSS-aligned standards such as English Language Development Standards. Metric: Reviews of communication documents - report cards, progress reports. Log of Positive Friday Phone Calls	Site Goal 4.2 4.2 Improve and increase the frequency of Teacher-Parent communications regarding student progress that reflects Common Core Standards for reading and math as well as ELD standards when communicating about EL or R-FEP students. Such communications include report cards, progress reports, and Positive Friday Phone Calls.		Increase the frequency of CCSS-aligned communications to 100% for report cards and progress reports. Increase the number of Positive Friday Phone Calls by 50% through a GLT/PLC agreed upon system. 100% of academic communications with parents of ELs should include reference to progress based on the ELD standards as well as CCSS math and ELA.	Continue to monitor and maintain the frequency of communications aligned with CCSS and ELD standards. Positive Friday Phone Calls should increase 100% from the baseline. C. Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.

* = same \$500 allocation for all professional development, workshops, etc

We will best be able to meet subgroup-specific goals through a schoolwide allocation.

IV. Funding

Cosumnes River Elementary - 230
