XII. Discussion Items

1. Board Policy 5127 – Graduation Ceremonies and Activities – Ms. Tina Penna provided the board with a presentation regarding Board Policy 5127, then read for the first time and provided feedback to the proposed policy revisions pertaining to graduation ceremonies.

Proposed revisions to Board Policy 5127 are the result of work from a Community Advisory Committee comprised of community members, parents, and district staff. This committee was convened in June 2016 to address concerns related to an incident which occurred at a high school graduation ceremony in which a graduate was asked to remove a Kente cloth prior to walking the stage. This policy revision recommends that students be allowed limited self-expression at graduation and be permitted to wear one item of personal or cultural significance, in addition to their district-approved cap, gown, and tassel and any school-issued awards.

The following individuals participated on the Community Advisory Committee:
- Joyce Brown: Volunteer, Laguna Creek High School; Concerned African American Parents; Black Student Union
- Tanya Faison: Sacramento Chapter, Black Lives Matter
- Trina Allen: Teacher, Cosumnes Oaks High School; Ally, Black Lives Matter
- Rebecca Person: Parent, Valley High School
- Xanthi Pinkerton: Director, Communications, EGUSD
- Sundeep Dosanjh: Web and Communications Specialist, EGUSD
- Sonjhia Lowery: Director, Learning Support Services, EGUSD
- Charlotte Phinizy: Director, Secondary Education, EGUSD
- Melanie Dopson: Director, Secondary Education, EGUSD
- Tony Limoges: Director, Secondary Education, EGUSD
- Charlane Starks: Program Administrator for Equity, EGUSD

Committee Recommendations

Proposed addition to Board Policy 5127
- The Board of Education recognizes that the diversity of the district’s school communities enriches our schools, strengthens our students’ educational experiences and prepares students as global citizens. Therefore, it is the desire of the Board to authorize limited student-expression at high school graduation ceremonies in order to accommodate and acknowledge students’ desire to demonstrate their individuality and personalized self-expression through the use of symbolic adornment to the graduation dress and regalia.
- It is proposed that students be allowed limited self-expression in the graduation uniform
- One item of personal expression would be allowed:
  - Around the neck (stole, cord, lei, or necklace) or
  - Item attached to the tassel
- Specific criteria would be outlined in AR 5127
- All items would be subject to pre-approval within parameters of appropriate free-speech
- The district will announce pre-approval timeline annually.
- The principal and/or a designee will review each student’s item.
- If the item is approved, a student will receive a confirmation of approval.
- Students must have approval confirmation in their possession at the graduation ceremony.
- If a student’s item is not approved, the student will have the right to appeal and/or present an alternative item within the appropriate timeline.
A student may be prohibited from wearing any item of adornment which has not been pre-approved.

**Next Steps if approved on November 15, 2016:**
- Finalize implementation process with input from Principals and Vice Principals
- Create and publicize timeline for Pre-Approval Process
- Implement Board Policy and AR for all 2017 graduations for both comprehensive and alternative high schools
- Evaluate implementation of new graduation attire policy after graduation

**Proposed changes to Ceremony Oversight:**
- Two Directors of Secondary Education will be present at each comprehensive high school’s graduation ceremony to address any issues referred by site administration
- It will be expected that issues be addressed in a non-confrontational manner
- Law enforcement will intervene only if:
  - There is an emergency that compromises students’/staff’s health and safety
  - There is a clear and immediate danger for students, staff, or guests
  - Their assistance is requested by District administration and falls within District guidelines for Law Enforcement intervention
- Parents will be notified of any problems as soon as is realistically possible
- Provide training for vice principals, activities directors, and other staff involved in ceremony regarding policy, process, and alternatives to student’s removal from the graduation ceremony
- Establish Quarterly Meetings with Committee Members facilitated by the Office of Equity to assess progress on addressing interests
- Engage parents and community members in actively participating on a variety of district and school committees

Board members provided feedback and held a discussion.

After the presentation, Ms. Singh-Allen announced that this item would be brought back for action at the November 15, 2016 board meeting.

2. **Resolution to Participate in the Sacramento Regional Zero-Emission School Bus Deployment Project** – Mr. Robert Pierce provided the board with information about a resolution to participate in the Sacramento Regional Zero-Emission School Bus Deployment Project.

The Elk Grove Unified School District operates one of the cleanest fleets in California, with a goal of improving air quality for our students and the community. The fleet includes buses powered by CNG (compressed natural gas) and Propane fuels.

The California State Legislature has recently approved $50 million in funding for partnerships to provide new technology with all electric, zero emission school buses. Partnering with Sacramento Metropolitan Air Quality Management District (SMAQMD) and the Sacramento City Unified and Twin Rivers Unified School Districts, we have tentative approval to participate together to purchase new technology with all electric school buses. This project will help accelerate the deployment of commercially available heavy-duty, zero emission school buses and to provide direct public benefits to Disadvantaged Communities throughout our District.
As a part of this grant program the District will purchase 10 new zero-emission, battery-electric school buses, all of which will service students in our Disadvantaged Communities. These buses will provide improved air quality, and state of the art equipment and training for our staff. Grant funding includes operational expenses with upgraded electrical infrastructure, and 10 charging stations for onsite fueling.

The District will receive $3,168,913.00 in grant funds towards the purchase of buses, infrastructure necessary for on-site fueling, a portion of ongoing operational costs (driver wages, support staff training, fueling charges). The District commitment is $612,983.00 in cash from the General Fund, as well as $1,215,675.00 in “in kind” funding which includes drivers’ wages, Director, Fleet Manager, clerical support, training, and vehicle maintenance. Buses are anticipated to be available in spring 2017.

After the presentation, Ms. Singh-Allen announced that this item would be brought back for adoption at the November 15, 2016 board meeting.

XIII. Discussion/Action Items

1. Adopt Resolution of Intention to Convey an Easement for Public Road and an Easement for Public Way and Pedestrian Purposes at the Charles Mack Elementary School Site, and set a Public Hearing for these Easements – Motion No. 38, 2016-17 | The City of Sacramento requested that the District formally convey two easements associated with the newly constructed bus lane at the Charles Mack Elementary School site.

The City requests that the District grant these easements to align public access, sidewalk, curb, gutter and street construction with the new layout of the recently completed bus lane on Tangerine Avenue, constructed as part of the Parking Lot Expansion Project, which serves the Charles Mack Elementary School site.

Motion by Mr. Madison, seconded by Mr. Forcina, and carried unanimously by affirmative votes of all Board members present that Resolution No. 34, Intention to Convey an Easement for Public Road and an Easement for Public Way and Pedestrian Purposes, at the Charles Mack Elementary Site be adopted. A public hearing was set for November 15, 2016 in the Board Room at 6:00 p.m.
