### A. Stakeholder Engagement

#### Involvement Process for LCAP and Annual Update

##### How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

The following opportunities for stakeholder involvement were provided:

- Gathering of input began on December and is on-going
- Parents were involved in the revision of the LCAP through discussions and completion of the LCAP Needs Assessments at the following meetings:
  - COLTS PTO meeting - April 25, 2017
  - Parent University - December 7, 2016
  - English Learner Advisory Council - January 24, 2017
  - Second Chance Parents – January 18, 2017
- At department meetings and a faculty meeting, teachers and administration were engaged in the revision of LCAP during December 12, 2016. Students shared their input through student leadership and student senate meetings in March.
- In addition, School Site Council meetings reviewed and provided input on the revision of LCAP, which included teachers, other school personnel, parents, and students, on February 9, 2017, March 30, 2017, and September 21, 2017.

#### Impact of LCAP and Annual Update

##### How did these consultations affect the LCAP for the upcoming year?

Our site developed a timeline to ensure that stakeholders are engaged in a timely, efficient manner in the development of the LCAP. Throughout the 2016-17 school year, our site encouraged stakeholder participation to support their understanding of the LCAP/LCFF. We held informational meetings that allowed stakeholders to engage in a dialogue to deepen their knowledge base, build collaboration, and gather input regarding LCAP/LCFF. The results showed that our plan should focus on the following initiatives:

- a. Instructional support – CCSS, ELD, Special Education (materials, professional learning/coaching, technology, assessments)
- b. Parent and family engagement, education and communication
- c. Extended learning (before/after/intersession/summer), includes tutoring and mentoring
- d. EL support (student, staff and parent support)
- e. Behavioral support (counseling, psych, LCSW, MHT) for all students and targeted subgroups (EL and FY particularly)
- f. Safe, secure and well maintained facilities/learning environments (staff, buildings, equipment)
- g. College and career preparation: GATE/Honors/AP, course access, Linked Learning, AVID
- h. Professional learning (certificated, classified and leadership)
- i. Technology and related training to support teaching and learning for students, staff and parents
- j. Educational equity – focused efforts to reduce opportunity and achievement gaps
