ELK GROVE UNIFIED SCHOOL DISTRICT

CLASS TITLE: ACADEMIC INTERVENTION TEACHER

BASIC FUNCTION:

Under the direction of the site principal, provide leadership and support for the assessment, implementation and evaluation of the District K-12 curriculum and instruction programs at assigned school sites in order to eliminate the achievement gap. The intervention teacher will focus on the instructional needs of students scoring below the 25th percentile on standardized tests and English Language Learners.

ESSENTIAL FUNCTIONS:

Plan, implement, monitor, and assess an instructional program for students scoring below 25th and ELL that is consistent with District standards and benchmarks.

Diagnose curricular weaknesses through interim assessment and appropriate differentiated instruction.

Assess student skills and assist staff with analyzing and interpreting related data.

Assist classroom teachers and learning centers with identifying the appropriate interventions for students.

Diagnose the needs of English Language Learners and develop an instructional plan to meet their needs.

Provide professional development and instructional support concerning research and teaching techniques.

Deliver reading and mathematics instruction that is aligned with the content standards approved by the Board of Education.

Demonstrate the application of the California Standards for the Teaching Profession in delivering instruction to students.

Collaborate with site administrators, program personnel, students and parents to enhance instructional programs so that they support individual student needs.

Participate in curricular and extra-curricular school programs, assessment and development activities, student supervision and control, and staff, parent, department and District meetings.

Communicate regularly with parents regarding student progress observed, needs or problems and special accomplishments.
Intervention Teacher - Continued Page 2

Develop and communicate curricular and instructional plans and objectives to students and parents including course descriptions, performance expectations and other pertinent information to allow parental monitoring; review with the Principal as necessary.

Assist with instruction to students with special needs in accordance with IEP utilizing support services as appropriate; participate in IEP meetings as appropriate.

Maintain records regarding student progress including special education students in accordance with site and District policy; prepare reports regarding students and classroom matters as directed.

Develop lesson plans in accordance with site and District policy, and practice and specific plans for substitutes as necessary.

Perform related duties as assigned.

DEMONSTRATED KNOWLEDGE AND ABILITIES:

KNOWLEDGE OF:
