Goal Setting

State Priorities

Conditions of Learning:

- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:

- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:

- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum

- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action

- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness

- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement

- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update
<p>How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?</p> <hr/> <p>Ongoing stakeholder engagement is key to the planning and review of our site LCAP process. Input and data analysis is facilitated through multiple measures including surveys, formal meetings and informal conferences with staff and parents throughout the year, including Leadership Meetings (6/22/17, 8/21/17, 9/5/17), Staff Meetings (8/8/17, 8/28/17, 9/11/17), School Site Council Meetings (4/3/17, 8/21/17 (a), 8/21/17(b), 9/18/17), English Language Advisory Committee meeting (8/30/17), Back to School Night (8/8/17), Staff Gifted And Talented Education meeting (8/31/17), School Site Council LCAP training (9/6/17), and Parent Teacher Organization meetings (7/10/17, 8/14/17, 9/11/17).</p>
Impact of LCAP and Annual Update
<p>How did these consultations affect the LCAP for the upcoming year?</p> <hr/> <p>Achieving ongoing broad stakeholder discourse results in engaged stakeholders who help contribute to the developing, implementing and monitoring of our LCAP. These consultations and review of data have provided input such as maintaining our after school Launch Pad Academy program for students at-risk and increasing professional development time for grade levels including vertical articulation. Surveys provided to parents and staff indicate the Elliott Ranch community asks for programs around art, music, PE and STEM. Additionally there is a desire to increase the number of computer devices in the classroom.</p>

District Strategic Goal 2:

All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

District Needs and Metrics 2:

Students need high quality programs and services driven by assessment, data analysis, and action as measured by:

- Assessment System
- Data and Program Evaluation
- Student Information System

Site Goal 2.1

The Elliott Ranch staff will operate as a high functioning Professional Learning Community (PLC) in order to identify and effectively utilize best practices in Common Core reading and math instructional strategies, analyze common formative assessment data, and make modifications of instruction based on the data.

Metric: Data and Program Evaluation

Actions/Services 2.1.1

Principally Targeted Student Group

- All

Specific Actions to Meet Expected Outcome	What is the Research Confirming this is an Effective Practice?	How will you Measure the Effectiveness of the Actions/Services?
<p>All teachers will participate in weekly grade level PLC meetings and the cycle of inquiry to improve student achievement and help close the achievement gap. Teachers will share best practices, develop common assessments, review student data, develop interventions and enrichment opportunities for struggling and accelerated learners. Teams will develop a clear and coherent assessment system that encompasses formative, interim and summative assessments. Teachers are participating in Project Lead The Way, OGLR (On Grade Level Reading) and implementation of Next Generation Science Standards. PLC meetings will be held every Wednesday during early out time. Once a month the PLC team will focus on mathematics specifically from the Math Generation Grant.</p>	<p>Hattie's Visible Learning research indicates collective teacher efficacy has a 1.57 effect size and quality instruction has a 1.0 effect size.</p>	<p>Grade level PLCs will meet weekly and submit their agendas and notes. Administration will observe and collaborate during weekly meetings. CAASPP, K/1 assessments, grade level formative assessments, Classroom walk throughs.</p>

What funding source will you use?

General Fund-weekly meetings are embedded into the teachers work week at no additional cost.

Site Goal 2.2

Elliott Ranch teaching staff will be given access to an instructional coach to provide support in the areas of demonstration lesson, peer observations, data analysis, lesson planning and design, CCSS instructional strategies, and PLC/common assessment implementation.

Metric: Data and Program Evaluation

Specific Actions to Meet Expected Outcome	What is the Research Confirming this is an Effective Practice?	How will you Measure the Effectiveness of the Actions/Services?
<p>The PBIS Tier I team will meet once a month and the PBIS Tier II team will meet every other week to review student needs. The team will work toward increasing interventions instead of consequences, increasing the number of blue "Rocket " tickets given for positive behaviors, implement social groups/MHT referrals, continue to support Watch DOGS program, and share school wide data with staff. In order to increase supervision during recess, the number of yard supervisors increased to typically four a day. School wide displays of our three expectations: Be Safe, Be Respectful, Be Responsible with specific behaviors will continue to be posted throughout campus. School focuses on character traits each month. Students receive character awards once a month during assemblies. We will also host character building/positive behavior school-wide assemblies.</p>	<p>Blonigen, B., Harbaugh, W., Singell, L., Horner, R.H., Irvin, L., & Smolkowski, K. (2008).
