*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
State Priorities

Goal Setting

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Various BCMES stakeholder groups provided input to the 2020-2021 LCAP. Throughout the school year, we shared various assessment data and trends as applicable, during the meetings ad received input for measurable goals. Beginning Year Assessments, SBAC data, ELPAC, PBIS, and grade level data were used to determine various groupings within the . Stakeholder input forms are available and solicited from all visitors to the school office as well as other events and activities throughout the year. Specifically, the following opportunities were provided for stakeholder input during the 2019-2020 school year:

We have continues to receive input from and meet with all stakeholders regularly throughout the year. Some examples are;

10/22/2019 (Kinder), 11/14/2019 (1st), 12/10/2019 (4th), 12/12/2019 (4th and Digital Citizenship), 01/16/2020 (Digital Citizenship), 3/3/2020 (2nd): Parent University Meetings

Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Site goals and expenditures were based on input and feedback from multiple committees and stakeholder groups. For the upcoming school year, we decided to focus on digging deeper for professional development in the area of Guided Reading and becoming an AVID school. We
agreed to continue the focus on Visible Learning, stronger PLCs, SEL/Culturally Responsive student supports. Due to Covid-19, where necessary, we will offer professional learning as it relates to Distance Learning. There will be an increase in site-based training using the TOT and district Coach models.

Goals, Actions, and Progress Indicators

District Strategic Goal 1:
All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

District Needs and Metrics 1:
Students need high quality classroom instruction and curriculum as measured by:
- A-G Completion
- Access to Courses (Honors, AP/IB, CTE)
- AP/IB Exams
- CAASPP
- Content Standards Implementation
- CTE Sequence Completion
- EAP
- Other (Site-based/local assessment)
- Progress toward English Proficiency
- Redesignation
- Teacher Assignment

Site Goal 1.1
Guaranteed and Viable Professional Learning Opportunities: Professional Development, Effective PLCs, Collaborative Coaching Models

High quality first instruction aligned with state standards, grade level lesson design, learning intentions and success criteria, provide guaranteed, viable and targeted instruction for students assessed at or below grade level standards. Through the utilization of grade level PLCs, instructional coaches, professional development, release time and conference opportunities (aligned with school-wide educational focus), and we will:

Increase by 3-7% or more the overall school-wide percentage of students meeting or exceeding standards and benchmarks by providing intensive, targeted, small-group or one-to-one instruction throughout the school year.

- ELA CAASPP increase between 3-7% or higher - Meeting or Exceeding Standards *
- Math CAASPP increase between 3-7% or higher - Meeting or Exceeding Standards *
- Increase the EOY ELA Benchmark between 3-7% or higher (Grades K-2)
- Increase the EOY Spelling Inventory scores between 3-7% or higher (Grades 3-6)
- Increase the EOY I-Ready diagnostic assessments between 3-7% or higher (African American, Hispanic, Asian, EL, SpEd and SWD students)
- Increase the EOY Fluency scores with accuracy between 3-7% or higher (African American, Hispanic, Asian, EL, SpEd, and SWD students)

*Based on 2019 data due to 2020 COVID-19 CAASPP Assessment Waiver

Metric: Other (Site-based/local assessment)

Paraprofessionals will be utilized to assist struggling readers in Grades 4-6. The effects of I-Ready Instruction in reading and mathematics have been evaluated in multiple studies. For example, Hattie (2018) found that I-Ready has a large effect size for improving reading comprehension (ES = .58) and second chance programs (ES = .50).

To address the needs of children most at risk of reading failure, instructional components need to be made more explicit and comprehensive, more intensive, and more supportive in small group or one-on-one formats. Research Article: John Hattie, Visible Learning for Teachers: Maximizing Impact on Learning

CAASPP Waiver, our goal is to increase this to 55% in Spring 2021. According to school-wide assessments (Spelling Inventory, Fluency Records, I-Ready), 46% of our students in grades K-6 were determined to be on grade level. With the consistent guidance of the coaches and Fountas & Pinnell Running Records, the benchmark goals are 50% by October 2020 and to 55% by February 2021. 100% of our classes have implemented the use of I-Ready as a diagnostic assessment (Once per Trimester). 55% of our classes have met the 30 minutes a week of I-Ready online instruction in Rdg during 2019-20. We will increase to 70% by June 2021.

Effectiveness will also be measured using informal observation and teacher surveys. Outcomes will be assessed and data will be reviewed three times during the year—at the beginning of the school year, at the end of the 2nd trimester, and again at the end of the school year.

According to the California Dashboard Accountability Grid, our school placed in the GREEN grid for the 19-20 school year, our goal would be to be placed in the BLUE GRID in the areas of ELA and Math. Thus, increasing our total 12 points. For our significant subgroups, our goals are as follows:

- EL STUDENTS: From Green to Blue
- SOCIO-ECONOMICALLY DISADVANTAGE: From Yellow to Green
- AFRICAN-AMERICAN: From Orange to Yellow
- HISPANIC: From Yellow to Green
- ASIAN: From Green to Blue
- SPECIAL EDUCATION: From Red to Orange

- R-FEP

**Specific Actions to Meet Expected Outcome**

1. **Owls Afterschool Academy Coordinator** will organize, coordinate teaching schedules, and monitor post-academy assessments ensuring their alignment with the school wide focus.

   Off-track small group instruction; Purchase teacher professional development materials. Purchase student supplies for workshop, intervention, enrichment, LINKED IN and EXTENDED DAY. Items may include but are not limited to replacement bulbs for projectors, copy paper, masters/ink cartridges for intervention copies, and district print shop orders.

   Other teacher resources may include books, leveled readers, small white boards, dry erase markers, paper, pencils and other similar materials used to assist students at their instructional levels.

   - SBAC, SMART GOALS, and Program Assessments, Sign up sheets; Pre/Post Academy assessments, ELPAC, CAASPP
   - 1. Reading Fluency rate and accuracy collected each trimester.
   - 2. K/1 Benchmark trimester data.
   - 3. Decreasing number of students needing focused intervention with foundational reading skills.
   - 4. Increase overall average scale score improvement of 10 points as measured by CAASPP (currently 12.4 points below standard)

### Actions/Services 1.1.4

**Principally Targeted Student Group**

- All

**Specific Actions to Meet Expected Outcome**

1. **Provide substitutes, release time, site planning and Professional development in the area of early literacy to increase academic achievement.** Additional opportunities including release time for teacher collaboration, calibration, PLC development, analysis of student data to increase math proficiency. In addition, teachers will offer in the area of How to help your child with numeracy and academics.

2. **Grade Level Data Analysis:** Provide teacher release time for teachers to analyze data and collaborate around research-based instruction.

**What is the Research Confirming this is an Effective Practice?**

   - *Improved student achievement according to our School Site Running Records*
   - *Surveys from professional development sessions.*
   - *Guided Reading Best Practices/Success Indicators will be developed through the collaboration of Coaches, Teachers, and Administration.*

   According to the California Dashboard Accountability Grid, overall our school placed...
practice (such as Guided Reading and Running Records, AVID, Visible Learning, EL grouping, lesson planning, student assessment calibration/review) that leads to high quality initial instruction to close the achievement gap in addition to their regular 1.5 hours of PLC time on Late Start Thursdays.

3. Professional Development: I-Ready

Provide more in depth professional development for all teachers on how to further utilize the I-Ready integrated blended learning program for ELA and Math in order to assess and measure mastery of standards, identify specific needs for the whole class or small groups for reteaching, identify patterns across groups of students in order to plan small group instruction, personalize learning paths and monitor student growth over time. I-Ready has been submitted and is going through the review process. It is temporarily approved for the 2020-21 school year unless it is adopted by the Board for future use.

Provide culturally responsive professional development for certificated and classified staff.

Provide professional development to support Social Emotional Learning as a result of COVID 19 and Distance Learning.

Professional Development/articulation for implementation of Illuminate assessment program.

4. Collaboration time with Instructional coaches, Intervention teachers, resource team and administration to analyze metrics, student data, learning intentions and success criteria.

Writing Academy & Math Gen Strategy Trainings - Through the guidance of the coaches, the staff review best practices within EGUSD:

5. Calibration of Writing Rubrics ensure school-wide use of consistent exemplars in every classrooms across multiple genres. Thus, aligning with the CCSS and preparing students to master grade level standards; 2) Calibration of Math Assessments and continued review of Math Generation Strategies.

6. Professional Development: AVID

Have two grade levels trained in AVID School-wide focus to offer AVID professional development opportunities cross to additional grade levels.

Goal: Utilize AVID membership to offer WICOR best practices. Next steps include: AVID Membership; Summer Institute; AVID PLC meetings; AVID release days for site planning

Primary students, grades K-3, will continue to increase competency interacting with grade level text resulting in increased reading comprehension, fluency with accuracy vocabulary development

Though there has been significant growth in the areas of ELA (9.1 +) and Math (10are .2+), CAASPP scores reveal that African American, EL, and SWD are in need of additional academic support.

1% or more increase on the CAASPP for the following target groups. by June 2021
African American (Yellow - Green)
Hispanic   (Green to Blue)
EL (Yellow to Green)
SWD (Orange to Yellow)

### Notes:

- Students will make a 3-5% gain as measured by grade level benchmark assessments, district common assessments, and CAASPP results in ELA and Math. Students will reach grade level SMART goals as measured by grade level program assessments. Growth will also be measured using the online program assessments including but not limited to the AR STAR assessment.

- Effectiveness of the programs will also be measured using online user data and teacher feedback.
