Approved by the Elk Grove Unified School District Board of Education on

*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
Local Control Accountability Plan (LCAP) 2020 - 2021 - Charles Mack Elementary ES

Goal Setting

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update

Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

These consultations positively impacted the creation of our LCAP this year as transparency, cooperation, and consensus-building continue to be the center pieces for the work that was done and will be done. Through this inclusive model, all stakeholders were able to ask questions, make suggestions, contribute, and vote on the spending plan as outlined in Section B. Decision making included, but was not limited to:

- Maintaining current AIT positions for 2020-2021 at 2
- Use of iReady, Guided Reading, DOK formative assessments, reading rate and accuracy to determine intervention needs
- continued commitment to layering our equity work through additional PD
- Continued implementation of master schedule
- Continue implementation of our school-wide writing program
- Additional release time for student assessment and data analysis

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.
Our school was identified as an Alternative Targeted Support and Improvement school due to chronic absenteeism (orange) and our high suspension rate (red) due to two of our subgroups: Students With Disabilities and African American students. As a result of our needs assessment, additional resources have been allocated to support the increase in achievement and decrease in exclusivity through suspensions:

- Assessment data is collected each trimester on small group intervention with specific learning goals for our students. Academic Intervention teachers, classroom teachers, and extended day program are supporting this targeted need.
- Our Tier 2 Team and grade level PLCs collaborate on a regular basis to gather and study data, and target specific students for increased support and intervention in the classroom, outside of the classroom (in general settings), and in special programs run by our MHT, counselor, and extended day program.

MHT support for small groups; MHT meeting with grade level PLCs: 2 per week to check-in and get updates on students - Wednesdays

Teachers and other staff members will receive professional development in restorative practices

Teacher will meet during grade level PLCs to plan and collaborate on focus subgroups using suspension and referral data, class assessment data, and attendance data.

Teachers will meet trimesterly with AITs and administration to plan and collaborate on focus subgroups using suspension and referral data, class assessment data, and attendance data.

SOA will daily call absent students; classroom teacher and administrator will make regular contact with chronically absent students; incentives for attendance include monthly pizza party for class with highest attendance; weekly attendance updates and encouragement through

Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in Actions, Services, and Expenditures above.

Charles Mack is not below 40% of enrollment of undocumented pupils
