Elizabeth Pinkerton Middle School

Local Control Accountability Plan (LCAP) 2020 - 2021

Principal:
(Signature):
County-District-School (CDS) Code: 34673140116871

Elk Grove Unified School District
Elk Grove, California

Approved by the Elk Grove Unified School District Board of Education on

*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
State Priorities

Goal Setting

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

The EPMS School Site Council met on September 4, October 2, February 5 and April 14. The School Site Council provided feedback into the 2019-20 LCAP and assisted with goal development on February 5 and April 14.

In October 2019, staff, students, and parents of EPMS had the chance to provide their feedback into the 2020-21 LCAP.

In January 2020, parents had the opportunity to provide feedback to the principal in relation to goals and student issues at EPMS.

In February 2020, the LCAP survey results were shared with the School Site Council and additional input was solicited.

In February 2020, the EPMS ELAC Committee met in April 2020 and were informed of the LCAP and parents provided input into the plan.

In February 2020, the EPMS staff had the chance to submit budget requests related to the four strategic goals in the LCAP.

Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

All data was compiled and much of it confirms what we are currently doing. Minor revisions will be made using the data. Teachers requested time with colleagues to plan and more Chromebooks. Both of these will be written into the plan. We will also continue to work on making EPMS a safe environment as this was a concern from parents, students, and staff.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

The staff at EPMS has found the use of Chromebooks to be valuable. Not all teachers have access to Chromebooks at all times and must use a sign-up systems. This can inhibit how teachers have students access content and how students are able to demonstrate their knowledge.

Goals, Actions, and Progress Indicators

District Strategic Goal 1: District Needs and Metrics 1:
All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Students need high quality classroom instruction and curriculum as measured by:

- A-G Completion
- Access to Courses (Honors, AP/IB, CTE)
- AP/IB Exams
- CAASPP
- Content Standards Implementation
- CTE Sequence Completion
- EAP
- Other (Site-based/local assessment)
- Progress toward English Proficiency
- Redesignation
- Teacher Assignment

ELA, Math, and Science: Increase the percentage of all students and students in our Principally Targeted Subgroups (PTSGs) with Red or Orange Designations in met or exceeded standards as measured by CAASPP data aggregated by student group and by the California Dashboard.

English Language Arts (ELA)

- All students will increase from 71% to 75% in met or exceeded standards.
- English Learners (ELs) will increase from 16% to 20% in met or exceeded standards. (Orange Designation)
- Students with Disabilities (SWDs) will increase from 17% to 21% in met or exceeded standards. (Orange Designation)

Math:

- All students will increase from 60% to 64% in met or exceeded standards.
- Students with Disabilities (SWDs) will increase from 12% to 16% in met or exceeded standards. (Red Designation)
- African American Students will increase from 31% to 35% in met or exceeded standards. (Orange Designation)

Science is a baseline year.

Metric: CAASPP

Actions/Services 1.1.1

Specific Actions to Meet Expected Outcome | What is the Research Confirming this is an Effective Practice? | How will you Measure the Effectiveness of the Actions/Services?
--- | --- | ---
Teacher Support

1. Increase the quality of instruction students receive through providing teachers with professional development. Professional development will be delivered through local training, attendance at conferences, book studies.
2. Increase the quality of teacher’s instructional delivery through the implementation of technology and software that enhances student engagement and teacher effectiveness.
3. Increase the quality of instruction and curriculum through securing supplies, furniture and office equipment.
4. Continue to improve the quality of Pinkerton’s programs (Schools to Watch network) through an Institutional membership with the California League of Schools (CLS).
5. Purchase radios and a cart to ensure safety on campus and quick response times for teachers who are in need of assistance.

1. Teacher's professional development will be measured through sign-in sheets, conference reports, products produced, and staff survey.
2. Teachers and/or staff will have the necessary technology and software they need to deliver the curriculum to students and support their learning.
3. Teachers and/or staff will have the necessary supplies they need to deliver the curriculum to students and support their learning.
4. Maintain our connection with outside institutions and to maintain our connection with other Schools to Watch schools through the CLS network.
5. Admin will monitor safety on campus and the response times to teachers in need.

Funding Source | Amount | Description of Use

Principally Targeted Student Group

• All
Specific Actions to Meet Expected Outcome | What is the Research Confirming this is an Effective Practice? | How will you Measure the Effectiveness of the Actions/Services?
--- | --- | ---
**Instructional Support**
1. Provide time for new and veteran teachers who struggle with instruction or management with opportunities to observe in other teachers’ classrooms. Observations will take place with an administrator or curriculum coach.
2. Teachers will have two opportunities to participate in Teachers on the Move where they can observe their colleagues on their prep period and be compensated.

1. The administrator will look for new instructional practices to be implemented in the classroom with effectiveness. (Data Source: walkthrough data) Discipline data can be used as a measure if classroom management is a concern. (Data Source: Synergy Reports)
2. Teacher effectiveness will improve based upon new strategies being implemented based on Teacher on the Move observations. Administrators will either observe these strategies and determine the effectiveness or it will be reported by the teacher in follow-up conversations. (Data Source: walkthrough data)

**Principally Targeted Student Group**

- EL

---

**English Learners in ELA**

1. English Learner (EL) students will be enrolled into an English Language Development (ELD) course that will specifically support their assessed level of the English Language as determined by the English Language Proficiency Assessments for California (ELPAC). L1 (newcomers) and L2 students will have an ELD teacher for one period per day and the course will serve as their Humanities class. L3 and L4 students will be enrolled into a standard Humanities course and an ELD support class will serve as the student’s elective course. Course offerings use adopted core curriculum therefore are not tied to the EL Supplemental Source.

2. After school tutoring program run by site EL Coordinator and mentor students from COHS will be offered two days per week to assist EL students with academic support across all subject areas.

3. Increase EL enrollment in honors classes and recruit students for Honors Humanities as they make the transition from 7th to 8th grade.

4. Professional development opportunities for teachers taught by EL coach or other District EL staff member through release days or after school hours. Teachers will gain skills/teaching strategies to effectively EL students.

5. EL Coordinator will attend to maintenance of EL student records including RFP monitoring, EL student identification and course placement, reclassification, and parent communication. Additionally, the EL

August, Diane, et al. Improving Education for English Learners: Research-Based Approaches. 2010.
Olsen, Laurie. "Reparable Harm Fulfilling the Unkept Promise of Educational Opportunity for California’s Long Term English Learner s." (2010).

1. EL students will show academic growth in English Language Development as measured by standardized summative assessments within the designated core curriculum, Inside Curriculum for our L1-Newcomer students and designated core curriculum, English 3D for our L 2-4 students.

2. Increase attendance of EL students to after school tutoring program by 30% from the 2019-20 school year. GPA data will be used as a measurement of improvement.

3. Increase EL student enrollment into Honors Humanities courses by 5% using data from 2019-20 school year. (Data Source: Honors Enrollment Data)

4. Site Administrators will observe new/refined instructional practices as result of professional development. (Data Source: Walkthrough data) Teacher participation in professional development will increase by 10%. (Data Source: PD sign in sheets)

5. The Administrator over EL will meet monthly with the EL Coordinator to ensure that job duties are being fulfilled.

6. All EL students will have a GPA above a 2.0 and will be monitored after each grading period. (Data Source: Synergy Reports) ELPAC scores will show growth on English Learner Progress Indicator (ELPI) from 54% to 57% for the 2020-2021 school year. (Data Source: 2018-2019 ELPI; Percent increased ELPI Level or Remained at Level 4).

7. Teachers and/or staff will have the necessary supplies they need to deliver the curriculum to students and support their learning.
Coordinator along with other certificated site members will attend English Learner Advisory Committee (ELAC) and District English Learner Advisory Committee (DELAC) meetings at a minimum of three times per school year and participate in the annual administration of the ELPAC.

6. EL Coordinator will monitor EL student progress in all courses and find additional support for students if needed. Additional supports are outlined above.

7. Increase the quality of instruction and curriculum through securing classroom supplies and materials.

8. EL Coordinator and support EL certificated staff members will attend site and district level student recognition events to represent EPMS and support families.

9. Translation and interpretation services will be used to support home to school connection through phone calls home and support at ELAC meetings.

</tbody>
</table>
District Strategic Goal 3:
All students will have an equitable opportunity to learn in a culturally responsive, physically and emotionally healthy and safe environment.

District Needs and Metrics 3:
Students need a safe and engaging academic, social-emotional, and physical school environment as measured by:
- Cohort Graduation
- Expulsion
- HS Dropout
- MS Dropout
- Other (Site-based/local assessment)
- School Climate
- Social Emotional Learning
- Suspension

Jump To: District Goal 1 | District Goal 2 | District Goal 3 | District Goal 4 | Justification | Certification

Site Goal 3.1

To continue our work to reduce our suspension rate overall and for our principally targeted student groups.

Suspension Rates will drop. (Data Source: Synergy Report U-IDS 1608)
- From 7.1% to 5.0% for all students.

Suspension Rates will drop for the following groups with a California Dashboard red designation:
- From 19.6% to 10.0% for African American students.
- From 10.5% to 6.0% for Hispanic students.
- From 12.9% to 9% for Socioeconomically Disadvantaged students.
- From 22.7% to 19% for Students with Disabilities.

Metric: Suspension

--- | --- | ---
**Tier 2 PBIS**
Continue the work of PBIS Tier 2 committee who will meet biweekly during the school year.
1. PBIS Tier 2 team and school social worker will review GPA, attendance and discipline data biweekly to develop and implement intervention for struggling students (especially our African American, Hispanic, Low income students and Students with Disabilities).
2. PBIS Tier 2 team will review MTSS forms submitted by teacher teams and counselors to make informed decisions on targeted interventions.
1. Students that are referred to the PBIS Tier 2 team will show an increase (GPA, attendance, etc.) or a decrease (discipline) based on the concerns brought forth by the team and the interventions provided (Data Source: Synergy reports).
2. PBIS Tier 2 team will log and track interventions and timely report back to teacher teams on a biweekly basis (Data Source: PBIS TIPS record keeping and MTSS forms).

**Site Goal 3.3**
To continue to develop a wide range of activities in and out of school for students to participate in.

We will use student reported data from the School Climate Survey:

- The overall School Climate survey will go from 73% favorable responses to 83% favorable responses.
- School Connectedness and Sense of Belonging for all students will go from 66% to 80%

School Connectedness and Sense of Belonging favorable responses will increase for our principally targeted student groups:

- From 60% to 70% for African American students.
- From 68% to 78% for Hispanic students.
- From 63% to 73% for Socioeconomically Disadvantaged students.
- From 62% to 72% for Students with Disabilities.

**Metric:** School Climate

**District Strategic Goal 4:**

All students will benefit from programs and services designed to inform and involve family and community partners.

**District Needs and Metrics 4:**

Students need parent, family and community stakeholders as direct partners in their education as measured by:

- Attendance Rate
- Chronic Absentee Rate
- Family and Community Engagement
- Input in Decision Making
- Other (Site-based/local assessment)
- Partnerships for Student Outcome
- Relationships Between Staff and Families

---

Site Goal 4.1

To increase stakeholder engagement.

- Parent Involvement will increase from 79% to 83% as measure in the Parent Survey.

**Metric:** Other (Site-based/local assessment)

### Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.

EPMS has below 40% of enrollment of unduplicated pupils. The most economical use of funds is to include low performing and struggling students into intervention classes, utilize the PLC model to make curriculum accessible for all, and to create tutoring opportunities outside the school day to assist students. In addition, honors, AVID, and high school linked electives are available to all students.
