Students identified and recommended as GATE will have opportunities for enrichment. Monies will be used not only for materials, but for salaries and stipends for GATE classes as well.	Schools have reported improvement in their lower performing students when consistent intervention in small groups is provided.  Hattie's effect size of instructional strategies is the main basis for this decision. The school will supplement 4.5 hours per week of the librarian's salary that is not currently covered by the school district.	In order to achieve academic goals, students need access to reading material and individual(s) knowledgeable in the various genres and themes. This not only can foster a love of reading and increase fluency/comprehension, but can support the teacher with classroom learning as well.  Based on John Hattie's book <u>Visible Learning</u> and his research of effect sizes:  <b>Interventions for students with learning needs 0.77</b> <b>Repeated reading programs 0.75</b> <b>Exposure to reading 0.43</b>	Reduction of lost or non-returned library materials Improved organization of library materials Purchase of new library materials Implementation of two Scholastic Book Fairs Manage textbook ordering for new and continuing students Annual inventory of student textbook

### Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.

This is not applicable to Elk Grove Elementary.
