**Involvement Process for LCAP and Annual Update**

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our staff worked together to review and analyze last year’s LCAP plan and it’s impact on students as it relates to the Eight State Priorities and EGUSD’s four Strategic Goals. The Leadership Team met throughout the year to discuss actions and services that would appropriately support students and teaching. Staff was provided a survey to seek input for goal setting for 2020-2021 school year. Our PBIS Team meets biweekly to track student discipline data and both teams will complete the PBIS Fidelity Inventory to assess our progress towards our goals. SCC meetings Fall 1 - September 17, 2019, Fall 2 - October 14, 2019, Winter - February 11, 2020, Spring 1-May 5, 2020, Spring 2-May 18, 2020 PBIS monthly meetings ELAC meetings Fall 1 - September 17, 2019, Fall 2 - October 14, 2019, Winter - February 11, 2020 Parent Teacher conferences throughout the year, Parent information/Title 1 and informational meeting August 15, 2019 staff meetings and collaboration, both formal and informal weekly and monthly

**Impact of LCAP and Annual Update**

How did these consultations affect the LCAP for the upcoming year?

There was consensus on strategic goals from all stakeholders, staff and leadership teams. Outcomes were evaluated and planned for the upcoming year. Collaboration with the various teams, stakeholders and resources allows us to get a clear direction to keep moving forward as a unit. These relationships allow for many opportunities for input, collaboration and consensus regarding our measurable outcomes of our school site and unique student population. The consensus of ideas from our various stakeholders are seen throughout the four goal areas.

**Resource Inequities**

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.
