Local Control Accountability Plan (LCAP) 2020 - 2021

Principal:  
(Signature):  
County-District-School (CDS) Code: 34673143432002

Elk Grove Unified School District  
Elk Grove, California

Approved by the Elk Grove Unified School District Board of Education on  

*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
**State Priorities**

**Conditions of Learning:**
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

**Pupil Outcomes:**
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

**Engagement:**
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

**Strategic Goals**

**Goal 1: High-Quality Classroom Instruction and Curriculum**
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

**Goal 2: Assessment, Data Analysis, & Action**
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

**Goal 3: Wellness**
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

**Goal 4: Family and Community Engagement**
- All students will benefit from programs and services designed to inform and involve family and community partners.

**Stakeholder Engagement**

<table>
<thead>
<tr>
<th>Involvement Process for LCAP and Annual Update</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?</strong></td>
</tr>
</tbody>
</table>

Stakeholders were engaged through the following methods
- Leadership meetings
- Staff meetings/ Staff meeting data Sept. 26, 2019
- LCAP needs survey
- School Site Council/ELAC data review Dec. 10, 2109
- ELAC meeting; Sept. 26/19, Oct. 23/19, Dec. 10/19, Apr. 22/20
- Parent survey
- EGUSD Culture/Climate survey
- Back to School Night - Aug. 29, 2019

LCAP metrics and DASS (Dashboard Alternative School Status) date were analyzed with stakeholders in developing the plan, especially looking at the following data:
- Graduation rate
- Attendance/Chronic absence
- CAASPP scores
- EL Re-designation data
- Family and Community Engagement

**Impact of LCAP and Annual Update**

**How did these consultations affect the LCAP for the upcoming year?**

Decisions were made through analyses of the following:
- CAASPP data
- Attendance/Chronic absenteeism data
- Student grades, credits earned/quarter
- Culture and Climate surveys
- CTE enrollment and completion
- EL Redesignation data
- PBIS Tier fidelity Inventory
- Discipline data
Leadership and staff meetings were spent analyzing the data and made recommendation for the LCAP goals and expenditures. A result of the analyses was to continue with the goals.

**Resource Inequities**

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Our school was identified as Comprehensive Support and Improvement because the graduation rate did not meet required target and needs additional targeted support to meet growth goals. As a result of our needs assessment, additional resources to support the following goals and actions have been added to support the increased success of the graduation rate:

1.1.1 Teachers will receive professional development on instructional practices
2.1.3 Teachers will meet regularly to evaluate/assess student progress using a variety of data.
3.1.1 The suspension rate for (student group) will be addressed by providing Restorative Practice training for teachers and release time to plan implementation of these strategies.
4.1.1 An Parent Liaison will make direct calls home and invitations to increase the participation of parents in school meetings/activities
1.1.2 Provide additional academic support for students who are performing at not meeting standards on state testing

**Goals, Actions, and Progress Indicators**

**District Strategic Goal 1:**
All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

**District Needs and Metrics 1:**
Students need high quality classroom instruction and curriculum as measured by:
- A-G Completion
- Access to Courses (Honors, AP/IB, CTE)
- AP/IB Exams
- CAASPP
- Content Standards Implementation
- CTE Sequence Completion
- EAP
- Other (Site-based/local assessment)
- Progress toward English Proficiency
- Redesignation
- Teacher Assignment

Jump To: District Goal 1 | District Goal 2 | District Goal 3 | District Goal 4 | Justification | Certification

**Site Goal 1.1**

Increase the percent of students who meet or exceed performance goals in ELA from 6% to 12%
Increase the percent of students how meet or exceed performance goals in Math from 0% to 4%
Increase the percentage of students who graduate from 56.5% to 66.5%

**Metric:** CAASPP

**Actions/Services 1.1.1**

**Principally Targeted Student Group**
- All • American Indian or Alaska Native • Asian • Black or African American • EL • Foster Youth • Hispanic or Latino • Low Income • School-wide • SWD • White

**Specific Actions to Meet Expected Outcome**

| 1. Provide professional development for teachers around instructional best practices throughout all content areas based on the key Common Core Standards |
| 2. Release time to explore models of effective practice, visit classrooms to observe best instructional practices in action such as scaffolding, engaging students, presenting the objective for the lesson and providing timely feedback. |
| 3. Participate in district-sponsored curriculum and best practices workshops, |

**What is the Research Confirming this is an Effective Practice?**

The most powerful way to raise student achievement is through professional learning. More than ever before, students need effective teaching if they are to develop the higher order thinking skills they will need to be career and college ready in the 21st century. At the same time the expectations for student achievement are being raised, the student population is becoming increasingly diverse. This means the need for effective professional development for school and teachers is critical. Research has shown that what distinguishes high performing, high poverty schools from lower performing schools is effective collaborative professional development for teachers.

**Partnering For School Success**
by Generation Ready

**How will you Measure the Effectiveness of the Actions/Services?**

1. CAASPP Data
2. Classroom observations will gather data on the frequency in application of the strategies
3. Teacher feedback on quality of PD, need for follow up presentations and level of implementation of instructional strategies.

| 1. Utilize Career Technical Education funding to ensure students success in the CTE pathway and to increase the number of students enrolled.  
2. Funds will be used to provide the following: consumable supplies, instructional | Works for High School Students  
High school students involved in CTE are more engaged, perform better and graduate at higher rates.  
- 81 percent of dropouts say relevant, real-world learning opportunities would have kept them in high school. | 1. CTE course completion  
- CTE course enrollment numbers  
- CTE course completion numbers  
- Internships and job opportunities reported to site’s WBL log  
- Brochure/flyer/agenda from PD events saved in teacher’s OPTIC portfolio |
equipment, software, and field trips in addition the funds will also support:

- Professional development for teachers to enhance connections to relevant college and career paths.
- Increase student awareness of CTE by career exploration presentations
- Provide opportunities for students to visit CTE classrooms on site and throughout the district
- Encourage students to attend district sponsored career exploration opportunities
- Meet with students to ensure graduation path is correct to facilitate students choosing a career path

The Pathways supported will be:
- Careers with Children
- Building Trades & Construction

Specific Item for Funding: CPR 1st Aide Certificates $300.00

- The average high school graduation rate for students concentrating in CTE programs is 93% higher when compared to an average national freshman graduation rate of 80%.
- More than 75% of secondary CTE concentrators pursued postsecondary education shortly after high.
- Site controller uses correct industry sector goal code when submitting purchase requisitions

**District Strategic Goal 2:**

All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

**District Needs and Metrics 2:**

Students need high quality programs and services driven by assessment, data analysis, and action as measured by:

- Assessment System
- Data and Program Evaluation
- Other (Site-based/local assessment)

**Site Goal 2.1**

Teachers will utilize PLC time to develop and analyze formative, interim and summative assessment tied to essential standards to improve student academic performance.

- Increase percentage of students who meet or exceed performance in goals in ELA from 6% to 12%
- Increase percentage of students who meet or exceed performance goals in Math from 0% to 4%
- Increase percentage of students who meet all graduation requirements from 56.5% to 66.5%

**Metric:** Other (Site-based/local assessment)

**Actions/Services 2.1.1**

**Principally Targeted Student Group**

- All

**Specific Actions to Meet Expected Outcome**

Provide funding for professional development to fully develop the Professional Learning Community process to develop strategies and techniques for using formative assessment. Using the PLC process of collective inquiry teachers will address the following:

- Teach data cycle of inquiry
- What do we want students to learn?
- How will we know when each student has learned it?
- How will we respond when a student experiences difficulty learning?
- How will we respond when learning has already occurred?

This process will require PD with Instructional Coach and release time for teachers to collaborate.

**What is the Research Confirming this is an Effective Practice?**

Assessment is formative when teachers gather interpret and use evidence about student performance to make decisions about next steps in instruction. (Tomlinson, C.A. & Moon, T.R. (2013) Assessment and Student Success in a Differentiated Classroom.

Formative assessment is a process which comes in many forms and builds both teacher and student knowledge. Black and William (2009) have documented how formative assessment can improve student achievement. (See Black, P., & William, D., "Developing a Theory of Formative Assessment;" in Educational Assessment, Evaluating and Accountability, 21 (1), 5-31.

**How will you Measure the Effectiveness of the Actions/Services?**

- PLC agenda/calendar
- During each PLC cycle of learning teachers review what they have learned
- Evaluate the impact of strategies
- Determine what new learning they need

| Teachers will meet 2x/month during PLC to evaluate assess student progress using a variety of data sources:  
- Teacher formative & summative  
- State summative | Assessment is formative when teachers gather interpret and use evidence about student performance to make decisions about next steps. (Tomlinson, C.A. & Moon, T.R. (2013) Assessment and Student Success in a Differentiated Classroom. | PLC agenda & minutes  
Teacher feedback on student progress |

District Strategic Goal 3:
All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

District Needs and Metrics 3:
Students need a safe and engaging academic, social-emotional, and physical school environment as measured by:

- Cohort Graduation  
- Expulsion  
- HS Dropout  
- MS Dropout  
- Other (Site-based/local assessment)  
- School Climate  
- Social Emotional Learning
**Site Goal 3.1**

- PBIS Tier II implementation
- Identify and monitor students at risk of not meeting all graduation requirements
- Increase percentage of students not meeting graduation requirement from 56.5% to 66.5%

**Metric:** Cohort Graduation

Principally Targeted Student Group

• All

Specific Actions to Meet Expected Outcome | What is the Research Confirming this is an Effective Practice? | How will you Measure the Effectiveness of the Actions/Services?
--- | --- | ---
Provide professional development for proven strategies that have success with students in an alternative setting. Specifically training to address;  
• the social/emotional needs of students who are not on track to graduate.  
• training to identify behaviors that are interfering with academic success and the best response (PBIS).  
• Restorative Practice and culturally responsive instruction | Exemplary Practices in Alternative Education: Indicators of Quality Programming; National Alternative Education Association; January 30,2009 | • Student engagement  
• Quarter grades & credits  
• Graduation rate increase to70%  
• Participation in school groups  
• SEL surveys

Funding Source | Amount | Description of Use
--- | --- | ---
Title I – Basic (4900/3010) | $1500 | Certificated Salaries

District Strategic Goal 4:
All students will benefit from programs and services designed to inform and involve family and community partners.

District Needs and Metrics 4:
Students need parent, family and community stakeholders as direct partners in their education as measured by:

• Attendance Rate  
• Chronic Absentee Rate  
• Family and Community Engagement  
• Input in Decision Making  
• Other (Site-based/local assessment)  
• Partnerships for Student Outcome  
• Relationships Between Staff and Families

Jump To:  
District Goal 1  |  District Goal 2  |  District Goal 3  |  District Goal 4  |  Justification  |  Certification

Site Goal 4.1

Improve attendance rate by 10%
Decrease chronic absenteeism rate by 10%
Increase involvement of parents and community members to improve graduation rate, and student achievement

Metric: Attendance Rate

Actions/Services 4.1.1

Principally Targeted Student Group
1. Through a parent Liaison identify parents needs.

2. Provide information on accessing resources such as the site website and Parent Vue

3. Invite families to events such as:
   - Back-to-School-Night
   - Open House
   - School Site Council/English Language Advisory Council
   - Healthy Living Seminars

| 1. Target services to decrease absenteeism  
2. Use interventions and support services to remove barriers to regular school attendance  
   • Weekly attendance team meetings  
   • Ongoing communication with parents/students  
   • Home visits  
   • Celebrate students with perfect and improved attendance  
   • Contract services with CBOs to provide interventions for social/emotional well being | Based on the results of the review of the existing literature an effective student attendance program includes monitoring, prevention, and intervention activities. Monitoring activities should provide schools with accurate and timely information to effectively identify students who are most at risk of becoming chronically absent. These systems should provide educators with information about student attendance before the student becomes chronically absent. Schools can take steps to prevent student absenteeism. These prevention activities should be broad-based and designed to educate students, parents, families, teachers and communities about the importance of consistent school attendance while also creating conditions that incentivize perfect or near perfect attendance. More importantly, prevention measure should also include efforts to education and information to students so they develop and understanding of the importance of regular school attendance. | • Attendance rate - truancy and chronic absence  
• Credits earned/quarter  
• Graduation rate increase by 70%  
• Healthy survey  
• Parent survey  
• Student participation |

# Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
