To All School District Employees

As your 403(b) Plan Administrator, we’d like to make you aware of your eligibility to participate in your employer’s 403(b) retirement plan. The 403(b) plan (often called a “tax-sheltered annuity” or TSA) is a voluntary plan that allows you to defer a portion of your paycheck to a retirement plan.

This is a great benefit offered by your employer to help you bridge your retirement income gap and lower your current taxes. Under federal tax law, you do not have to pay income taxes on your contributions or account earnings until you take the money out of the plan.

Please continue reading for details on how to enroll and how easy it is to start saving now. Also explore why it is a good idea to invest for retirement.
