Dear Parents and Guardians,

As announced earlier today, the EGUSD Board of Education voted to adopt boundary option A for Miwok Village Elementary School. The final boundary decision was made with consideration to input received from stakeholders during the two community meetings on August 31<sup>st</sup> and September 30<sup>th</sup>, 2021.

We are excited to inform you that you currently reside in the boundary established for Miwok Village Elementary. As you may know, Miwok Village Elementary will open in the summer of 2022. If your child or children already attend Zehnder Ranch Elementary School, you do not need to re-register them at Miwok Village Elementary. However, if you have a child or children who will be entering kindergarten or transitional kindergarten in summer of 2022, you will need to register them by completing the district registration packet. The kindergarten and transitional kindergarten registration window opens on January 12, 2022. You may pick up a packet to register your incoming kindergartener or transitional kindergartener for Miwok Village Elementary at Zehnder Ranch Elementary.

In addition, we are very excited to announce the Principal of Miwok Village, Jodi Boyle, Ed.D. (see attached below)

Miwok Village Elementary is currently under construction and is located at :  
10070 Lousada Drive, Elk Grove, CA 95757.

Carroll Elementary School will serve as a temporary office location for Dr. Jodi Boyle and her office staff while they wait for the Miwok Village Elementary office to be completed. The school office number is (916) 714-0106.

If your child is currently attending a school other than Zehnder Ranch Elementary on an Intradistrict Transfer Permit, please renew that permit with your new home school, Miwok Village Elementary. Intradistrict Transfer Permits must be renewed every year. The date of renewal begins April 1, 2022.

If you have any questions, please feel free to call PreK-6 Director Martin Fine at 916-686-7704.

Sincerely,

Bindy Grewal, Ed.D.

Dear Miwok Village Elementary Families,

My name is Jodi Boyle and I am honored and thrilled to be named the principal of Miwok Village Elementary School. As a lifelong resident of Elk Grove and a proud alumnus of Elk Grove Unified schools, I will lead the community of Miwok Village by embodying the values the Miwok tribe was built upon.

My educational career began in Elk Grove 23 years ago after graduating from California State University, Sacramento with a degree in Child Development. I had the pleasure of teaching first through sixth grades at three EGUSD schools. Upon the completion of my administrative credential, I transitioned to site leadership as the vice principal of Arnold Adreani and Sierra Enterprise Elementary schools. In the summer of 2017, I had the distinct honor of opening the district's 42<sup>nd</sup> elementary school as the vice principal of Zehnder Ranch Elementary. Later, I was named the principal at Arthur C. Butler Elementary, a 2020 California Distinguished School. My focus on learning continued as I later acquired my Masters and Doctor of Education degrees in Educational Administration and Organizational Leadership through Brandman University.

These experiences would not be possible without the love and support of my family. My husband and I established our homes in the Elk Grove district knowing that we wanted the best educational experiences for our two daughters, both graduates of Pleasant Grove High School. Our oldest, Emma, is completing her final year at Westmont College in Santa Barbara and our youngest, Erin, is in her second year at Sonoma State University.

I know that children can achieve to their highest potential when provided a learning environment that is safe and rich in academic, social emotional, and behavioral supports. My vision is to ensure that every Miwok Village student thrives in nurturing classrooms designed to support high quality curriculum using engaging and effective instructional strategies. By intentionally focusing on creating a collaborative and inclusive site community, the emotional, social, and academic needs of all students will be met in *every classroom, every subject, every day*.

I am grateful to the Elk Grove Unified School District Board and district administrators for their confidence in my leadership and the opportunity to be your child's principal. As partners in education, we will build a community of learners who are confident and prepared for their continued educational experiences. I look forward to connecting with you and can be reached by email at [jboyle@egusd.net](mailto:jboyle@egusd.net).

With great anticipation,

Jodi Boyle, Ed.D.
