During the October 5th meeting, the Elk Grove Unified School District's Board of Education approved the boundary option *Alternative A* for our 43rd Elementary School. As a result, if you reside South of Whitelock Parkway, you are within the new boundary for Elk Grove's newest school, **Miwok Village Elementary**. A map is included below for your reference. More information will soon be provided to those students and families who reside in the newly identified Miwok Village Elementary boundary.
