XI. Discussion/Action Items

7. 2015-16 Open Enrollment Recommendations - Mr. Roe, Mrs. Penna, and Mr. Pierce presented the recommendation for 2015-16 open enrollment and reviewed the key factors for the recommendation – Year-round to traditional conversion, program improvement/public school choice, intra-district transfers – child care, and offloading students. Also reviewed were the projected enrollments and capacities for middle and high schools for the 2015-2016 school year and capacity for increased enrollment for multiple years. To maintain stable enrollments, it was recommended that no more than 5% of the school’s students be allowed to open enroll to another school.

Discussion was held regarding the inequality of programs and facilities caused partly by the requirement to offer open enrollment and the need to establish programs that will change the perception of some schools. A survey is planned to try to identify the reasons parent/pupils want to leave their school of residence.

Motion No. 105, 2014-15 - Motion by Ms. Singh-Allen and seconded by Mr. Madison, (1) no elementary school be designated as an open enrollment and (2) in the secondary schools open enrollment be offered at Harriet Eddy, Edward Harris, Jr., Samuel Jackman, Joseph Kerr, Elizabeth Pinkerton, James Rutter, and T.R. Smedberg middle schools and Cosumnes Oaks, Elk Grove, Florin, Laguna Creek, Monterey Trail, Sheldon and Valley high schools, (3) that it be stipulated that current Elizabeth Pinkerton eighth grade students on Open Enrollment be allowed to matriculate to Cosumnes Oaks High School without reapplying for Open Enrollment, and (4) the number of students leaving any individual school not exceed 5% of a school’s total enrollment.
