Subject: California Forestry Challenge – Student and Teacher Recognition

Action Requested:
The Board of Education is asked to recognize students and coaches from Elk Grove High School who earned first place at the California Forestry Challenge and fourth place statewide.

Discussion:
The California Forestry Challenge, a competitive event for high school students in technical forestry and current forestry issues, has been in existence since 2003. At each event, students spend four days in the forest interacting with nature resource professionals. Using the forest as the classroom, the California Forestry Challenge is project-based learning at its best. The challenge includes field training and testing, a current topic field trip in which students conduct research and collect data, then complete a service project, and a final presentation scored by a panel of three judges. This year, Elk Grove and Franklin High were two of 13 California high schools to participate in the challenge. Out of 250 possible points, Elk Grove received a grand total of 213.7 points putting them in first place at the Santa Cruz challenge and in fourth place statewide.

The Board is asked to recognize and commend coaches Tony White and Rebecca Anderson and students from Elk Grove High School for their accomplishment at the California Forestry Challenge.

Subject: 2015-2016 Open Enrollment Recommendations

Division: Secondary Education

Meeting Date: January 20, 2015

Action Requested:

The Board is asked to receive, provide feedback, and approve staff’s recommendations regarding 2015-2016 Open Enrollment options and the Open Enrollment timeline at elementary and secondary schools.

Discussion:

The Board is asked to receive staff recommendations regarding 2015-2016 Open Enrollment options at elementary and secondary schools and approve the timeline for the 2015-2016 Open Enrollment process.

For the 2015-2016 school year, it is recommended that no elementary school be designated as an open enrollment site. This recommendation is based on four key factors:

- Program Improvement/Public School Choice
- Intra-District Transfers
- Offloading Students
- Romero Open Enrollment Act

At the secondary level it is recommended that seven middle schools and seven high schools be designated as open enrollment sites for 2015-2016. These schools are:

As it has in past years, staff will again ask the Board to consider limiting the number of students allowed to transfer from any individual school should transfer requests at that school exceed 5% of the school’s total enrollment. Also, staff will again recommend and ask the Board to take action to stipulate that current Elizabeth Pinkerton 8th graders on Open Enrollment transfers be allowed to matriculate to Cosumnes Oaks High School without reapplying for Open Enrollment.

Site-specific data regarding Open Enrollment transfer requests will be brought before the Board for action on February 17, 2015.

Subject: African-American History Month Resolution

Action Requested:
The Board of Education is asked to approve the resolution designating February 2015 as African-American History Month.

Discussion:
This resolution celebrates efforts and achievements made by African-American individuals which have benefited all mankind.

The month of February has been designated African-American History Month by the California Department of Education. This observance permits the society at large, and the schools in particular, to celebrate the achievements of African-Americans and also to re-examine society's role in preserving the Civil Rights of all of its citizens. Although the study of the contributions and the literature about and authored by African-Americans is part of the curriculum throughout the year, this designation in February adds special emphasis.

Elk Grove Schools have many special events during African-American History Month in addition to activities and classwork that occur throughout the year in accordance with sites' and departments' student unity and diversity goals. At the elementary level, the African-American history activities are integrated into classroom discussions, art projects, social studies, and language arts. Some examples include the primary literature pieces of Drinking Gourd, Wagon Wheels, and folktales. All elementary schools include the study of famous African-Americans. At the secondary level, the specific pieces of African-American literature include Black Boy, I Know Why the Caged Bird Sings, Native Son, Raisin in the Sun, and Kaffir Boy. History/social science teachers teach students to view historical and contemporary events from diverse, ethnic perspectives and to clarify their ethnic identities.

Christopher R. Hoffman

Subject: Career Technical Education Month Resolution

Action Requested:
The Board of Education is asked to approve a resolution designating February 2015 as Career Technical Education Month.

Discussion:
The month of February has been designated as Career Technical Education Month. This observance allows us to celebrate the contribution of Career Technical Education (CTE) as a vehicle to provide our students with high quality school-to-career job placement experiences, as well as applied, academically rigorous curriculum to prepare them for both college and workplace success.

The Elk Grove Unified School District offers its students a broad spectrum of CTE opportunities, beginning with middle school exploratory programs that lead to high school introductory, intermediate, and advanced courses. Students also receive CTE training through the district’s Regional Occupational Programs (ROP).

Elk Grove Unified School District’s CTE programs are considered exemplary throughout the region and state. This resolution affirms the work of district staff in continuing to provide students with educational and workplace opportunities beyond those found in traditional instructional models.

Subject: Day of Remembrance Resolution

Division: PreK-6 Education

Action Requested:
The Board is requested to (1) adopt a resolution reaffirming a resolution originally introduced by the Elk Grove Unified School District Board of Education in February 1983 which declared annually a “Day of Remembrance” in the Elk Grove Unified School District, and (2) acknowledge the efforts of Marielle Tsukamoto, the Japanese American Citizens’ Leagues (JACLs) of Florin, Lodi, Placer County, Sacramento, the California Museum, and the California State University, Sacramento Archive Library for their efforts in continuing to make the events of the internment of Japanese citizens during World War II a living history experience.

Discussion:
The late Al and Mary Tsukamoto, the Florin Japanese American Citizens’ League (JACL), the Veterans of Foreign Wars (VFW), and the California Museum, have provided a unique living history experience for Elk Grove Unified School District’s fifth grade students since 1983.

Elk Grove’s fifth grade students continue to experience this hands-on learning opportunity by visiting the Time of Remembrance Program at the California Museum. Students learn about the Japanese internment and the rights denied to United States citizens under the Constitution.

This year, Elk Grove Unified School District’s fifth grade teachers and their students will visit the museum and participate in the Time of Remembrance Program from January 26 – March 20, 2015.

In 2013-2014, a total of 2,647 fifth grade students, teachers and chaperones from Elk Grove Unified attended the Time of Remembrance exhibit.

We are happy to share that again this year, The California Museum, will continue offering reduced admission fees for our students as well provide free admissions for two classroom chaperones. The admission for the classroom teacher also remains free. Because of this generosity our students are able to continue their participation in this worthy endeavor.

RESOLUTION NO. 36, 2014-2015

DAY OF REMEMBRANCE

WHEREAS, the government of the United States has acknowledged that the evacuation, relocation, and internment of over 110,000 United States citizens of Japanese ancestry, permanent resident Japanese aliens, as well as the Aleuts, during World War II was an injustice and a violation of their basic civil liberties and human rights by passing and signing into law the Civil Liberties Act of 1988 (Public Law No. 100-383), and

WHEREAS, it is stated in the Civil Liberties Act of 1988 that the Act was intended to discourage the occurrence of similar injustices and violations in the future and make more credible and sincere any declaration of concern by the United States over violations of human rights committed by other nations, and

WHEREAS, historically, textbooks used by California's Public School students have not accurately portrayed this evacuation, relocation, and internment experience as a violation of basic civil liberties and human rights, nor included a discussion of findings of the Federal Commission on Wartime Relocation and Internment of Civilians, court decisions that dealt with this event, the passage and signing of the Civil Liberties Act of 1988, nor the provisions of ACR 37 of the State of California, and

WHEREAS, the 1987 History/Social Science Framework states: "Attention should be paid to the effect of the war on the home front"...."The relocation and internment of 110,000 Japanese Americans during the war on grounds of national security was a governmental decision that should be analyzed as a violation of their human rights."

THEREFORE, BE IT RESOLVED, by the Governing Board of the Elk Grove Unified School District, that the annual Day of Remembrance be reaffirmed with January 20, 2014, as a "Day of Remembrance" and that January 26 through March 20, 2015, be affirmed as the time for student visits to the California Museum.

Board Policy 1312.3

Uniform Complaint Procedures

Proposed Revision to Current Board Policy 1312.3

Because of changes to the uniform complaint procedures that are being required by state laws and regulations, it is recommended that the district’s current Board Policy 1312.3 be eliminated in its entirety and that a new Board Policy 1312.3, consistent with a sample policy issued by the California Department of Education on July 24, 2014, be adopted by the district.

A copy of the district’s prior Board Policy 1312.3 is attached for informational purposes. A copy of the sample uniform complaint policy issued by the California Department of Education on July 24, 2014 is also attached.

In addition, a clean copy of the new proposed Board Policy 1312.3 is attached for the Board’s review and approval.

Please Note that the new proposed Board Policy 1312.3 will replace both the existing Board Policy 1312.3 and the existing Administrative Regulation 1312.3. The latter administrative regulation will be eliminated by the Cabinet upon approval by the Board of this new board policy.

Also, please note that the last section of the new proposed Board Policy 1312.3, regarding the handling of oral reports of concerns of unlawful discrimination, was added as the result of the negotiated settlement of an administrative complaint that was entered into by and between the district and the Office of Civil Rights of the United States Department of Education.
Current Board Policy 1312.3 – Uniform Complaint Procedures

(Last Revised on March 5, 2013)

It is recommended that the current Board Policy 1312.3 be eliminated in its entirety. Upon adoption of the new proposed Board Policy 1312.3, the current Administrative Regulation 1312.3 will also be eliminated in its entirety by the Cabinet.

UNIFORM COMPLAINT PROCEDURES (continued)

The Board prohibits any form of retaliation against any complainant in the complaint process. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with the uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate for any complaint alleging discrimination, harassment, intimidation, or bullying, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.

(cf. 9011 - Disclosure of Confidential/Privileged Information)

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff
3. Teacher vacancies and misassignments
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination

Filing a complaint with the [name of your LEA]

Except for Williams Complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with our district superintendent or his or her designee alleging a matter which, if true, would constitute a violation of our LEA of federal or state law or regulation governing a program. A complaint of noncompliance with laws relating to pupil fees may be filed with the principal of a school under the Uniform Complaint Procedures and may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees.
An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a complaint no later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by our district superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the extension. The period for filing may be extended by our superintendent or his or her designee for good cause for a period not to exceed 90 calendar days following the expiration of the six month time period. Our superintendent shall respond immediately upon a receipt of a request for extension.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individual has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this part.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the complaint, we shall complete and send an investigation of the complaint in accordance with our UCP policies and procedures and prepare a written decision; also known as a final report. This time period may be extended by written agreement of the complainant.

The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by [name of your LEA] to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

We shall issue a Decision based on the evidence. The Decision shall be in writing and sent to the complainant within 60 calendar days from receipt of the complaint by the local educational agency. The Decision should contain:

- the findings of fact based on the evidence gathered,
- conclusion of law,
- disposition of the complaint,
- the rationale for such disposition,
- corrective actions, if any are warranted,
- notice of the complainant’s right to appeal our LEA Decision to the CDE, and
- procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

This document presents information about how the Elk Grove Unified School District (hereinafter “district”) processes UCP complaints concerning particular programs or activities in which we receive state or federal funding. For purposes of this board policy, a complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, bullying, charging pupil fees for participation in an educational activity, and noncompliance with the local control and accountability plan (LCAP). A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging violation of federal or state laws or regulations, including allegations of unlawful discrimination, harassment, intimidation, bullying and noncompliance with laws relating to pupil fees. If the complainant is unable to put the complaint in writing due to a disability or illiteracy, the district shall assist the complainant in the filing of the complaint.

Programs or activities in which the district receives state or federal funding are:

- Adult Education
- Consolidated Categorical Aid Programs
- Migrant Education

A pupil fee is a fee, deposit, or other charge imposed on pupils, or a pupil's parents or guardians, in violation of state codes and constitutional provisions which require educational activities to be provided free of charge to all pupils without regard to their families' ability or willingness to pay fees or request special waivers. Educational activities are those offered by a school, school district, charter school, or county office of education that constitute a fundamental part of education, including, but not limited to, curricular and extracurricular activities.

A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.

2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.

3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
This document also applies to the filing of complaints which allege unlawful discrimination, harassment, intimidation, and bullying based on actual or perceived age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, disability, nationality, national origin, race or ethnicity, religion, sex, sexual orientation, or any other characteristic identified in Education Code 200 or 220, Penal Code 422.55, or Government Code 11135, or on a person’s association with a person or group with one or more of these actual or perceived characteristics, in any program or activity of the district that receives or benefits from state or federal financial assistance.

This document also applies to complaints alleging that the district has not complied with legal requirements related to the implementation of the local control and accountability plan (LCAP) (Education Code 52075).

The following complaints shall be referred to other agencies for appropriate resolution and are not subject to our UCP process set forth in this document unless these procedures are made applicable by separate interagency agreements:

1. Allegations of child abuse shall be referred to the County Department of Social Services (DSS), Protective Services Division or an appropriate law enforcement agency.

2. Health and safety complaints regarding a Child Development Program shall be referred to the Department of Social Services for licensed facilities, and to the appropriate Child Development regional administrator for licensing-exempt facilities.

3. Employment discrimination complaints shall be sent to the State Department of Fair Employment and Housing (DFEH).

4. Allegations of fraud shall be referred to the Legal, Audits and Compliance Branch in the California Department of Education (CDE).

The responsibilities of the Elk Grove Unified School District

The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations. We shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination, harassment, intimidation, bullying and charging pupil fees for participation in an educational activity and seek to resolve those complaints in accordance with our UCP procedures.

In regard to complaints of noncompliance with laws relating to pupil fees, if district finds merit in a complaint, a remedy will be provided to all affected pupils, parents and guardians that, where applicable, will include reasonable efforts by the district to ensure full reimbursement to all affected pupils, parents and guardians.

Our UCP policy shall ensure that complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation, and bullying remain confidential as appropriate. We submitted our UCP policy to our local governing board for approval and adoption and this revised policy was approved on the last date indicated at the bottom of this document.

Filing a written complaint with the Elk Grove Unified School District

Except for Williams complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with our district superintendent or his or her designee alleging a matter which, if true, would constitute a violation by the district of federal or state law or regulation governing a program. A complaint of noncompliance with laws relating to pupil fees may be filed with the principal of a school under the UCP and may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees.

An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a written complaint no later than six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or six (6) months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by our district superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the request for an extension of time to file a written complaint. The period for filing may be extended by our superintendent or his or her designee for good cause for a period not to exceed ninety (90) calendar days following the expiration of the six month time period. Our superintendent shall respond immediately upon receipt of a request for an extension of time to file a written complaint.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this policy.

Investigation and written decision following the filing of a written complaint

An investigation of a discrimination, harassment, intimidation, or bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the written complaint, we shall conduct and complete an investigation of the complaint in accordance with this UCP policy and prepare a written decision, also known as a final report. This time period may be extended by written agreement with the complainant.

The investigation shall include an opportunity for the complainant, or the complainant’s representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.
UNIFORM COMPLAINT PROCEDURES (continued)

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by the district to provide the investigator with access to records and/or other information related to the allegations in the written complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

We shall issue a decision based on the evidence. The decision shall be in writing and sent to the complainant within sixty (60) calendar days from receipt of the written complaint by the district. The decision shall be written in English and, when required by Education Code section 48985, in the complainant's primary language. The decision should contain:

- The findings of fact based on the evidence gathered,
- Conclusion(s) of law,
- Disposition of the complaint,
- The rationale for such disposition,
- Corrective actions, if any are warranted,
- Notice of the complainant's right to appeal the district's decision to the California Department of Education, and
- Procedures to be followed for initiating an appeal to the California Department of Education.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials,
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff,
3. Teacher vacancies and misassignments,
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination.

UNIFORM COMPLAINT PROCEDURES (continued)

Oral reporting of concerns of unlawful discrimination

Any individual who believes that he/she or another student or group has been subjected to unlawful discrimination, may orally report the alleged discrimination to the involved student’s teacher (or a teacher of a student in the alleged group), or to the principal, or to the principal’s designee of the school site where the alleged discrimination occurred. If the report of alleged discrimination is made to the student’s teacher or a teacher of a student in the alleged group, that teacher shall notify the principal of the report. The principal or principal’s designee shall, in process of following up on the report, inform the individual making the report of the right to file a written complaint.

Oral reports of unlawful discrimination involving the student’s teacher shall be made to the school site principal or to the school site principal’s designee. Oral reports of unlawful discrimination involving the principal’s designee shall be made directly to the school site principal. Oral reports of unlawful discrimination involving the principal shall be made directly to the compliance officer.

The district, at its option, may document an oral report of alleged discrimination in writing for the person making the report to sign. The purpose of this shall be to memorialize the district’s understanding of the specific concerns being alleged. This action shall not be interpreted to be the filing of a formal written complaint by the individual making the report unless so requested by the individual making the report.

The principal/designee shall inform the individual making the report of the resolution options including the option to file a formal written complaint which shall be formally investigated and responded to consistent with this policy. If a complainant wishes to file a formal written complaint but is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of a written complaint.

If the individual making the oral report does not want to file a written complaint, does not want to be identified, or does not give names of the perpetrators, the school may still have a duty to respond in some way depending on the seriousness of the allegations and the risk of future harm to the student or others (for example, the notification of other district administration, law enforcement or Child Protective Services). However, the extent to which these concerns can be investigated and/or responded to may be limited given the lack of information made available to the district. A written decision (final report) shall be required only for written complaints submitted consistent with this Board Policy 1312.3.

Subject:
EGUSD Graduate Profile

Action Requested:
The Board of Education is asked to review and approve the district’s Graduate Profile.

Discussion:
The Board is asked to review and approve EGUSD’s Graduate Profile. The profile was developed by a broad-based group of internal and external stakeholders as part of the district’s on-going Linked Learning efforts to expand local and regional structures to support students’ readiness for college and career. The profile establishes a common vision of student success through a list of outcomes that stakeholders agree are essential for students to master by the time they graduate from high school in order to succeed in college, career and civic life.

The outcomes included in EGUSD’s Graduate Profile encompass a set of academic, career and 21st-century knowledge and skills; productive dispositions and behaviors; and engagement strategies to navigate the worlds of higher education, career and civic life. Specifically, the profile states that EGUSD graduates demonstrate their readiness to succeed in college, career and life through:
- Creative problem-solving
- Self-awareness, self-reliance and self-discipline
- Technical literacy
- Communication and collaboration
- Community engagement
- Integrity

Each outcome includes three to four indicators through which achievement of the outcome can be measured.

The next step in implementation of the Graduate Profile will be to develop a matrix of benchmarks that educators and administrators can use to evaluate student progress toward mastering each outcome at specific grade levels, such as third, sixth, eighth, tenth and twelfth grades. The benchmarks will be correlated as appropriate to the Common Core State Standards, components of social and emotional learning, and the expectations of EGUSD’s higher education and business partners for successful students and employees. The further development of the Graduate Profile and its benchmarks also will be informed by the work of such organizations as the Stanford Center for Opportunity Policy in Education, Educational Policy Improvement Center, and the College and Career Academy Support Network, which is affiliated with the University of California, Berkeley, Graduate School of Education.

Development of the Graduate Profile benchmarks will be coordinated through the Department of College and Career Options and will include teams of stakeholders from the Elementary Education, Secondary Education, Special Education and Student Supports Services departments, as well as higher education and the local business community.

The Graduate Profile supports the vision of E4, EGUSD’s instructional delivery system, that all students will graduate college- and career-ready.
