VIII. Reports

9. **Water Conservation** – Motion No. 134, 2014-15 - Mr. Pierce presented a report on the District’s water conservation efforts as a result of the current drought conditions and the necessity to comply with State and local agency mandates while meeting the needs of students for educational and activity purposes and the community use.

Discussion was held regarding the source of water (water agencies and wells) and the use of reclaimed water at the schools in the District; the conservation measures the District has taken; and the possibility of having to limit use of the playing fields.

Ms. Singh-Allen suggested scheduling 2x2 meetings with agencies and providing information and awareness of the necessity regarding water conservation to parents and the community.

The resolution supporting District and regional water conservation efforts will be presented for adoption at the April 7, 2015, Board meeting.

IX. Public Hearing/Action Items

X. Discussion Items

10. **Online Board Agenda** – Mr. Steve Mate, Director of Technology Services, presented a report on CSBA AgendaOnline program which included CSBA’s estimated cost saving of $460 per meeting; the approximate cost of $31,000 for equipment and subscriptions; the need to replace laptops every three to four years; the recommendation for a phased-in approach and the timeline which concludes with conducting meetings using OnlineAgenda in July and August 2015. It was noted that it is an online service and connection issues happen, business will be done differently which takes time to adjust, the product is more about efficiency than savings, and updating will require additional training. Also, laptops will need to be replaced every three to four years.

Questions submitted by Board members included what other districts are using, laptop specifications and installation of other software, whether the laptops can be used for other purposes, and the cost for the District’s current system. Questions will be responded to in a Board Communication, and the recommendation will be forwarded to the Board at the April 7, 2015 meeting.
