**School Accountability Report Card**  
**Reported Using Data from the 2016-2017 School Year**  
*Published During 2017-2018*

**For: Arnold Adreani Elementary**

**Address:** 9927 Wildhawk West Dr, Sacramento, CA 95829

**Principal:** Mark Vierra

**Phone:** (916) 525-0630

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2017-2018)

Arnold Adreani Elementary  
A Community of Lifelong Learners!

Arnold Adreani Elementary truly provides a unique and wonderful educational experience for children - from the safety of our campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's bold goals.

Through the efforts of our staff, students and families we have maintained the highest CAASPP scores in EGUSD under the new rigor of the California Common Core Standards in English/Language Arts and Math. We know our students will continue to achieve at the highest level and appreciate the Adreani community's commitment to strong academics.

Our success in implementing our district's mission can be evidenced through our school's special strengths: Positive Behavior Intervention Systems (PBIS), physical education, technology instruction, high expectations for all students and GATE. In addition, we frequently celebrate students for their behavioral and academic success. Parent support and involvement continue to be important aspects of the success of Arnold Adreani Elementary. This support is given, and is recognized and appreciated, in many different ways. Some serve as classroom and library volunteers and/or plan family activities. Parents also support student success by providing space, time and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is this school's first priority and the discipline policy is strictly enforced. We emphasize safe, responsible and respectful behavior. All adults visiting the campus are required to check in through the school office. All part of our priority of making students feel comfortable and secure on campus.

Mark Vierra, Principal  
Arnold Adreani Elementary School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facility Conditions and Planned Improvements (School Year 2017-2018)

Arnold Adreani Elementary School has 36 classrooms, a multipurpose room, a library, a Learning Center, one computer lab and an administration building. The campus was completed in 2005 and the school opened for the 2005-2006 school year in August of 2005.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

## School Facility Good Repair Status (School Year 2017-2018)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the lead custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year, through the approval of Measure M, our campus will be receiving a shade structure that is slated to be constructed near the play structure.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2016-2017)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2017-2018)

Family attendance at school events is stellar. We have frequent opportunities to be involved on campus both through an active PTA and supportive staff. Our School Site Council assists the principal with important governance decisions. We have the Watch D.O.G.S program in which dads volunteer a day on campus. Please join us for Back to School Night in the fall, Open House in the spring, or myriad of other excellent events. Please contact our principal, Mr. Vierra or the front office at 525-0630 for further information.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State

#### School Safety Plan (School Year 2017-2018)

At Arnold Adreani Elementary, we believe that safety is foundational to academic achievement. Our district and site are committed to providing a safe, secure environment for learning. We begin and end each day with staff supervision of crosswalks, morning lines and drop off/dismissal. All visitors must check in the office using our Complete Campus Security System. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our staff and School Site Council reviewed and updated our School Safety Plan each year. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office and all classrooms. The plan is reviewed with staff in August of 2017.

### Types of Services Funded (Fiscal Year 2017-2018)

At Arnold Adreani Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides support for our special education students. Instruction to English Learners is provided by classroom teachers during differentiated instruction and designated ELD instruction with the use of the Wonders ELD curriculum. Our Gifted and Talented (GATE) students participate in accelerated instruction within the classroom setting and our Adreani GATE Program. As a site, we focus on providing incentive programs for our students such as: Accelerated Reading Academy, Principal's Writing Club, Caught You Being Good (WOW Tickets), Math Club, Student of the Week, Honor Roll, Perfect Attendance, National Elementary Honor Society, Student Leadership, Science Olympiad and additional classroom incentives per each individual teacher. For our kindergarten students, we have B.E.A.M. (Be Excited About Math) and B.E.A.R. (Be Excited About Reading) to name a few.

## Professional Development

Our school/district offers a variety of professional learning opportunities for teachers, instructional aides, and support staff. As a site, we are currently focusing on the implementation of the newly adopted Wonders ELA curriculum as well as Common Core aligned delivery of instruction through Math Generations professional development. In 17-18, our focus remains on strong teacher efficacy through Professional Learning Communities and the bolstering of differentiated instruction. In addition, we are providing opportunities for our students to familiarize themselves with taking assessments via the computer both with the curriculum and in preparation for the state test. During on-going grade level meetings, teachers meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.
