School Accountability Report Card
Reported Using Data from the 2016-2017 School Year
Published During 2017-2018

For: Katherine L. Albani Middle School

Address: 9140 Bradshaw Rd, Elk Grove, CA 95624

Principal: Gabrielle Bajar

Phone: (916) 686-5210

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-2018)

Katherine L. Albiani Middle School

Our Motto: Be Safe, Be Responsible, Be Respectful - Be Your Best!

As a nationally recognized "School to Watch," Katherine L. Albiani Middle School truly provides a unique and wonderful educational experience for children - from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Examples of our success in implementing the district's mission include our practice of mastery learning, which focuses on teacher feedback and student work revision towards 80% mastery of standards. In addition, we have enhanced parent/school communication through the use of Synergy ParentVue/StudentVue, a web-based program which allows parents, students, and school personnel to communicate daily regarding student assignments and performance. Parents may also view videos, complete surveys, and provide input through our school website, www.kams.egusd.net.

Parent support and involvement continue to be important aspects of the success of Katherine L. Albiani Middle School. This support is given, recognized, and appreciated in many different ways. Parents participate in School Site Council, English Learner Advisory Committee (ELAC), Positive Behavioral Interventions & Supports Committee (PBIS), Bring Your Parent to School Days, monthly lunch opportunities with Parent Lunch Visitation Days, Coffee at KAMS, as well as assisting in the classroom and library and volunteering at school-wide events such as dances, assemblies, and rallies. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

Because student safety is our first priority, the behavior expectations are strictly enforced. We emphasize responsible and respectful behavior. Our students feel comfortable and secure, allowing them to reach their greatest potential.

School Facility Conditions and Planned Improvements (School Year 2017-2018)

Katherine L. Albiani Middle School, also known as KAMS, has been open since 2005. The school has 50 classroom spaces, computer lab, multipurpose room, gymnasium with locker rooms, dance room, shared library with the high school, student services building and an administration building. The campus also consists of a blacktop area with multiple basketball courts, a track, and a large field area for physical education instruction as well as after school sports.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In November 2016, voters residing within EGUSD overwhelmingly voted to pass Measure M, the District's first ever general obligation school facilities bond measure, which provided funds for upgrades to LED lighting in the gymnasium and/or multi-purpose room at Katherine L. Albiani Middle School.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2016-2017)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-2016	2016-2017	2015-2016	2016-2017	2015-2016	2016-2017

Mathematics (grades 3-8 and 11)	58%	60%	42%	44%	36%	37%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-2018)

Parents are an integral part of our learning community. Some opportunities for engagement are: School Site Council, English Learner Advisory Committee (ELAC), Bring Your Parent to School Days, monthly Parent Lunch Visitation Days, Coffee at KAMS, Back to School Night, Adopt-A-Falcon, Parent Jump Start, and Parent University. Additionally, parents volunteer on campus with athletic events, dances, rallies, field trips, fundraising, and in the library. Please contact School Secretary Vickie Stuart at 916-686-5120 to volunteer on campus.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-2018)

Our district is committed to providing a safe, secure environment for learning. Each year staff, students, and parents review and discuss pertinent student discipline and safety data. Recommendations and revisions to the Comprehensive School Safety Plan (CSSP) are submitted to the Board of Education each March. The School Safety Plan was last updated and presented to our School Site Council and staff in February 2018. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our campus supervisors and administrative team provide before and after school supervision. All visitors are required to check in before entering our campus. We are committed to the safety of our students.

Types of Services Funded (Fiscal Year 2017-2018)

Katherine L. Albiani Middle School provides a wide range of specialized programs to meet the individual learning needs of our students. We have a full complement of honors courses and accelerated math classes. Accelerated students may attend math and world language classes at the high school. Intensive math and English instruction is available to all students performing below proficiency. We also have an Academic Intervention Program to assist special education students. The Achievement Via Individual Determination (AVID) program is offered to students who are interested in developing the skills necessary for college preparatory courses in high school. In addition, our students have a wide variety of elective opportunities, including courses offered at the high school.

Professional Development

Our school is focused on eliminating the achievement gap through culturally responsive instruction, developing positive student relationships, and planning lessons that students can relate to their daily life. Our focus at this time is the Common Core State Standards in math and English. Training is provided by our district instructional coaches, administration and experienced teachers. Late start Thursdays provide staff with an hour each week to review student work, identify strengths and weaknesses, create common assessments, analyze team/department SMART and site LCAP goals, and develop action plans for improving student performance. Our teachers meet in various work groups before and/or after school to continue their work in identifying strategies to better meet the needs of their individual students. In addition, our teachers engage in the Professional Learning Community (PLC) process, department release days, and vertical articulation with our eight feeder elementary schools and high school.
