School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Katherine L. Albiani Middle School

Address: 9140 Bradshaw Rd, Elk Grove, CA 95624

Phone: 916-686-5210

Principal: Brie Bajar

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

All aspects of the school contribute to providing children with the skills they need to be successful learners.</p> <p>Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Examples of our success in implementing the district's mission include our practice of mastery learning, which focuses on teacher feedback and student work revision towards 80% mastery of standards. In addition, we have enhanced parent/school communication through the use of Synergy ParentVue/StudentVue, a web-based program that allows parents, students, and school personnel to communicate daily regarding student assignments and performance. Parents may also view videos, complete surveys, and provide input through our school website, http://kams.egusd.net/</p> <p>Parent support and involvement continue to be important aspects of the success of Katherine L. Albani Middle School. This support is given, recognized, and appreciated in many different ways. Parents participate in School Site Council, English Learner Advisory Committee (ELAC), Positive Behavioral Interventions & Supports Committee (PBIS), Bring Your Parent/Guardian to School Days, Coffee at KAMS, as well as assisting in the classroom and library and volunteering at school-wide events such as dances, assemblies, and rallies. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.</p> <p>Because student safety is our first priority, the behavior expectations are clearly communicated and strictly enforced. We emphasize responsible and respectful behavior. Our students feel comfortable and secure, allowing them to reach their greatest potential.</p> <p>Brie Bajar, Principal</p>

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Katherine L. Albiani Middle School, also known as KAMS, has been open since 2005. The school has 50 classroom spaces, computer lab, multipurpose room, gymnasium with locker rooms, dance room, band/music room, outdoor & indoor stage, shared library with the high school, student services building and an administration building. The campus also consists of a blacktop area with multiple basketball courts, a track, and a large field area for physical education instruction as well as after school sports.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In November 2016, voters residing within EGUSD overwhelmingly voted to pass Measure M, the District's first ever general obligation school facilities bond measure, which provided funds for upgrades to LED lighting in the gymnasium and/or multi-purpose room at Katherine L. Albiani Middle School. We are slated to have a rectangular shade structure, which will accommodate nine (9) 4'x8' tables for outdoor dining, installed in our quad area.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

English Language Arts/Literacy (grades 3-8 and 11)	76%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	61%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Parents are an integral part of our learning community. Some opportunities for engagement include School Site Council, English Learner Advisory Committee (ELAC), Bring Your Parent/Guardian to School Days, monthly Family Lunch on the Quad Visitation Days, Coffee at KAMS, Back to School Night, and Open House. Additionally, parents volunteer on campus with athletic events, dances, rallies, field trips, fundraising, and in the library. Please contact School Secretary Karen Johnson at 916-686-5120 to find out more about volunteering on campus.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.1%	0.0%	0.1%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Our district is committed to providing a safe, secure environment for learning. Each Winter/Spring staff, students, and parents review and discuss pertinent student discipline and safety data as part of the School Site Council. Recommendations and revisions to the Comprehensive School Safety Plan (CSSP) are submitted to the Board of Education each March. The School Safety Plan was updated with our School Site Council and staff in February 2021. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our campus supervisors and administrative team provide before and after school supervision. Visitors to KAMS are required to check in before entering our campus.

Professional Development

Our school is dedicated to meeting the needs of each and every student and eliminating the achievement gap through culturally responsive instruction, developing positive student relationships, and planning lessons that students can relate to their daily life. Our focus this year is on Formative Assessment & Feedback. Training is provided by our district instructional coaches, administration and experienced teachers. Late start Thursdays provide staff with an hour each week for Professional Learning Communities (PLCs) to review student work, identify strengths and weaknesses, create common assessments, analyze team/department LCAP goals, and develop action plans for improving teacher and student performance. Our teachers meet in various work groups before and/or after school to continue their work in identifying strategies to better meet the needs of their individual students. In addition, our teachers engage in department release days and vertical articulation with our eight feeder elementary schools and high school.
