School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Arthur C. Butler Elementary

Address: 9180 Brown Rd, Elk Grove, CA 95624

Principal: Jodi Boyle

Phone: 916-681-7595

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Welcome to Arthur C. Butler Elementary School! We provide a very focused and highly academic educational experience designed to meet the individual learning needs of all students so they may attain grade level standards and beyond. Our mission is to provide the best possible education in the safest possible environment. Our safe campus, positive learning culture, rigorous instructional programs, and strong community help students gain the skills they need to be successful in school and life, which includes a character education program based on social-emotional learning competencies children need to attain continued success.

We are proud of our acceleration and intervention programs within our school day. We work to meet the needs academic, behavioral, and social-emotional needs of all students through our tiered site-wide Multi-Tiered Systems of Support (MTSS). We are also proud to partner with Sheldon and Monterey Trail High Schools staff and students for tutoring and bullying prevention.

Our teachers are growth minded and are always learning. They have participated in training to improve their direct instruction, provide consistent behavioral support, and improve student outcomes through their work in Professional Learning Communities. As a school, we have a shared mission, vision, and goals.

Parent support and involvement continue to be important aspects of the success at Arthur C. Butler Elementary. Regular communication between parents and teachers is critical to success. Parents can also support student success by providing space, time and encouragement for daily learning, and by sending a clear message that education and regular attendance are important to the family.

Parents are represented on our School Site Council and provide valuable input for school improvement. Our PTO and English Learner Advisory Committee are also opportunities for parents to be involved in the school. Our PTO plans activities and events that gather students and families to encourage connections within the community.

Administration and staff are here to serve the Butler community. Please let us know how we can best support your family's needs.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

The school has 28 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 1965. Additions were constructed in 1968 and 1972. The school opened in 1990 with all portable buildings. In 1995, permanent classrooms were built. The multipurpose room and two portable buildings were constructed in 1997 to support students and class size reduction. A second computer lab was installed in 2011. Additional fencing was provided in 2013 and the school became a closed campus during school hours for safety. In 2020, a permanent shade structure was built on the playground to support outdoor activities.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's Maintenance and Operations Department works in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team to develop a daily cleaning process and schedule. Each morning, the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In 2018, the Arthur C. Butler PTO and a grant awarded by the Learn Fresh Youth Assist Tracker Challenge provided the funds to retrofit classrooms with ceiling mounted projectors in all third through sixth grade classrooms. Teachers and students are looking forward to the completion of this project during the 2020-2021 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	58%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	51%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Parents are encouraged to become actively involved. We have bi-monthly family Zoom Q&A meetings, PTO events, and virtual classroom activities and events. Parents serve on the PTO Board, School Site Council, EL Advisory, PBIS Team and the Superintendent's Parent Advisory. Please contact Christina Borkert, PTO President, at ArthurButlerPTO@gmail.com if interested in volunteering.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Our school is strongly committed to providing a safe and secure learning environment. School rules are enforced by all personnel. Our School Safety Plan was reviewed and updated in January of 2021. An "Emergency Handbook", outlining a plan of action for disasters such as earthquakes, fires, floods, and chemical spills, is kept in the school office and in every classroom. School drills and safety inspections are conducted regularly. The district's Safety and Security Department is readily available to support the school for any emergency or need in providing safety. Supervision of students is provided 10 minutes before and after school hours. We have a closed campus and all visitors must sign in through the office during school hours.

Types of Services Funded (Fiscal Year 2020 - 2021)

At our school, we have a highly qualified staff to assist students with special learning needs. English Learners are supported in developing language skills and accessing the core curriculum through our daily English Language Development/What I Need - ELD/WIN program, as well as during small group interventions. Gifted and Talented Education (GATE) students and accelerated students are challenged during WIN time and throughout the day through differentiated instruction. The Learning Center offers instruction to Special Education students and other students who need extra support. Some grade levels offer extra instruction for reading and math during after school hours. Students are provided opportunities to participate in extracurricular activities throughout the school year.

Professional Development

Professional development opportunities are provided by the district, region and site in implementing the Common Core Standards for Language Arts and Math. Professional Learning Communities have been established and meet regularly to analyze data and collaborate to meet students' needs. Specific training is provided to meet the needs of English Language Learners. Special education teachers attend ongoing training sessions to support them in the development of curriculum and strategies to best meet the needs of students with learning disabilities. New teachers, who have been teaching fewer than two years, are supported by the district's beginning teacher program. They meet regularly with an experienced mentor to discuss their successes, challenges and new ideas for their classrooms. Our district offers ongoing support for administration and staff on academics, safety, social-emotional learning, technology, and public policy. All support staff members are also provided ongoing training related to their work and responsibilities.
