**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

Raymond Case Elementary - Our Cougars ROAR with Pride!

Raymond Case Elementary, a 2016 California Gold Ribbon School, is home to some of the finest young minds in Elk Grove. Raymond Case Elementary School's vision is to provide a positive, safe, and culturally responsive environment that ensures exemplary academic growth for all students to become lifelong learners and productive citizens on their path to college and career readiness.

Raymond Case Elementary will accomplish our vision by:

- teaching a relevant and rigorous CCSS based curriculum, using assessments to drive instruction to meet the needs of our diverse student population.
- providing a safe environment through PBIS and character education for students and staff.
- collaborating effectively within and across grade level teams.
- encouraging involvement by partnering with parents and community.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Parent support and involvement continue to be the cornerstone of our success at Raymond Case Elementary. This support is given, recognized, and appreciated in many different ways. Some parents help plan the programs and policies, while others volunteer in the classroom, library, and plan school activities. Parents also support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family. Parent volunteers are always welcome at Raymond Case Elementary. We hope every family will become a 5 STAR family.

The safety of our students is Raymond Case Elementary's first priority and the discipline policy is strictly enforced. We emphasize safe, respectful and responsible behavior before, during, and after school. All adults visiting campus are required to check in through the school office. The safe atmosphere of the school makes our students feel comfortable and secure.

The Raymond Case Elementary School community is committed to excellence in education in an environment where all children can succeed. We value our children and we value their learning! Go to Case, Go to College.

John Santin

### School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Raymond Case Elementary School was built in the year 2000. The school classrooms are permanent buildings and grade levels are grouped together. All classrooms are equipped with computers, document cameras and projectors to support instruction. There is a computer lab with 40 computer stations recently refreshed in 2017. Our library has over 16,500 books for students use. The multipurpose room at Raymond Case is one of the largest in the Elk Grove Unified School District with a well-used stage. Raymond Case Elementary School is situated on approximately 10.55 acres with a large blacktop area, playground structure and large grass area for outside physical activities.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The EGUSD maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning, the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards are available in the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Three years ago, the District's governing board approved deferred maintenance projects for this school that will result in a variety of repairs around campus. Raymond Case Elementary will be receiving funds for maintenance updates with the passing of Measure M. On-going repairs will be conducted as facility needs arise.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	61%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	54%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

Our school values each family's involvement in their child's education. There are many ways to become involved at the school. Our PTO actively raises funds to provide both educational and fun activities for students. School Site Council and our new Equity Coalition is involved in school decision making as well. Parents are welcome to volunteer in their child's classroom with prior arrangements. Please contact Mr. John Santin at (916) 681-8820 or jsantin@egusd.net for parent involvement questions.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
<b>Suspensions</b>	3.0%	3.7%	2.5%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

At Raymond Case Elementary School, we believe nothing should get in the way of the academic achievement or social development of our students. Our students are supervised before and after school as well as during the school day. Our campus is locked down with a secured fence and gates. All visitors must come through and report to our office before entering onto the campus. Our staff and School Site Council reviews and updates our Comprehensive Safe School Plan annually. It was last updated in January 2020, and will be reviewed again in January 2021. Our students and staff participate in regularly planned fire and lock down drills. Each classroom has an emergency flip chart to reference in case of an emergency. The District's Police Services works closely with our school site to provide a safe and secure environment for all students.

### Types of Services Funded (Fiscal Year 2020 - 2021)

We have highly qualified staff at our school to assist students with special learning needs. Our Learning Center provides support to students with individualized plans, as well as general education students who need additional support to meet the grade level standards. Students who are designated as English Language Learners receive instructional support during WIN time. Gifted and Talented students participate in accelerated instruction during the instructional day. Once in-person learning occurs again, students are invited to participate in extended-day programs such as Choir, Math Hoops, and Intramural Sports.

## Professional Development

Our school offers a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our school has a weekly Early Out schedule in which students leave school one hour early. Teachers use this time to meet and review student work (strengths and weaknesses), formal review and informal assessments, and plan subsequent instruction to meet students' needs. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes, challenges, and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
