**Principal:** Michael Blomquist

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

<p>Cosumnes River Elementary School ... Where Roadrunners Race to Excellence!</p> <p>Students have been educated in the Sloughhouse community for over 165 years when groups of miners, farmers and business owners believed their children deserved a quality education. They built schools along the Cosumnes River throughout the years believing it was their responsibility to provide formalized schooling for their children. Although one of our oldest schools (Rhoads School) now resides at Elk Grove Regional Park, our new nine-year-old campus has all the amenities and technological capabilities of a modern institution of learning.</p> <p>The history of respect and support for education continues at CRES today. Our single most important goal is to ensure that our students enjoy academic success throughout their educational experience.</p> <p>We provide a safe, positive learning environment while challenging all students to realize their greatest potential. We are a PBIS school that expects and rewards our students each day they are respectful, responsible, and ready to learn.</p> <p>Our success in implementing our district's mission can be evidenced through our school's special strengths, including:</p> <ul style="list-style-type: none"><li>• A staff that is experienced, skilled, and committed to meeting the learning needs of all students,</li><li>• A student body that is motivated to succeed each and every day,</li><li>• Parents that are committed to supporting the education of their children, and</li><li>• A community that partners with us to help us achieve all of our goals.</li></ul> <p>Parent support and involvement are important aspects of the success at CRES. Some parents help plan the programs and policies, while others serve as classroom volunteers or field trip chaperones. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.</p> <p>Our roadrunners race to excellence each and every day here at Cosumnes River Elementary School.</p> <p>Mike Blomquist, Principal Cosumnes River Elementary School</p>

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Cosumnes River Elementary School is located in Sloughhouse, California along the untamed Cosumnes River. Ours is one of the oldest schools in EGUSD, officially becoming a part of the district over 66 years ago. We also have one of the district's newest facilities, a state of the art campus that opened in 2010. Our campus has a two-story classroom building housing up to 20 classrooms in grades 1-6, a science lab, music room, and dedicated PE classroom. Our kindergarten wing has three classrooms and an office space, enough space to accommodate 6 kindergarten classes on an early/late schedule. Additionally, we have a multipurpose room, a library/computer lab/learning center facility, and an administration building. Our long-time campus partner, YMCA, provides fee-based after school childcare on campus in three portables located within the secured part of our campus. We have a large blacktop designed for multi-game basketball, tetherball, 4-square, and kickball. We also have a play structure and large grass field with surrounding track for use during recess and physical education.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with our custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are quickly resolved by our custodian or district maintenance staff. Our custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The EGUSD Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Measure M funds will allow us to add an additional shade structure to our blacktop area to provide additional bench seating and shade for all of our students. The CRES PTA is providing new picnic benches for the additional shade structure when they are installed. A new solid shed was installed near our CRES garden to house tools and equipment for our afterschool garden program. A CRES PTA funded "hydration station" is located in our cafeteria for student and staff use.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	75%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	68%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

CRES values each family's involvement in their child's education. Back to School Night, Open House, and parent conferences provide parents an opportunity to become a partner in their child's education, in addition to logging into Synergy's ParentVue to keep updated on student progress on a daily or weekly basis. Volunteering in your child's classroom, joining the PTA, SSC, Equity Team or helping with one of our many school-wide activities supports the success of all students. For PTA information, please contact Jenny Williams at (916) 682-2653.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

At CRES, we believe that a safe, positive, equitable learning environment is essential to student success. Our staff and School Site Council reviewed and updated our Comprehensive Safe School Plan in January 2021. Our students and staff participate regularly in evacuation and lockdown drills. An "Emergency Kit," with a flipchart to reference emergency protocols, as well as accountability forms are easily accessible in every classroom. Our students are supervised both before and after school and gates are kept locked throughout the day. Visitors are required to check-in through the school office and receive a volunteer or visitor's badge before exiting out onto campus.

### Types of Services Funded (Fiscal Year 2020 - 2021)

CRES has a highly qualified staff to assist students with special learning needs. Our Learning Center provides both "push-in" and "pull-out" services for our special education students reporting progress toward goals on a regular basis. Our English learners receive thirty minutes of English Language Development (ELD) instruction per day to support language acquisition skills and our Gifted and Talented (GATE) students participate in differentiated instruction in their regular classrooms. Visual and Performing Arts (music, theater, art) is infused throughout the regular instructional day and evidence is seen in student artwork throughout the campus and performances held in classrooms and our multipurpose room each trimester. CRES is proud of its student athletes with high percentages of fifth graders mastering 5 of 6 physical fitness standards. Our Physical Education program and afterschool athletic clubs support our families' priority of raising healthy and fit children.

## Professional Development

Our school offers a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school has monthly professional learning activities and PLC grade level meetings with a focus on student learning. Teaching teams use this time to review student work, make determinations about students' strengths and weaknesses, and plan instruction to meet the needs of all students. Support staff may receive training in CPR, first aid, behavior management, safety procedures, and mandated reporting. Our teachers also take part in district sponsored ELA and mathematics professional learning that supports the implementation of Common Core State Standards, as well as NGSS. The focus is on curriculum implementation (Wonders & Go Math) and best teaching practices. Additionally, professional learning opportunities are offered to staff to support our English Language learners, students with disabilities, and PBIS. New teachers who have been teaching less than two years are supported by the district's BTSA program.
