**Principal:** Mark Benson

**Phone:** (916) 683-1302

**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-2017)

It is with great pride that I welcome you to Harriet Eddy for the 2016-2017 school year. This past year we have accomplished a great deal and these accomplishments would not have been possible without your support. We completed our first year as an International Baccalaureate (IB) Middle Years Programme (MYP) Candidate School. Part of the candidacy process is a visit and evaluation from an IB consultant. We received an overwhelming positive evaluation regarding our preparation and stakeholder knowledge and commitment to the program. These were important steps in bringing the Middle Years Programme to our community.

For the 16/17 school year, our students will participate in a fully aligned MYP schedule. This results in our students having an opportunity to take classes in all eight MYP subject groups. This is exciting as we move toward submitting our IB application for authorization in the spring. More information regarding our MYP implementation can be found in our locker on our homepage. I have narrated a presentation that reviews our process and structure for the Middle Years Programme. Look for the file MYP Information Presentation.

This year marks my eleventh year at Harriet Eddy. As a former Teacher and Vice Principal at Harriet Eddy, I will use my knowledge and experience of the community to continue to develop a regional approach to our students' education. I am excited to continue to work with you as your partner in education to ensure your child's success. Along with staff, I will work hard to continue the legacy of success established at Harriet Eddy by building strong relationships with parents, students, staff, and community partners.

To help facilitate community dialogue, I would like to invite you to "Breakfast with Benson" on the first Tuesday of each month. From 8am-9am, we will meet to discuss educational issues important to you. Light food and coffee will be provided. This is an informal drop in time for you as parents to have a voice at Harriet Eddy. Please stop in to pick up a muffin and coffee before heading off to start your day.

Mark Benson, Principal  
Harriet Eddy Middle School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

## School Facility Conditions and Planned Improvements (School Year 2016-2017)

Harriet Eddy was opened in 1994 and has 43 classrooms, 3 computer labs, a multipurpose room, a library, administration building, and 2 gyms. The entire campus is a "Wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, running track, and a large sports field.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

## School Facility Good Repair Status (School Year 2016-2017)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

The district's maintenance and grounds departments collaboratively works with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

There are no planned facilities projects for the 16-17 school year.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2015-2016)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-2017)

Our school has an active School Site Council, School PTO, International Baccalaureate Parent Organization and parent volunteer program called the Hornet's NEST (Nurturing Exceptional Students Together). The Hornet's NEST is our parent group that volunteers on campus during the school day and at events. If you are interested in more information, please email our Vice Principal Peggy Barrad at mbarrad@egusd.net.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

### School Safety Plan (School Year 2016-2017)

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed February 2017. The plan includes monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification. An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-2017)

Indicator	School	District
Program Improvement Status	NA	In PI
First Year of Program Improvement	NA	2009-2010
Year in Program Improvement	NA	3
Number of Schools Currently in Program Improvement	NA	12

Percent Difference - School Site and State	N/A	N/A	1%	-16%

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2016-2017)

Harriet Eddy is an International Baccalaureate Middle Years Programme Candidate School in partnership with Laguna Creek High School. Our INSIDE program services not only English Learners, but also general education students who need additional support to meet the standards. Our English Language Development teacher, Bilingual Teaching Associates, and SDAIE classes in both history and science help our EL students access the core curriculum. Gifted and Talented students participate in accelerated instruction in math, english, science and history. Students who need extra tutoring or homework help are welcome to participate in our after school tutoring program available Monday through Thursday. We have also instituted a support program in mathematics to help students prepare themselves to successfully complete Math 1 by the end of ninth grade. This includes an effective peer and virtual tutoring program in mathematics.

## Professional Development

Harriet Eddy has a professional development emphasis on the use of the Cycle of Inquiry protocol to assess the effectiveness of our instruction. In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Supports to foster and maintain a positive learning environment. As an International Baccalaureate (IB) Middle Years Programme (MYP) Candidate School, we have begun to implement MYP instructional practices. Harriet Eddy also incorporates school-wide Advancement Via Individual Determination (AVID) strategies. The Eddy community, through its Strategic Plan, is developing a series of professional development opportunities for parents to help them assist their children with their education and preparation for college.
