Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Harriet Eddy Middle School

Principal: C Norma Alston

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Dear Harriet Eddy Community,

It is an honor to introduce myself to the HEMS community as the Interim Principal for the 2020-2021 school year. My name is Norma Alston and I previously had the pleasure of working at HEMS as the Vice Principal. Prior to that I have served as a Teacher in Charge and classroom teacher at various elementary schools in California. One of the greatest educational opportunities I have had was when I served our Migrant community as a Program Specialist for Butte County Office of Education. To my core, I am a proud Navy Veteran, and I believe this is what best defines who I am and why I do what I do for every student. Commitment and collaboration are not only what I love most about helping students, staff and families, but it is the core of Harriet Eddy Middle School.

We are extremely proud of the foundational work that has been laid in the past few years, in collaboration with Laguna Creek High School in the Laguna region, to be called an International Baccalaureate School. Proudly, we are the only middle school in the Elk Grove Unified School district with the distinguished program we offer to all students entitled the MYP: Middle Years Program. The MYP aims to help students develop their personal understanding, their emerging sense of self, and responsibility in and to their community.

Information regarding our IB MYP implementation can be found on the IB Program page. Feel free to visit our Vision page to learn more about Eddy's initiatives and commitments on providing an Exceptional Educational Experience for all students. Our web address is hems.egusd.net, where you'll find a variety of information including information on Parent and Student VUE portals. We also frequently post on our Facebook, Instagram, and Twitter. These venues are used to notify our community of events and activities.

I look forward to an exciting school year where students, staff and families work together for the success of all students. We are Eddy and we are EXCEPTIONAL!

In partnership,

C Norma Alston
Interim Principal

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Harriet Eddy was opened in 1994 and has 43 classrooms, 2 computer labs, a Career Exploration Center classroom, a multipurpose room, a library, administration building, and 2 gyms. The entire campus is a "Wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, running track, and a large sports field.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments collaboratively works with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There are no maintenance projects planned for this school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Our school has a School Site Council, School PTO, International Baccalaureate Parent Organization and parent volunteer program called the Hornet's NEST (Nurturing Exceptional Students Together). The Hornet's NEST is our parent group that volunteers on campus during the school day and at events. If you are interested in more information, please contact Scott McCullough at 916-683-1302.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

Expulsions	0.0%	0.1%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed January 2021. The plan includes monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification. An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Professional Development

Harriet Eddy has a professional development emphasis on the use of the Professional Learning Community (PLC) Process to assess the effectiveness of our instruction and student learning. In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Supports to foster and maintain a positive learning environment. Our staff participates in International Baccalaureate (IB) and PLC aligned professional development throughout the year.
