School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: John Ehrhardt Elementary

Address: 8900 Old Creek Dr, Elk Grove, CA 95758

Principal: Marianne Williams

Phone: 916-684-7259

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

<p>Mission: Educating Kids and Support Families</p> <p>Vision: John Ehrhardt Elementary School will provide a safe and positive learning environment to promote social and academic success for all students.</p> <p>Values: Safe, Responsible, Respectful</p> <p>John Ehrhardt Elementary provides a standards-based, well-rounded, educational experience for ALL children. The rigor and breadth of the instructional program, safety of the campus, and warmth of the learning environment are the key components in ensuring success for each child in meeting the standards for their grade. Opportunities for both individual and collaborative learning exist in every classroom and support implementation of the California Common Core State Standards. Our success in implementing our mission can be further evidenced through our school's special strengths, including: a commitment to meeting each child's needs through differentiated instruction within the classroom, a dedicated "WIN-What I Need" differentiation block each day, and communication with parents in ways that allow them to partner with the school to improve their child's performance. Parent support and involvement continue to be important aspects of the student success at John Ehrhardt Elementary.</p> <p>Our Parent Teacher Organization, and parent advisories provide opportunities for involvement. Parent volunteers serve as essential support for the development of programs and policies that benefit our students. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that regular on time school attendance is important.</p> <p>The physical and emotional safety of our students is a school-wide priority. Social Emotional Learning and Positive Behavior and Interventions support our students as they are safe, responsible, and respectful. Citizenship and academic success is celebrated at monthly assemblies, with Eagle tickets and weekly prize drawings. The atmosphere of the school and welcoming staff makes our students feel comfortable and secure.</p> <p>Marianne Williams, Principal John Ehrhardt Elementary</p>

Science Laboratory Equipment (grades 9-12)

All 9-12 students utilizing a lab have access to appropriate equipment.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Our school has 33 classrooms including three PALSS and one Special Education Pre-School, a multipurpose room, a library, one computer lab, a Learning Center, and an administration building. The main campus was built in 1991. Additions were constructed in 2000 and 2008.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	42%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Our PTO is active and greatly enriches our community through on campus support and fundraising. The School Site Council and ELAC, comprised of teachers and parents, develops the annual LCAP plan and our PBIS team includes parents. Many guardians, parents, and grandparents volunteer in our classrooms on a weekly basis. The Watch D.O.G.S. (Dads of Great Students) program has fathers or father figures on site for an entire day to help out in all school areas. Please contact Marianne Williams @ 684-7259 for more information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Our District is committed to providing a safe, secure environment for learning. The School Safety Plan (now known as the Comprehensive Safe School Plan or CSSP) was updated in December 2020. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, intruders, and chemical spills, is kept in the School Office. Drills practicing appropriate responses to fire, earthquake, lockdown, and evacuation are held on a regular schedule. Periodic safety inspections are conducted by the County of Sacramento and the Cosumnes Community Services District. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Teachers and Yard Supervisors are on duty 15 minutes before and after school to supervise students.

Types of Services Funded (Fiscal Year 2020 - 2021)

At our school, we have a highly qualified staff to assist students with special learning needs including autistic students and students with multiple disabilities. Our Learning Center staff serves not only special education students but also general education students who need additional support to meet academic standards. In every classroom during "What I Need" (or WIN) time, students are provided opportunities to become more proficient in English, practice academic skills, or explore subjects in more depth. Gifted and accelerated students participate in accelerated learning within the classroom and some grade levels offer departmentalized social studies and science rotations. Students needing extra support are provided additional learning opportunities during differentiated instruction opportunities throughout their school day.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2019-2020, our school has a professional development emphasis on Common Assessments, and English Language Development. In addition, our grade level teams meet weekly to refine their instructional practice based on student data. Special education teachers are provided numerous opportunities to learn how to best meet the needs of students with learning disabilities. New teachers, who have been teaching fewer than two years, are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes relating to their work.
