School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Elk Grove Elementary

Address: 9373 Crowell Drive, Elk Grove CA, 95624

Phone: (916) 686-3766

Principal: Dave Neves

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

"ELK GROVE ELEMENTARY SCHOOL...BUILDING A FOUNDATION OF EXCELLENCE."

Elk Grove Elementary staff adheres to three essential values for every student. Our three values are to provide a foundation of educational excellence with high expectations for all students; to prepare our children to be life-long learners skilled as literate individuals able to read, write, think, listen, and evaluate real life situations; and to promote personal responsibility and citizenship in an increasingly diverse and changing society through a partnership of student, school, family, and community.

Elk Grove Elementary teachers and support staff provide lessons using a variety of instructional strategies to meet the needs of all students and to ensure students are provided with learning opportunities designed to meet rigorous standards in alignment with all common core subject areas.

Staff participates in ongoing professional learning opportunities.

School Facility Conditions and Planned Improvements (School Year 2016-2017)

Elk Grove Elementary School has 32 classrooms, one learning center room, a multipurpose room, a library, computer room, and an administration building. The main campus was built in 1992. During the summer of 2012-2013 9 rooms were re-designed and enlarged creating 6 primary classrooms. 7 new classrooms were added to the school during this time when Elk Grove Elementary returned to a traditional school schedule from a year-round schedule. Our school is beautifully landscaped and enjoys a well-designed playground, field and track. Four outdoor tables and benches are located under mature shade trees offering outdoor learning experiences for many of our kids.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with our school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

Currently no new building projects are underway. Over the summer of 2015, Elk Grove Elementary School's PTA upgraded our entire sound system in the Multi-Purpose room.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

There are numerous ways to participate in your child's education. Our school benefits from a very active PTA that raises money to support school events and purchases of supplemental materials.

Parents are encouraged to visit and volunteer in their child's classroom, participate in field trips, and/or serve as an art docents.

Father's, Uncles, Grandfather's, and adult brothers are encouraged to volunteer in our school "Watchdogs" program. For more information on this and other programs, please contact the vice principal at 686-3766.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-2017)

The safety of your child, visitors, and the staff at Elk Grove Elementary is our first priority. Our students require a safe, orderly, secure and comfortable environment in which to learn. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, and a "Crisis Response Box" are kept in the school office. Each classroom has emergency procedures posted. Monthly fire, disaster, earthquake, and intruder drills are held. Gates are kept closed and locked. Visitors must check in at the office. The district's Police Services Department also works closely with our school site and is available to assist in providing a safe, secure environment for all students. We reviewed our Site Safety Plan in May of 2016 to ensure it continues to meet the needs of our school community. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well.

Types of Services Funded (Fiscal Year 2016-2017)

At Elk Grove Elementary highly qualified staff are assigned to assist students with special learning needs. Our Learning Center serves special education students. Elk Grove Elementary School offers after school team sports, student leadership, and provides support through the Elk Grove Community Service's Kid's Central Program. Programs for G.A.T.E. will have been fully implemented during the 2016-2017 school year. Our level one and level two English Language Learners (ELL) students receive 40 minutes of leveled English language instruction four days a week through the Avenues program and in-class instruction. Summer School was provided during the summer of 2016 and will be available in the summer of 2017. Summer school was well attended and focused on remedial and enrichment opportunities for students in grade first through sixth.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, para-educators, and non-instructional support staff. For 2015-2016, our school will provide professional development in Math and English language arts. Professional Learning Communities (PLC's) are in place at every grade level focusing on enhancing the instructional program and the ongoing improvement of academic achievement.
