School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Elk Grove High School

Address: 9800 Elk Grove-Florin Rd, Elk Grove, CA 95624

Phone: 916-686-7741

Principal: Eugene Christmas III

Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

<p>Elk Grove High School "Where Tradition Meets Tomorrow"</p> <p>Elk Grove High School provides a unique and exceptional educational experience for students, from the safety of the campus, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners and become prepared for college and a career.</p> <p>The district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission is evidenced through our school's special strengths, including:</p> <ul style="list-style-type: none">• Academic courses, ranging from remediation to Advanced Placement, to meet the needs of each student• State and nationally recognized Sustainable Agriculture Green Education Academy• Technology and Digital Arts Academy focusing on Graphic Arts and Photography• Comprehensive college and career preparatory program <p>* School wide impeded academic assistance opportunities for students during HERD TIME.</p> <p>Parent support and involvement continue to be important aspects of the success at Elk Grove High School. This support is given, recognized, and appreciated in many different ways. Some parents help plan programs, while others serve by assisting with our athletic teams, school clubs, School Site Council, Parent Teacher Student organization, or Boosters. Parents also support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important.</p> <p>The safety of our students is an important priority. Our staff, students, and parents work together to achieve the goal of promoting a positive environment where staff and students feel safe and respected. We promote HERD Pride by valuing and recognizing Honor, Effort, Respect and Determination.</p> <p>Dr. Eugene Christmas III, Principal Elk Grove High School</p>

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

The campus was built in 1963 and parts of the campus underwent a modernization program in 2002. There are 92 classrooms, six computers labs, a photo lab, science building, theater, state-of-the-art environmental center focusing on hydroponics, a farm, two gymnasiums, multiple athletic fields, and a synthetic turf stadium with an all-weather track. The school will undergo major improvements as a result of Measure M funding. Work on the heating, air conditioning and roofs has been completed campus wide in 2019. Plans were approved by the state and a contractor was hired in 2020. The next phase will be actually breaking ground in June 2021. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The school's custodians work as a team and with administration to develop a daily cleaning process and schedule. Each morning a custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The Culinary and Agriculture programs have both received approval in the proposition 51 grants process. The Culinary grant has been funded and the plans have been integrated into the modernization plan. The new barn, from a different grant, was complete and fully operational as of the spring of 2019. The Agricultural Proposition 51 plan is being developed. The staff is excited to begin the planning to modernize the culinary facility and continue to see Measure M transform the rest of the Site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	58%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	34%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2020 - 2021)

Career Technical Education (CTE) provides opportunities for EGHS students to prepare for college, career and life. CTE offers a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around student support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer additional support focused on achieving the outcomes described in the EGUSD Graduate Profile.

EGHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at EGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. During the 2019-20 school year, EGHS offered two CPAs, the Technology and Digital Arts Academy and the Sustainable Agriculture Green Education (SAGE)/Future Farmers of America Academy. HQCPs included Automotive Technology and Culinary Arts. EGUSD's Department of College and Career Connections supports EGHS's CTE programs through strategic planning, oversight, and professional development.

Individual student assessment of work readiness skills in CTE programs takes place through End-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means. Our CTE programs are evaluated through multiple measures, including the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Family involvement is essential to improving student success. The Parent Teacher Student Organization, School Site Council, English Language Advisory Committee, Latino Family Literacy Project and booster clubs are examples of how parents can be involved. Parents are encouraged to register for ParentVue in our front office. ParentVue through Synergy allows parents to receive information about assignments, grades and attendance. Contact Dr. Eugene Christmas, Principal, at 916-686-7741 to find out about parent involvement opportunities.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.2%	0.2%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020 - 2021)

Your child's safety is important to us at Elk Grove High School and our district is committed to providing a safe, secure environment for learning. The Comprehensive School Safety Plan, last updated in February 2020, is annually reviewed by staff and School Site Council. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Campus security staff monitors before, during, and after school, in addition to after school events, such as games and dances. Elk Grove High School staff is dedicated to maintaining a safe, positive, and inclusive campus culture.

Course enrollments include only the number of K-12 public students enrolled in the class on "Census Day," a Wednesday in early October of the school year indicated. Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

Professional Development

Elk Grove High School staff is dedicated to improving their knowledge and skills to better meet the needs of all students. Staff engage in a variety of professional learning opportunities such as workshops, conferences, and content area collaboration. Teachers and staff meet regularly to plan lessons, share instructional strategies, evaluate student work and develop strategies to improve the learning of all students. New teachers who have been teaching fewer than two years are supported by the district's Beginning Teacher Support Program (BTSA). They meet weekly with an experienced mentor to discuss their successes, challenges and new ideas for instruction. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
