**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

At Elliott Ranch, we strive to provide a well-rounded experience, from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. Our mission is to assure that every student is learning in every classroom, in every subject, every day.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing the district's mission can be evidenced through our school's strengths, including:

- Highly qualified and collaborative teachers and remarkable support staff;
- Focus on meeting the individual academic needs of students; and
- Opportunities for students in class and out for a variety of extension activities.

Elliott Ranch is built on a solid foundation of good citizenship, a life-long love of learning, and tremendous parental support. Building strong character in our students is achieved through our PBIS program (Positive Behavior Intervention and Supports). Our teachers foster life-long learning through weekly collaboration meetings and a culture of peer coaching and observation.

Elliott Ranch parents support a world-class PTO organization that provides classroom support, fundraising, and collaboration with staff and administration.

We are proud that we continue to build programs for students. In the past few years, we have adopted Project Lead the Way STEM curriculum, hosted a live NASA downlink with the International Space Station, and fostered a love of reading through our Reading Counts program. Our staff is committed to a life-long learning approach as we implement Common Core State Standards. Our success is a tribute to the partnership that exists between the staff, the community, and students.

The physical and social/emotional safety of our students is this school's first priority and is achieved through the Positive Behavior Intervention and Support tiers of support. Elliott Ranch's school-wide expectations are: Be Safe, Be Respectful, and Be Responsible. All visitors are required to check in through the school office.

Elliott Ranch is a proud community of extreme learning! Go Extreme Rockets!

## School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Our school was built in 2000 and includes 38 classrooms, a multipurpose room, a library/learning center, and an administration building. Four portable classrooms were installed in 2011 for Class Size Reduction. Our campus includes an expansive playground with two shade structures and tables. The playground equipment was expanded in spring of 2015. Our running track was renovated in the fall of 2016. This year, all of our fencing is scheduled to be replaced.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year, our special projects include all new fencing and the start of a new multicultural mural.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	72%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	69%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

Our school has a strong PTO that supports family involvement, coordinates a variety of school events, and helps fund our library, technology, and supplies. Events include: Back to School Night, Open House, parent conferences twice per year, Harvest Festival, Multicultural Festival and Spring Fling. Parents serve on our School Site Council and our Equity and Diversity Council. (PTO President Melanie Parmar 402-651-2925)

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

Elliott Ranch Elementary staff is committed to providing a safe, secure environment for learning. Our School Safety Plan, outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office and was updated and reviewed with staff in February 2021. Our students are supervised by staff before and after school and we are a locked campus; all campus visitors are required to sign in with the office. We schedule routine emergency drills and random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

### Types of Services Funded (Fiscal Year 2020 - 2021)

At Elliott Ranch, we have highly qualified staff to assist students with special learning needs. Our Learning Center services students with IEPs who attend in our general education settings, but who need additional support to meet the standards. We have several self-contained classrooms for our students with disabilities who require more intensive supports to flourish. Our English Language Development instruction, five days per week, helps our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction and an after-school program in 4th-6th grades. Students in grades 1-6 may participate in an after-school band program for a fee. Extracurricular activities include a variety of sports, STEM, Running for Rhett, Homework club, Gardening club, Theater, Student Leadership, and Sign Language Club.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our school has a professional development emphasis focused on the needs of each individual student. In addition, our teachers meet at least once a month to participate in professional development offered through our school district. Teachers also meet weekly in grade-level teams to review student data, make determinations about students' strengths and weaknesses, and plan subsequent remediation and enrichment. Additionally, we have teachers participating in math grants, Mystery Science curriculum development, administrative credential programs, district curriculum steering committees, and articulation with middle school peers. Special education teachers and paraeducators have numerous opportunities to learn how to best meet the needs of students with learning disabilities.
