School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Florin High School

Address: 7956 Cottonwood Ln, Sacramento, CA 95828

Phone: 916-689-8600

Principal: Rudy Ortega Jr

Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Florin High School, Fearless in our Pursuit!

We believe our ultimate pursuit is to prepare students for college, career and life opportunities by creating a positive “transformational experience” at Florin High School.

The foundation of our experience begins with connecting students to a program, teacher or extracurricular activity. During their Freshman year, students are exposed to all that Florin High School has to offer which includes three Academies: LAW, IT (Information Technology) and Ag Tech, combined with pathways that include Ag, Audio Technology, Automotive, Culinary and Engineering, as well as AVID and English Learner programs. In addition, our athletic department is building a championship sports program that trains and prepares our students for competition, while teaching life-long skills. These connections create a family-like atmosphere that is the foundation for the learning that will take place.

The experience continues in the classroom, where we aim to create a caring environment, as we see each student for who they are, the positive attributes they possess and believe each of our students will be successful. Simultaneously, we have the highest expectations for our students, where we insist on academic excellence, while providing a variety of supports which allow students to meet expectations.

This framework allows our students to fearlessly pursue their hopes and dreams while at Florin High School and prepares them for the next step in their life.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

The main campus was built in 1989. Florin has 80 classrooms, a multipurpose room, a library, and counseling center, main gym, auxiliary gym, and administration building. In addition, the school has two baseball fields, two softball fields, a soccer field, tennis courts, an all-weather track and a synthetic practice football field. There is also a black box theater. Seventeen portable classrooms were added to the campus in 1992 to accommodate the growth of the campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Florin High School's modernization projects have been made possible by the passage of a recent bond initiative. A new all-weather track and field are completed, the school has been repainted, and all roofs and HVAC systems have been replaced. In addition, all student furniture has been replaced and bathrooms and hardscape have been renovated to meet ADA requirements and ensure paths of travel. Work will soon begin on three new buildings for our Agriculture, Engineering and Culinary programs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	43%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	19%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2020 - 2021)

Career Technical Education (CTE) provides opportunities for FHS students to prepare for college, career and life through a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance and career counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile through lessons on transcript review, college readiness, A-G completion, course selection, Academy applications, college admissions, postsecondary options, technology use and accessing resources.

FHS offers the following CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs, open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at FHS also allow students to meet graduation and A-G requirements. In 2019-20, FHS offered three CPAs, the Ag Tech Academy, LAW Academy (CPA), and Tech Careers Academy. HQCPs included Automotive Technology, Culinary Arts, Project Lead the Way Engineering, and Audio/Music Production. Students gained recognition in local, regional, state, and national competitions including the California State Fair, National FFA Convention, and robotics events.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means. Our CTE programs are evaluated through multiple measures: the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Student success requires a team effort, and our partnerships with parents are the most vital component of that team. Parents are encouraged to register for Synergy/ParentVUE for information on students' academic progress and attendance. Parents are also welcome to visit classrooms, to attend arts and athletic events, and to attend Open House, Back-to-School Night and Awards Nights. Please do not hesitate to contact Principal Rudy Ortega at 916-689-8600 or rortegaj@egusd.net or visit the Florin website at fhs.egusd.net for more information.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.1%	0.2%	0.1%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Our staff reviewed our School Safety Plan in October of 2020. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. In addition, each classroom, office and student space has an Emergency Guidelines Flipchart for quick reference. Random, periodic school safety inspections are conducted by the County of Sacramento, and security staff monitors all after school events. The District's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2020 - 2021)

Our richly diverse student population benefits from the variety of offerings at Florin High School. Florin's Honors/AP program is open to all students who have the willingness to do the difficult work required in Honors and AP classes. Classes are available in world languages, science, English, math, social science, art and music. These students can be supported by our AVID and/or Scholars classes as they rise to meet these challenges. Our English Learner Program supports students with a broad range of English language skills, from newcomers who may know no or limited English to Long Term English Learner students, who are on a path to re-designation as fluent English speakers. The ASSETs program is designed to support students by providing academic interventions, such as Math and English tutoring, and enrichment activities, such as physical wellness programs and cooking demonstrations, to all of our students at Florin High School.

Course enrollments include only the number of K-12 public students enrolled in the class on "Census Day," a Wednesday in early October of the school year indicated. Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

Professional Development

The Elk Grove Unified School District and Florin High School recognize adults as lifelong learners and provide ample opportunity for professional growth. Support staff are provided formal and informal opportunities to develop their skills. Teachers and Counselors are trained on current trends in education so that our students are prepared for their post-secondary studies. On Wednesday mornings, half of the teachers are available to support students, while the other half meet in Curriculum Teams to examine data and student work and learn from each other. As in any profession, we are stronger when we collaborate. Teachers also have professional learning release days available so that they can meet in content area teams to develop lessons or more deeply examine student work. New teachers are supported by the District's Induction program and are assigned Consulting Teachers who support them through their first two years in the classroom. We believe professional development is the backbone for continuous improvement and work to ensure the best for our staff.
