School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Foulks Ranch Elementary

Address: 6211 Laguna Park Drive, Elk Grove CA, 95758

Principal: Joseph Donovan

Phone: (916) 684-8177

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

Foulks Ranch Elementary

In September 2004, Foulks Ranch Elementary School became a National Blue Ribbon School. This prestigious honor came from the U.S. Department of Education in recognition of the sustained success of our school under the No Child Left Behind Act. Nine years later, we still feel we meet all the criteria that brought us Blue Ribbon status in 2004. Our tradition of excellence is evident through all of our doors.

Our staff is committed to meeting the learning needs of every child. We are committed to our school mission. The Foulks Ranch Elementary community - consisting of students, staff, and families - has the shared responsibility to: infuse essential skills necessary for each student to experience academic and social success; provide a safe and nurturing environment that fosters responsible citizenship; and model and develop respect for diversity, while recognizing commonality.

We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. This support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. We welcome parental input at any time through our monthly meetings or on any committee. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

Our district's mission is to provide a learning community that challenges all students to realize their greatest potential. We are committed to a region-wide effort that supports our district's mission, from our Pre-K classes through 12th grade. The administrators of the Laguna Creek Region recognize that it takes all of us to work together.

We continue to be a school on the move. We are immersed in the implementation of the Common Core and Positive Behavior Systems for our students. We enjoy a positive school environment, in and out of the classrooms, and appreciate the rich diversity at Foulks Ranch throughout our community.

School Facility Conditions and Planned Improvements (School Year 2016-2017)

This school has 31 classrooms, a multipurpose room, a library, a computer lab and an administration building. The main campus was built in 1993. Classrooms consist of a mix of permanent construction, relocatable and portable classrooms. The school opened in 1989 with all portable buildings. Final construction was completed on the administrative wing, library, and multipurpose room in 1993. In order to accommodate our year round schedule, most classes rotate in grade level wings throughout the school year. The Kindergarten wing houses three classrooms and their playground. Restroom facilities are built into each Kindergarten classroom. We have a Kindergarten and main campus playground that were both updated in 2002. In 2010, the field was revamped to include a running path for our students. Our 1st - 6th grade students all share the same playground space, but we have staggered recess times to allow enough play space for all children.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

Our Foulks Ranch Garden is taking shape! Students and volunteers began planting in November and December of 2016. The tile making night was a successful fundraiser and plans are in place for free-standing kiosks to display the tiles in the garden area. The final stages of this project include outdoor classroom seating areas to be constructed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2015-2016)

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

Parents are always welcome at school. We need, expect, and appreciate parent involvement. Our school has a very active PTO that supports us through a variety of opportunities. The PTO serves as a major sponsor for many school activities. Parents are always welcome to volunteer in their child's classroom to support the academic program and be partners in our educational endeavors. All our staff have "open doors" to discuss students' progress. To learn more about volunteering, please contact Mr. Donovan at jpdonova@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-2017)

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our Comprehensive Safe School Plan in August, 2016. The plan includes our anti-bullying policy, character education and safety practices. A review of the plan also occurs midyear with our School Site Council and School Culture Team. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

Types of Services Funded (Fiscal Year 2016-2017)

We have a highly qualified staff to assist students in many ways. Our Learning Center team works with teachers to support students who are on an Individualized Education Program(IEP) or are not meeting grade level standards. Strong collaboration between the general education staff and the Learning Center staff ensure that all students have an opportunity to be successful in school. We support an Inclusion program for students who qualify and house 2 Independent Living Skills(ILS) classrooms as well as 2 Autism Spectrum Disorder classrooms (ASD). Our intervention team includes teachers that support English Learners in the classroom in small groups. We offer some Intersession and Extended Day classes based on student need. Our GATE program has been revitalized and currently being developed to meet the needs of 4-6 graders who are ready for the challenge of an accelerated program. We will seek out students who are eligible for GATE testing and support them in the classroom as needed.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school staff works as a Professional Learning Communities known (PLC). Each PLC meets one time per week while all members are on track. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Our District offers many staff development opportunities for teachers outside of our school. This allows our staff to pursue their area of interest. EGUSD also offers a variety of classes for support staff. Paraeducators, office staff, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
