School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Franklin Elementary

Address: 4011 Hood-Franklin Road, Elk Grove CA, 95757

Principal: Sheila Caruthers

Phone: (916) 684-6518

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

Dear Families,

Welcome to Franklin Elementary School, a school that has been educating students in this community for over 150 years.

Franklin Elementary continues to provide a unique and wonderful educational experience for children, from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. Our single most important goal is to ensure that your child enjoys academic success throughout his or her educational experience at Franklin Elementary. We work together with all parents/guardians to help all students achieve.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Franklin Elementary School is dedicated to developing respectful and responsible citizens who seek to make positive contributions to our diverse society. We resolve to accomplish this by:

- maintaining a safe and supportive learning environment for everyone,
- developing life-long, independent learners and thinkers, and
- sustaining a strong and lasting sense of community and character through communication and collaboration with families.

Parent support and involvement are important aspects of the success at Franklin Elementary. Some parents help plan the programs and policies, while others serve as classroom and library volunteers, field trip chaperones, or plan family activities. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

A safe, positive learning environment is our school's first priority and our character development program reinforces good citizenship. We are a PBIS school which has three school rules of "Be Respectful. Be Responsible. Be Safe," as the cornerstone of all we do. The atmosphere of our school provides all children the opportunity to succeed.

Sheila Caruthers, Principal
Franklin Elementary

School Facility Conditions and Planned Improvements (School Year 2016-2017)

"Franklin school district" was established in 1859 and since that time has undergone relocation, renovations, and modernization. "Franklin Union School" was constructed on the current site in 1955, with the addition of portables in six different phases over the course of many years, and the construction of a multipurpose room in 1991. Our latest project was the addition of three portables on the north end of our campus in the summer of 2014. Currently, our school has 30 classrooms, a library, a computer classroom, an office, a multipurpose room, staff workroom, and a staff lounge. All classrooms and buildings have Wi-Fi access. We have an all-weather track surrounding our field, a school Life Lab garden, a large blacktop area, a ball wall and two basketball courts, in addition to a bark-filled playground structure for students in grades one through six and a separate playground for our Pre K, TK and kinder students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team along with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

New construction and maintenance projects will be determined by EGUSD for 2016-17.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

Franklin Elementary School values each family's involvement in their child's education. There are a number of ways to become involved. Back to School Night, Open House, and parent conferences provide parents an opportunity to become a partner in their child's education. Volunteering in your child's classroom, joining the PTA, SSC, or ELAC, serving as a Watch DOG or Art Docent, or helping with one of our many school-wide activities, supports the success of all of our students. For PTA information, please contact Kristi Jimenez at (916) 684-6518.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-2017)

At Franklin Elementary, we believe that a safe, positive learning environment is essential to student success. Our staff and SSC reviews and updates our Comprehensive Safe School Plan annually which was updated in December, 2016. Our students and staff participate regularly evacuation and lockdown drills. An "Emergency Kit", with a flipchart to reference emergency protocols, as well as accountability forms are easily accessible in every classroom. Gates are kept locked throughout the day and visitors are required to check-in through the school office and receive a visitor's badge before exiting out onto campus. Students are supervised beginning at 7:35 am by administration, teaching staff and support staff until school begins at 8:00 am, and again at 2:20 pm dismissal (Wednesdays at 1:30 pm) until 2:45 pm (Wednesdays at 1:50 pm).

Types of Services Funded (Fiscal Year 2016-2017)

At our school we have highly qualified staff to assist students with special learning needs. Our Learning Center provides both "push-in" and "pull-out" services for our special education students, and English Language Learners receive 30 minutes of ELD instruction in their regular classrooms daily to support language acquisition skills. We currently partner with Migrant Education and MiniCorps to provide additional support and interventions for our Migrant Ed and EL students through in-class tutoring and an after-school ELD program. Gifted and Talented students participate in differentiated instruction in their regular classrooms. Our Robotics Club and Mathletes provide STEM opportunities, along with art and music, and basketball programs after school. Our ASES (After School Safety & Enrichment) Grant provides after-school support to students in our Target Excellence program. These students receive academic instruction, homework and tutoring support, and enrichment activities.

Professional Development

Our school offers a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our school has weekly grade level and twice monthly staff meetings with a focus on student learning. Teachers use this time to review student work, make determinations about students' strengths and weaknesses, and plan revised instruction to meet the needs of all students. Support staff may receive training in CPR, first aid, behavior management, safety procedures, and health and nutrition. Our teachers also take part in district sponsored English language Arts and Math professional learning that supports the implementation of Common Core State Standards. Additionally, professional learning opportunities are offered to teachers to support our English Language learners, students with disabilities, Positive Behavior Intervention & Support, and Digital Learning. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program, BTSA.
